

Overview and Certification

Plymouth Housing Authority Annual Plan for Fiscal Year 2021 For State-Aided Public Housing

The Annual Plan is a document compiled by housing authority staff in advance of each new fiscal year. The plan serves as both a tool for the Local Housing Authority (LHA) to reflect upon the prior fiscal year, and as an opportunity to develop a clear and transparent plan that builds on successes, identifies needs, and corrects any issues that have arisen in prior years. Additionally, the Annual Plan is an important tool for tenants, who may use the document to better understand the operations and needs of their housing authority, advocate for changes to policies and procedures, access data about the housing authority, and participate in their housing authority's governance.

In addition to the physical document, the Annual Plan is also a process of public engagement. Throughout the Annual Plan process, the LHA executive director or their designee will be expected to review the Plan with any Local Tenant Organizations (LTO's) and Resident Advisory Board (RAB) before the LHA presents the plan to the LHA Board of Commissioners; make a draft available for review to all residents and the general public; post on the website and make a copy available to each LTO at least 30 business days before the public hearing; hold a hearing on the document; and collect, integrate, and report back on substantive comments. Additionally, the Board will read, offer recommendations, and approve the Annual Plan in advance of its submission to DHCD.

The law that mandates the Annual Plan is [An Act Relative to Local Housing Authorities, Massachusetts General Laws, Chapter 121B Section 28A](#). The regulation that expands upon Section 28A is [760 CMR 4.16](#). The regulations that address Local Tenant Organization (LTO) and resident participation in the Annual Plan are [760 CMR 6.09 \(3\)\(h\)](#) and [760 CMR 6.09\(4\)\(a\)\(4\)](#).

The Plymouth Housing Authority's Annual Plan for their 2021 fiscal year includes the following components:

1. Overview and Certification
2. Capital Improvement Plan (CIP)
3. Maintenance and Repair Plan
4. Operating Budget
5. Narrative responses to Performance Management Review (PMR) findings
6. Policies
7. Waivers
8. Glossary
9. Other Elements
 - a. No Public Comment
 - b. Cover sheet for tenant satisfaction surveys
 - c. Tenant Satisfaction Survey - 667only
 - d. Tenant Satisfaction Survey - 200-705only
 - e. Performance Management Review.

Overview and Certification**State-Aided Public Housing Developments**

The following table identifies the state-aided public housing units with developments of more than 8 units listed separately. Units in developments of 8 or fewer units are aggregated as noted. Units that the LHA provides to assist clients of the Department of Mental Health (DMH), the Department of Developmental Services (DDS), or other agencies are also aggregated separately.

Dev No	Type	Development Name	Num Bldgs	Year Built	Dwelling Units
667-01	Elderly	CASTLE HILL 667-01	7	1964	50
667-03	Elderly	CHERRY HILL 667-03	1	1979	81
667-02	Elderly	SOUTHFIELD 667-02	1	1968	60
200-01	Family	VETERANS 200-01	17	1949	40
	Family	Family units in smaller developments	5		5
	Other	Special Occupancy units	1		8
Total			32		244

Federally Assisted Developments

Plymouth Housing Authority also manages Federally-assisted public housing developments and/or federal rental subsidy vouchers serving 739 households.

LHA Board of Commissioners

	<u>Role</u>	<u>Category</u>	<u>From</u>	<u>To</u>
Nicole Long	Chair	State Appointee	05/13/2017	05/13/2022
Lisa Reilly	Member		05/18/2019	05/16/2020
Russell Shirley	Vice-Chair		05/14/2016	05/16/2021
Mary Ann Veiga	Member		05/18/2019	05/21/2022
David Ward	Treasurer		05/18/2019	05/18/2024

Plan History

The following required actions have taken place on the dates indicated.

	<u>REQUIREMENT</u>	<u>DATE COMPLETED</u>
A.	Advertise the public hearing on the LHA website.	07/30/2020
B.	Advertise the public hearing in public postings.	07/30/2020
C.	Notify all LTO's of the hearing and provide access to the Proposed Annual Plan.	N/A
D.	Post draft AP for tenant and public viewing.	07/30/2020
E.	Hold quarterly meeting with LTO to review the draft AP. (Must occur before the Public Hearing.)	N/A
F.	Annual Plan Hearing. Hosted by the LHA Board, with a quorum of members present. (For Boston, the Administrator will host the hearing.)	09/14/2020
G.	Executive Director presents the Annual Plan to the Board.	09/14/2020
H.	Board votes to approve the AP. (For Boston Housing Authority, the Administrator approves and submits the AP.)	09/14/2020

Certification

This Annual Plan will be certified by the LHA following approval by the Board.

This Annual Plan (AP) will be reviewed by the Department of Housing and Community Development (DHCD) following the public comment period, the public hearing, and LHA approval.

Capital Improvement Plan (CIP)**Capital Improvement Plan****DHCD Description of CIPs:**

The Capital Improvement Plan (CIP) is a five year plan which identifies capital projects, provides a planning scope, schedule and budget for each capital project and identifies options for financing and implementing the plan. The CIP identifies anticipated spending for each Department of Housing and Community Development (DHCD) fiscal year (July 1 to June 30) based on the project schedules.

Local Housing Authorities (LHAs) receive yearly awards from DHCD (Formula Funding Awards) which they target to their most urgent capital needs in their CIP. They may also receive special awards from DHCD for specific projects which meet specific criteria. Special awards may be given for certain emergency, regulation compliance, energy and water conservation, and other projects. The first three years of the CIP are based on actual awards made to the LHA, while years four and five are based on estimated planning amounts, not actual awards.

LHAs may sometimes secure other sources of funding and assistance that you will note in their CIP, such as: Community Preservation Act (CPA) funding, Community Development Block Grant (CDBG) funding, Local Affordable Housing Trust Funds (AHTF), HOME grants, income from leasing a cell tower on their property, savings from net meter credit contracts with solar developers, utility rebates and contracted work from utility providers, and Sheriff's Department work crews. However, not all of these funding sources are available every year, or in all communities.

The CIP includes the following parts:

- A table of available funding sources and amounts
- A list of planned capital projects showing spending per fiscal year
- A table showing special awards and other funding for targeted projects, if any, which supplements Formula Funding awarded to the LHA
- A 'narrative' with a variety of additional information.

Capital Improvement Plan (CIP)

Aggregate Funding Available for Projects in the First Three Years of the CIP:

Category of Funds	Allocation	Planned Spending	Description
Balance of Formula Funding (FF)	\$1,178,021.96		Total of all FF awards minus prior FF spending
LHA Emergency Reserve	\$176,703.29		Amount to reserve for emergencies
Net FF Funds (First 3 Years of the CIP)	\$1,001,318.67	\$1,013,232.42	Funds to plan & amount actually planned in the first 3 years of the CIP
ADA Set-aside	\$11,378.47	\$11,378.47	Accessibility projects
DMH Set-aside	\$21,873.07	\$21,873.07	Dept. of Mental Health facility
DDS Set-aside	\$0.00	\$0.00	Dept. of Developmental Services facility
Unrestricted Formula Funding (FF)	\$968,067.12	\$979,980.88	Funds awarded by DHCD to be used on projects selected by the LHA and approved by DHCD.
Special DHCD Funding	\$59,750.00	\$59,750.00	Targeted awards from DHCD
Community Development Block Grant (CDBG) Funds	\$0.00	\$0.00	Federal funds awarded by a city or town for specific projects.
Community Preservation Act (CPA) Funds	\$0.00	\$0.00	Community Preservation Act funds awarded by a city or town for specific projects.
Operating Reserve(OR) Funds	\$39,155.99	\$39,155.99	Funds from the LHA's operating budget.
Other Funds	\$0.00	\$0.00	Funds other than those in the above categories. See explanation below.
Total funds and planned spending	\$1,100,224.66	\$1,112,138.41	Total of all anticipated funding available for planned projects and the total of planned spending.

Capital Improvement Plan (CIP)**CIP Definitions:**

ADA Set-aside is funding allocated within the Formula Funding (FF) for use on projects that improve accessibility for people with disabilities. 10% of FF awards are designated for this purpose.

Available State Bond Funding is the amount of State Bond Funding available to the LHA for the first three years of the CIP. It is calculated by totaling all of FF and Special Awards granted to the LHA through the end of the third year of the plan and subtracting the amount of these funds spent prior to July 1 of the first year of the plan.

Amount spent prior to the plan is the total amount of Formula Funding (FF) and Special Awards spent prior to July 1 of the first year of the plan.

Capital project is a project that adds significant value to an asset or replaces building systems or components. Project cost must be greater than \$1000.

CDBG stands for Community Development Block Grant, a potential source of project funds.

CPA stands for Community Preservation Act, a potential source of project funds.

CapHub Project Number is the number given to projects entered into DHCD's project management system known as CapHub.

DMH Set-aside is funding allocated within the Formula Funding (FF) for use on facilities leased to the Department of Mental Health (DMH) program vendors, if any exist at this LHA.

DDS Set-aside is funding allocated within the Formula Funding (FF) for use on facilities leased to the Department of Developmental Services (DDS) program vendors, if any exist at this LHA.

Formula Funding (FF) is an allocation of state bond funds to each LHA according to the condition (needs) of its portfolio in comparison to the entire state-aided public housing portfolio.

Operating Reserve is an account, funded from the LHA operating budget, primarily used for unexpected operating costs, including certain extraordinary maintenance or capital projects.

Other Funds could include other funding by the city or town or from other sources.

Special Awards are DHCD awards targeted to specific projects. Award programs include funds for emergencies beyond what an LHA can fund, for complying with regulatory requirements, for projects that will save water or energy use, and various other programs the department may run from time to time.

Total Cost is the sum of investigation, design, administration, permitting, and construction costs for a project

Unrestricted Formula Funding (FF) is money awarded to the LHA by DHCD under the Formula Funding program other than amounts set aside (restricted) for accessibility improvements or for facilities operated by DMH or DDS.

Capital Improvement Plan (CIP)**Regional Capital Assistance Team**

Plymouth Housing Authority participates in the Regional Capital Assistance Team (RCAT) program and project implementation responsibilities are as follows:

- o For projects with construction cost under \$10,000, the LHA has the sole responsibility to initiate, implement and manage the project. RCAT offers technical assistance upon request.

- o For projects with construction cost between \$10,000 and \$100,000 the RCAT will have lead responsibility to initiate, implement and manage the project with both DHCD and LHA involvement and oversight throughout the process. For projects in this range, the LHA will work with the RCAT Project Manager who will contact the LHA to initiate projects.

- o For projects with construction cost over \$100,000, or projects below that threshold that are complex or have a subsequent phase that exceeds \$100,000 construction cost, DHCD will take the lead and draft a WO or RFS to hire a designer to prepare plans and specs. RCAT will not be involved in the implementation of projects in this range and the LHA will continue to work directly with the DHCD Project Manager and DHCD design staff.

Capital Improvement Plan (CIP) Narrative

Including Requests to DHCD & Supporting Statements

1. Request for increased spending flexibility.

DHCD designates a spending target (cap share) and an allowable spending range for each year of the CIP. A Housing Authority may request to shift the cap shares of the first three years in order to increase scheduling flexibility. A CIP utilizing this flexibility is called an Alternate CIP. The total spending over three years and over five years must continue to meet the limits set by DHCD. DHCD will approve an Alternate CIP only with acceptable justification and only if funding is available.

Plymouth Housing Authority has not submitted an Alternate CIP.

2. Request for additional funding.

A Housing Authority may request additional funding from DHCD for projects that qualify as emergencies, required legal compliance upgrades, or sustainability improvements.

Plymouth Housing Authority has not requested additional funding.

3. Overall goals of the Housing Authority's CIP

Goals include improvements for tenant safety and protection of property as well as system upgrades and repairs. This will require adding security measures such as cameras and upgraded entrance systems. A focus on replacing original Doors and windows at various sites and continue to enhance accessibility at all sites.

4. Changes from the Housing Authority's previous CIP

Every new CIP differs from the previous CIP because projects have been completed and a new year has been added with new projects. These changes and other significant changes to the content of the CIP are highlighted below:

The CIP this year is continuing to focus on the big projects that will take some time to complete and utilize a significant amount of cap share. We have living room and bedroom window replacements that need to be addressed as well as over sized slider now at one of our sites that need replacing. Tenants can no longer open them and we can not get replacement parts for them. We have also have an site electrical upgrade projects to address much needed repairs.

5. Requirements of previous CIP approval

There were no special conditions attached to the approval of our previous CIP.

6. Quarterly capital reports

Our most recent quarterly capital report (form 80 and 90) was submitted on 03/31/2020.

7. Capital Planning System (CPS) updates

Our CPS facility data has been updated with current condition information, including changes resulting from projects completed in the past year, as of 07/16/2020.

8. Project priorities

All the projects in our CIP are high priority (Priority 1 and 2 projects).

9. High priority deficiencies

We have not been able to include all of our high priority (CPS priority 1 and 2) projects in our CIP:

We have exhausted our funds - there fore we will have to deter other projects until next year.

10. Accessibility

We have identified the following accessibility deficiencies in our portfolio:

Exterior unit doors and windows at various sites - surpassed their life expectancy, repair parts are no longer available, wear, tear and damages have hindered the functionality.

We have incorporated the following projects in our CIP to address accessibility deficiencies:

The replacement of all windows at one of our 705s

the replacement of the oversize sliders at Cherry Hill

11. Special needs development

Plymouth Housing Authority has one or more special needs (167 or 689 programs) development. We have completed the service provider input process according to the required procedures detailed in the lease agreement and held an annual meeting with the service provider staff at all special needs developments as of 04/23/2019.

12. Energy and water consumption

Our 12 most recent monthly energy reports are for months 1/2019 to 12/2019.

The following table lists the DHCD thresholds for Per Unit Monthly (PUM) expense for electricity, natural gas, oil, and water use and the developments at the Housing Authority that have expenses in excess of the thresholds, if any.

	Electric PUM > Threshold	Gas PUM > Threshold	Oil PUM > Threshold	Water PUM > Threshold
Threshold PUM:	\$100	\$80	\$50	\$60

705-01

We have updated windows as well as heating systems in order to reduce the consumption at the 705-01. We will in the future seek an energy audit at these location as we are surprised that this is still showing.

13. Energy or water saving initiatives

Plymouth Housing Authority is not currently pursuing any energy or water-saving audits or grants that could affect CIP project scope, costs or timing of projects.

14. Vacancy rate

Our unadjusted vacancy rate reported to DHCD is as follows. (The unadjusted vacancy rate captured in these figures is the percentage of ALL housing units that are vacant, including both offline units being used for other purposes and units with DHCD vacancy waivers.)

- 1% c. 667 (DHCD Goal 2%)
- 0% c. 200 (DHCD Goal 2%)
- 0% c. 705 (DHCD Goal 2%)

15. Vacancies

Plymouth Housing Authority has no units listed as vacant, proposed to be vacant, or at risk of becoming vacant.

Maintenance and Repair Plan

Maintenance Objective

The goal of good property maintenance at a public housing authority is to serve the residents by assuring that the homes in which they live are decent, safe, and sanitary.

About This Maintenance and Repair Plan

This Maintenance & Repair Plan consists of several subsections describing maintenance systems followed by charts showing typical preventive maintenance, routine maintenance, and unit inspection tasks and schedules. These subsections are:

- a. **Classification and Prioritization of Maintenance Tasks** - Defines and prioritizes types of work to be accomplished by maintenance staff and vendors. Explains how the housing authority is expected to respond to work orders (tasks or requests) based on the work order classification.
- b. **Emergency Response System** - Defines what constitutes an emergency and how to notify staff of an emergency.
- c. **Normal Maintenance Response System** - How to contact the maintenance staff for a non-emergency request.
- d. **Work Order Management** - Description of the housing authority's system for managing work orders (tasks and requests).
- e. **Maintenance Plan Narrative & Policy Statement** - Self-assessment, basic information, and goals for the coming year, along with a description of the housing authority's maintenance program.
- f. **Preventive Maintenance Schedule** - A listing and schedule of tasks designed to keep systems and equipment operating properly, to extend the life these systems and equipment, and to avoid unexpected breakdowns.
- g. **Routine Maintenance Schedule** - A listing and schedule of ordinary maintenance tasks such as mopping, mowing, raking, and trash collection required to keep the facilities in good condition.
- h. **Unit Inspections** - Scheduling of annual unit inspections.

Classification and Prioritization of Maintenance Tasks

Maintenance items are tracked as “work orders” and are classified in the following categories. They are prioritized in the order listed. The following classifications and prioritization are required by the Department of Housing and Community Development (DHCD).

- I. **Emergencies** - Emergencies are only those conditions which are **immediately threatening** to the life or safety of our residents, staff, or structures.
 - **Goal: initiated with 24 to 48 hours.**
- II. **Vacancy Refurbishment - Work necessary to make empty units ready for new tenants.**
 - After emergencies, the refurbishment of vacancies for immediate re-occupancy has the highest priority for staff assignments. **Everyday a unit is vacant is a day of lost rent.**
 - **Goal: vacancy work orders are completed within 30 calendar days or if not completed within that timeframe, LHA has a waiver.**
- III. **Preventive Maintenance** - Work which must be done to **preserve and extend the useful life** of various elements of your physical property and avoid emergency situations.
 - A thorough Preventive Maintenance Program and Schedule that deals with all elements of the physical property is provided later in the document.
 - The Preventive Maintenance Program is reviewed and updated annually and as new systems and facilities are installed.
- IV. **Programmed Maintenance** - Work which is important and is completed to the greatest extent possible within time and budget constraints. Programmed maintenance is grouped and scheduled to make its completion as efficient as possible. Sources of programmed maintenance include:
 - Routine Work includes those tasks that need to be done on a regular basis to keep our physical property in good shape. (Mopping, Mowing, Raking, Trash, etc.)
 - Inspections are the other source of programmed maintenance.
 - o Inspections are visual and operational examinations of parts of our property to determine their condition.
 - o All dwelling units, buildings and sites must be inspected at least annually.
 - o **Goal: Inspection-generated work orders are completed within 30 calendar days from the date of inspection, OR if cannot be completed within 30 calendar days, are added to the Deferred Maintenance Plan or the Capital Improvement Plan in the case of qualifying capital repairs (unless health/safety issue).**
- V. **Requested Maintenance** - Work which is requested by residents or others, does not fall into any category above, and should be accomplished as time and funds are available.
 - Requests from residents or others for maintenance work which does not fall into one of the other categories has the lowest priority for staff assignment.
 - **Goal: Requested work orders are completed in 14 calendar days from the date of tenant request or if not completed within that timeframe (and not a health or safety issue), the task is added and completed in a timely manner as a part of the Deferred Maintenance Plan and/or CIP.**

Emergency Request System

For emergency requests call the numbers listed here. Qualifying emergency work requests are listed below.

METHOD	CONTACT INFO.	TIMES
Call Answering Service	508-510-8526	After normal business hours
Call LHA at Phone Number	508-746-2105	M - F 8:30 am - 4:00 pm

List of Emergencies - Emergencies are those conditions which are immediately threatening to the life or safety of our residents, staff, or structures. The following is a list of typical conditions that warrant an emergency response. If there is an emergency condition whether or not enumerated on this list please notify the office or answering service at the numbers listed above. If you have any questions regarding this list or other matters that may constitute an emergency, please contact the Plymouth Housing Authority main office.

QUALIFYING EMERGENCY WORK REQUESTS
Fires of any kind (Call 911)
Gas leaks/ Gas odor (Call 911)
No electric power in unit
Electrical hazards, sparking outlets
Broken water pipes, flood
No water/ unsafe water
Sewer or toilet blockage
Roof leak
Lock outs
Door or window lock failure
No heat
No hot water
Snow or ice hazard condition
Dangerous structural defects
Inoperable smoke/CO detectors, beeping or chirping
Elevator stoppage or entrapment

Normal Maintenance Request Process

Make normal (non-emergency) maintenance requests using the following methods:

METHOD	CONTACT INFO.	TIMES
Text Phone Number		
Call Answering Service	508-510-8526	After normal business hours
Call Housing Authority Office	508-746-2105 ex. 412	M-F 8:30 am - 4:00 pm
Submit Online at Website

Work Order Management

A. DHCD review of this housing authority’s operations shows that the authority uses the following system for tracking work orders:

Type of work order system: DHCD's usual on-site review for this housing authority's work order system was cancelled due to the COVID-19 emergency.

Work order classification used:

Emergency	
Vacancy	
Preventative Maintenance	
Routine	
Inspections	
Tenant Requests	

B. We also track deferred maintenance tasks in our work order system.

C. Our work order process includes the following steps:

Step	Description	Checked steps are used by LHA
1	Maintenance Request taken/submitted per the standard procedures listed above for the Emergency Request System and the Normal Maintenance Request Process.	<input checked="" type="checkbox"/>
2	Maintenance Requests logged into the work system	<input checked="" type="checkbox"/>
3	Work Orders generated	<input checked="" type="checkbox"/>
4	Work Orders assigned	<input checked="" type="checkbox"/>
5	Work Orders tracked	<input checked="" type="checkbox"/>
6	Work Orders completed/closed out	<input checked="" type="checkbox"/>
7	Maintenance Reports or Lists generated	<input checked="" type="checkbox"/>

Maintenance Plan Narrative

Following are Plymouth Housing Authority’s answers to questions posed by DHCD.

A. Narrative Question #1: How would you assess your Maintenance Operations based on feedback you’ve received from staff, tenants, DHCD’s Performance Management Review (PMR) & Agreed Upon Procedures (AUP), and any other sources?

Our maintenance operations are consistent and effective. Our systems we have in place properly utilize our task force and efficiently complete all tasks. We still use a paper system for the work order disbursement and involves several administrative and maintenance personnel. This has been effective for us but by automating this process could free up personnel and make things more efficient.

B. Narrative Question #2: What changes have you made to maintenance operations in the past year?

We have started to implement tablets to fully automate the maintenance and inspection process.

C. Narrative Question #3: What are your maintenance goals for this coming year?

Continue to automate the maintenance and inspection delivery and documentation process until we are paperless.

D. Maintenance Budget Summary

The budget numbers shown below are for the consolidated budget only. They do not include values from supplemental budgets, if any.

	Total Regular Maintenance Budget	Extraordinary Maintenance Budget
Last Fiscal Year Budget	\$356,001.00	\$148,000.00
Last Fiscal Year Actual Spending	\$339,674.00	\$149,764.00
Current Fiscal Year Budget	\$392,098.00	\$107,200.00

E. Unit Turnover Summary

# Turnovers Last Fiscal Year	20
Average time from date vacated to make Unit "Maintenance Ready"	21 days
Average time from date vacated to lease up of unit	35 days

Attachments

These items have been prepared by the Plymouth Housing Authority and appear on the following pages:

Preventive Maintenance Schedule - a table of preventive maintenance items showing specific tasks, who is responsible (staff or vendor), and the month(s) they are scheduled

Deferred Maintenance Schedule - a table of maintenance items which have been deferred due to lack of resources.

2.3 PREVENTIVE MAINTENANCE POLICIES AND PROCEDURES

The Plymouth Housing Authority recognizes the importance of a Preventive Maintenance Policy to prevent deterioration of buildings, systems and equipment. Preventive Maintenance is defined as tasks which are required to preserve and extend the useful life of buildings, systems, equipment and other elements of the Plymouth Housing Authority. The preventive maintenance inspections and work will help establish a record of deterioration which may signal modernization needs that can be planned and scheduled.

Components of the Plymouth Housing Authority Preventive Maintenance Policy

- A. Annual Inspections of all dwelling units
 1. Each unit will be inspected within a 12-month period
 2. Residents will be notified in writing at least 48 hours in advance informing them of the date, time and purpose of the inspection
 3. Inspections will be performed by Plymouth Housing authority staff and will ensure that all units comply with standards set by HUD and local codes
 4. Any work items noted during the inspection will be documented on the Plymouth Housing Authority inspection form
 5. Work orders will be generated within 3 days of the inspection and completed within 30 days of the inspection

- B. Building and Site Inspections
 1. Quarterly inspections of sites, building exteriors, building systems and common areas are done using UPCS inspection guidelines and forms
 2. Work orders from those inspections will be generated within 3 days and completed within 30 days of the inspection

- C. Scheduled Maintenance
 1. A Preventive Maintenance Schedule has been created listing all systems, building components and site features and updated each time a system is replaced, upgraded or added.
 2. The schedule will list the item, frequency, procedure and whom is responsible for the work

2.3 PREVENTIVE MAINTENANCE POLICIES AND PROCEDURES CONT.

3. Plymouth Housing Maintenance will be responsible for some items and qualified sub-contractors will be used also under the supervision of the Maintenance Department
4. Preventive Maintenance contracts will be arranged through the Modernization Department for maintenance and service of Elevators, HVAC systems, Boilers, trash removal, extermination and other services as required
5. Work orders will be generated for all scheduled maintenance work items

D. Vehicle Equipment Maintenance

1. The Plymouth Housing Authority has developed a policy and procedures to ensure all vehicles, tools and equipment are maintained for safety, proper operation and longer useful life
2. A Preventive Maintenance Schedule and checklist has been created for all vehicles, tools and equipment listing item, frequency and procedures
3. A work order and checklist is generated for each vehicle monthly
4. Work orders for Tools and equipment are grouped together and a checklist is provided

E. Pest Control

1. The Plymouth Housing Authority will make all efforts to provide a healthy and pest free environment for its residents. The Authority will determine which, if any, pests infest its properties and will then provide the best possible treatment for the eradication of the pests. All residents will be informed at least 48 hours before treatment. The notification will be in writing and will include instructions that describe how to prepare the unit for treatment.

2.3 PREVENTIVE MAINTENANCE POLICIES AND PROCEDURES CONT

F. Life Safety Systems

1. The Plymouth Housing Authority has a comprehensive program for the maintenance and testing of life safety systems to ensure that they will be fully functional in the case of an emergency. The Maintenance Supervisor shall be responsible for the scheduling, testing and servicing of this equipment. All testing reports are sent to the Fire Department. Life Safety Systems are included on the Preventive Maintenance Schedule with item, frequency and procedure. Equipment listed below:
 - i. Fire Alarm systems and panels
 - ii. Fire extinguishers
 - iii. Building Sprinklers
 - iv. Fire Pumps
 - v. Backup Generators
 - vi. Emergency Lighting
 - vii. Smoke detectors/CO detectors

G. Elevators

1. The Plymouth Housing Authority has a program that ensures all elevators are maintained monthly by a qualified contractor and are inspected yearly by The Commonwealth of Massachusetts.

H. Preventive Maintenance Schedule-components

1. Property/Site
2. Building Exteriors
3. Building Systems
4. Common Areas
5. Dwelling Units

**Plymouth Housing Authority
Preventive Maintenance Schedule
Property/Site**

Item	Description	Frequency	Scheduled
Fences	Inspect and repair all fencing and gates, repaint any as needed	Yearly	July
Retaining walls	Inspect all retaining walls, looking for cracks, leaning, deterioration,	Yearly	July
Walkways/Sidewalks	Inspect all walks for cracks, deterioration, safety hazards, damage to curbs- repair any issues, repaint curbs	Twice Yearly	April
Driveways/Parking Lots	Inspect all areas for pot holes, cracks, deterioration, faded line/directional/informational markings- repair/repaint any issues	Twice Yearly	April
Signs	Inspect all project, address, parking, HC signs and posts-repair/replace damaged or faded signs/posts- repaint Building Address Number- Clear	Yearly	July
Drainage	Inspect all storm drains for proper drainage, grates undamaged and even with surface-Clean catch basins/ pipes as needed	Twice Yearly	April
Downspout/area drains	Inspect to make sure drains are clear and flowing properly-clear pipes	Twice yearly	April/ Oct.
Steps/Ramps/Railings	Inspect all exterior steps, ramps and railings for deterioration, rot or damage- repair/replace/repaint as needed	Twice Yearly	May/Oct.
Window Wells	Inspect for damage, standing water or debris	Twice Yearly	April /Oct.
Exterior lighting	Check all parking lot, driveway, and building lights for proper operation, adjust timers as needed, check photocells for proper operation, check poles for damage, replace bulbs as needed	4 Times a Year	February April June September
Trees	Inspect sites for broken/dead limbs or trees, inspect for limbs touching/overhanging building	Twice Yearly	April/ Oct.

Plymouth Housing Authority
Preventive Maintenance Schedule
Property/Site

Item	Description	Frequency	Scheduled
Dumpster Areas	Inspect condition of fencing and gates-painting, repair, adjust	Twice Yearly	April/Oct.
Utility Enclosures	Inspect condition of enclosure and gate-secure, paint, repair, remove vegetation	Twice Yearly	May/Nov.
Grounds/Lawn	Repair plowing damage, Aerate, reseed, lime and fertilize lawns-fill any dips or low areas, check for drainage away from buildings	Yearly	March
Irrigation	Inspect: Controller, pump, sprinklers, zone valves for proper operation	Twice Yearly	May/Nov.

Plymouth Housing Authority
Preventive Maintenance Schedule
Building Exterior

Item	Description	Frequency	Scheduled
Doors	Inspect for Damaged: frames/thresholds/trim - hardware/locks – surface(holes/paint/rust/glass) – deteriorated/missing caulking/weather-stripping – proper closing and catching	Twice Yearly	Apr. Nov.
Foundations	Inspect for: Cracks/gaps, deterioration or damage	Twice Yearly	May/Nov.
Lighting	Inspect for: working lights, damage to fixture, photo cell/ timer operating correctly, ample light for area	Quarterly	Feb. May Aug. Nov.
Roofs	Inspect for Damaged or missing: Facias, soffits, rake trim- roof vents, soffit vents- drains/scuppers-flashings- shingles- flat roofing-ponding-flashings-exhaust fans- excessive wear	Twice Yearly	May Nov.
Chimneys	Inspect for: leaning-chimney cap rusted missing/damaged- damaged/missing bricks or mortar-flashing loose/missing -	Twice Yearly	May Nov.
Gutters and Downspouts	Inspect gutters for: pitch, attached securely and proper draining-overflow-paint- no leaks at joints or ends Inspect Downspouts for: attached to building securely-attached to gutter outlet-clear- damage-splash blocks or extensions - pooling near building-	Twice Yearly	May Nov.
Exterior Walls	Inspect walls for any leaning, bowing, cracking or bulging- Inspect siding properly attached, no mold or mildew, no missing/damaged/rotted pieces of trim or siding- Inspect Masonry walls for missing bricks, spalling or crumbling- cracks, loose, soft or missing mortar joints- condition of paint or stain – insect damage/presence	Twice Yearly	May Nov.

Preventive Maintenance Schedule
Building Exterior

Item	Description	Frequency	Scheduled
Windows	Inspect for: broken, fogged or cracked panes – Damaged sills, casings, sash or jambs – missing/damaged screens – condition of paint/stain – Insect damage/decay/rot	Twice Yearly	May Nov.
Porches and Decks	Inspect for: Rotted/damaged decking or structure-Railings secure - Condition of Paint on railings, ceiling, trim and other painted areas – Insect Damage – Proper flashing at wall – Cracks or damage on concrete floors – corrosion of iron fittings	Twice Yearly	May Nov.

Plymouth Housing Authority
Preventive Maintenance Guide Schedule
Building Systems

Item	Description	Frequency	Scheduled
Domestic Water	Leaking, Ventilation, Pressure relief, valves operable, temperature, shut off valves operable,	Twice Yearly	Feb. Aug.
Electrical systems	Blocked access/improper storage, burnt Breakers, evidence of leaks/corrosion, Missing Covers/knockouts or any gaps, Electrical Closet doors secure	Twice Yearly	Feb. Aug.
Elevators	Monthly maintenance performed by Licensed Contractor-State Inspection performed yearly	Monthly	
Fire Protection- Alarms	Testing by Licensed Contractor-all devices, panels and other components tested yearly Local smoke and CO detectors inspected by PHA twice yearly -yearly battery replacement	Yearly	
Fire Protection- Sprinklers and Fire Pumps	Testing by Licensed Contractor	Yearly	
Fire Protection- Fire Extinguishers	Testing by licensed Contractor	Yearly	
Generators	Twice yearly maintenance by Licensed Contractor- Visual inspection weekly by PHA	Twice Yearly	
HVAC-boilers	Preventative Maintenance performed yearly by licensed contractor	Yearly	
HVAC- Air Conditioning	Clean/replace filters, Clear drain lines, Inspect Condensers and Air handlers	Yearly	

Plymouth Housing Authority
Preventive Maintenance Guide Schedule
Building Systems

Item	Description	Frequency	Scheduled
Septic systems	Pump Tank, clean zabel filter	Yearly	May
Sewerage Pumps/Pits	Inspect pumps, clean floats, clean pit, clean over flow grate, check alarm and controls	Yearly by Contractor	August
Security Systems	Inspect for proper operation-Check for missing or damaged components	Yearly	August
Camera System	Inspect for proper operation-Check for missing or damaged components	Monthly	
Intercom Systems	Inspect for proper operation-Test	Twice Yearly	Feb. / Aug.
Backflow Preventers	Inspected by Plymouth Water Department	Yearly	
Fire Suppression System Northfield Kitchen	Semiannual Inspection and maintenance by Licensed Contractor	Yearly	
Trash Compactors	Inspect for: proper operation, leaks, damage to equipment, sensors clean, operational, pests, cleanliness	Monthly	
Odor Control Systems	Inspect for: proper operation, fluid in containers, spray nozzles clean	Monthly	
Sump Pumps	Inspect for: proper operation, debris screen clean, drain hose clear, alarms operable	Twice Yearly	Feb. Aug.

Plymouth Housing Authority
Preventive Maintenance Guide Schedule
Common Areas

Item	Description	Frequency	Scheduled
Lobby/ Entrance areas	Inspect for: Doors/Frames damaged – Proper operation of locks - automatic door openers and controls operable - closers functioning- Damage to mail boxes	Monthly	
Basements/Garage	Inspect for: overhead door secure/operable- all flammables in fire proof cabinet - water stains/mold – Garbage/debris -	Twice Yearly	Jan. Oct
Closet/Utility/Mechanical	Inspect for: Door/lock secure - no items stored inside – Electrical panels clear – missing covers, knockouts, breakers or gaps in electrical closets	Twice Yearly	Jan. Oct
Laundry Areas	Inspect for: Damage to machines - leaks - dryer vents clean/hoses attached – drain hoses secure in drain pipe -	Twice Yearly	Jan. Oct
Trash Collection Areas	Inspect for: Doors and closers operable - trash doors close tightly/all hardware operable – pests – cleanliness – no loose trash	Weekly	
Community Room	Inspect For: Damage to furniture - cleanliness of room/furniture – debris -	Weekly	
Halls/Corridors/Stairs	Inspect for: Damaged/missing handrails/side rails – Damaged/loose stair treads – Clear egress – Exit signs – Tripping Hazards	Twice Yearly	Jan. Oct
Kitchen	Inspect for: Faucet/pipes leaking – dishwasher/garbage disposal operable – Counter tops damaged – Range/range hood, clean/operable – refrigerator clean/operable/missing/damaged parts – pests – Odors – Cabinets missing or damaged – Drains clear	Twice Yearly	Jan. Oct
Storage	Inspect for: Excessive/ flammable items	Twice Yearly	Jan. Oct

Plymouth Housing Authority
Preventive Maintenance Guide Schedule
Common Areas

Item	Description	Frequency	Scheduled
Office	Inspect for damage to windows, doors, flooring, electrical	Twice Yearly	Jan. Oct.
Restrooms	Inspect for: Faucet/pipes leaking – All drains clear - Toilet Flushing, seat secure and tight to the floor – GFCI operable – Clean – Trash barrel present	Weekly	
Common Electrical	Inspect for: missing/broken cover plates – broken/missing outlets or switches – broken/missing light fixtures or lenses -	Weekly	
Common Flooring	Inspect for: Damage to floors- Bulging/buckling – Missing floor tiles or baseboards – Tripping Hazards – Secure transition strips – Stains/mold - need of wax – cleaning of carpets – worn areas -	Weekly	
Common Ceilings	Inspect for: Missing/Damaged ceiling tiles and grid – Holes, cracks, peeling paint – Water stains/mold – Bulging/buckling – condition of paint -	Twice Yearly	Jan. Oct.
Common Walls	Inspect for: Damage/holes/scratches/dents – condition of paint – damage to wallpaper/borders – damage to trim - water stains	Twice Yearly	Jan. Oct
Common Doors	Inspect for: Damaged surface holes, paint, rust – Damage to frames/trim – Damage to locks/closers/magnetic catches/ - proper alignment and closing – proper operation of locks –	Twice Yearly	Jan. Oct
Common Windows	Inspect for: Proper alignment, fit, and operation – all hardware present and functioning – locking – movement of sash-Water stains/signs of leaking	Twice Yearly	Jan. Oct

Plymouth Housing Authority
Preventive Maintenance Schedule

Common Areas

Item	Description	Frequency	Scheduled
Common HVAC	Inspect for: Cleanliness of heating units, grilles, fins - fan motors, check for leaks - condition of paint on cover or baseboard – thermostat working - filter	Twice Yearly	April Oct

F. DEFERRED MAINTENANCE POLICY AND PROCEDURES

Deferred Maintenance work items are repairs, upgrades or maintenance that must be postponed due various reasons. Emergency work items cannot be included in the Deferred Maintenance plan. Items on the Deferred Maintenance list are smaller projects that would not be included in the CIP. The purpose of the Deferred Maintenance plan is to ensure work items do not go uncompleted.

- a. Reasons work items are deferred
 - 1. Funds not available
 - 2. Seasonal constraints
 - 3. Coordination with sub-contractors
 - 4. Manpower
 - 5. Grouping items by location, task or trade

- b. How Deferred Maintenance items are identified
 - 1. Annual inspection of Units
 - 2. Scheduled inspections of buildings and sites
 - 3. Work orders requested by tenants
 - 4. Preventative Maintenance

- c. A Deferred Maintenance work order will be generated with the information below when an item is deferred
 - 1. Priority
 - 2. Date added to Deferred Maintenance list
 - 3. Site or unit number
 - 4. Item description
 - 5. Reason deferred
 - 6. Original work order number
 - 7. Projected cost
 - 8. Time and materials needed to complete
 - 9. Forecasted date of completion
 - 10. The Maintenance Supervisor will receive the deferred work orders

- d. Deferred maintenance work orders are reviewed with the Executive Director, Modernization Department and Maintenance Supervisor to schedule completion as soon as possible

Operating Budget

The tables on the following pages show the approved budget and actual income and spending per budget account (row) for the fiscal year ending 12/31/2019. It also shows the approved budget for the current year (2020) if there is one, and the percent change from last year's spending to this year's approved budget. The final column shows the current approved amount for each account divided by the number of housing units and by 12 months to show the amount per unit per month (PUM). The chart does not show a draft budget for the coming fiscal year as that will typically be developed in the final month of the fiscal year.

The budget format and accounts are mandated by the Department of Housing and Community Development (DHCD). For a better understanding of the accounts and discussion of special situations see the notes following the budget tables and the "Definitions of Accounts" at the end of this section.

The LHA maintains a consolidated budget (400-1) for all state-aided 667 (Elderly), 200 (family), and 705 (scattered site family) developments owned by the LHA. It does not maintain separate budgets for each development.

Operating Reserve

The LHA's operating reserve is the amount of funds that an LHA sets aside to sustain itself during lean years, or to remedy urgent health and safety concern or address deferred maintenance items. In addition, while DHCD approves a fixed non-utility operating budget level for every LHA (called the Allowable Non-Utility Expense Level, or ANUEL), LHAs can propose a budget that exceeds that level, with the additional cost to be funded from the Operating Reserve, as long as the reserve will still remain above the minimum threshold set by DHCD.

DHCD defines a full (100%) Operating Reserve (OR) amount to be equal to one-half of the previous year's operating expenses and requires LHAs to maintain a minimum OR of 35% of this amount to cover any unplanned but urgent needs that may arise during the year and that can't be funded by the operating budget. If the reserve is between 20% and 35% of the full level, the LHA must obtain prior written approval from DHCD to spend reserve funds, unless the expense is to resolve a health and safety issue. If the reserve is below the 20% level, the LHA can only spend OR funds on health and safety issues. In both cases, the LHA should address the health and safety issue immediately but must retroactively inform DHCD and obtain its approval.

The Plymouth Housing Authority operating reserve at the end of fiscal year 2019 was \$301,499.00, which is 37.5% of the full reserve amount defined above.

Consolidated Budget (400-1) for all state-aided 667 (Elderly), 200 (family), and 705 (scattered site family) developments owned by Plymouth Housing Authority.

Explanation of Budget Accounts

The following explains how each of the line items is to be prepared.

3110: Shelter Rent: The shelter rent projection should be based on the current rent roll plus anticipated changes expected from annual rent re-determinations or as a result of regulatory amendments.

3111: Shelter Rent – Tenants - Fraud/Retroactive: This account should be used for the reporting of total rent receipts from residents due to unreported income. These are often called fraud or retroactive balances. In cases where deficit LHAs discover, pursue cases, and have entered into a written fraud/retroactive re-payment agreement **with a present or former tenant who did not report income**, the LHA will be allowed to retain two-thirds of the funds recovered. One third of the total dollar amount recovered should be included in the LHA's quarterly or year-end Operating Statement as Shelter Rent, account #3111, and two-thirds of this total dollar amount should be included in Other Revenue-Retained, account #3691.

3115: Shelter Rent - Section 8: This account applies only to those developments receiving support through the federal government's Housing and Urban Development (HUD) Section 8 New Construction and/or Substantial Rehab Programs.

3190: Non-Dwelling Rental: This account should be credited with the rents, other than tenants rents reported in line 3110 and 3115, including charges for utilities and equipment, billed to lessees of non-dwelling facilities as well as apartments rented for non-dwelling purposes, such as social service programs.

3400: Administrative Fee- MRVP/AHVP: This account should be credited with Administrative Fees to be received for the MRVP/AHVP Program. The MRVP/AHVP administrative fee is \$40.00 per unit per month, as of July 1, 2019.

3610: Interest on Investments – Unrestricted: This account should be credited with interest earned on unrestricted administrative fund investments.

3611: Interest on Investments – Restricted: This account should be credited with interest earned on restricted administrative fund investments. For example, an LHA may receive a grant whose use is restricted to a specific purpose, and the interest income earned on that grant may also be restricted to the same purpose.

3690: Other Operating Revenues: This account should be credited with income from the operation of the project that cannot be otherwise classified. Income credits to this account include, but are not limited to, penalties for delinquent payments, rental of equipment, charges for use of community space, charges to other projects or programs for the use of central office management and maintenance space, commissions and profits from vending machines, including washing machines, and certain charges to residents for additional services, materials, and/or repairs of damage caused by neglect or abuse in accordance with the Department's regulations on lease provisions..

3691: Other Revenue – Retained: This account should be credited with certain miscellaneous revenue to be retained by the LHA, and which is not used to reduce the amount of operating subsidy the LHA is due. The most common examples for this account is receipts for the rental of roof antennas to cell phone providers and net meter credits earned on electricity bills from Net Meter Power Purchase Agreements (PPA's). Generally, surplus LHAs may retain 100% of these savings and deficit LHAs may retain 25% of the savings, with

the 75% balance used to offset its need for operating subsidy. However, for the period 7/1/16 through 6/30/19, all deficit LHAs may keep 100% of the net meter credit savings.

3692: Other Revenue - Operating Reserves: This account should be credited with funds that LHAs plan to utilize from their operating reserve accounts in excess of the Allowable Non-Utility Expense Level (ANUEL). To be approvable, LHA must maintain the DHCD prescribed operating reserve minimum level after deducting the amount budgeted. The only exception to this is when the expenses are for health and safety issues.

3693: Other Revenue – Net Meter: This account should be normally be credited with 75% of the total net meter credit savings realized by a deficit LHA, while surplus LHAs with net meter credit savings would enter \$0 here. Savings are calculated as the value of the net meter credits appearing on the LHA’s electric bills (or, in some cases, paid in cash to the LHA by their utility company), minus the cost of the payments made to the solar power developer under their Power Purchase Agreement (PPA). Deficit LHAs normally may retain 25% of the savings. That amount should be included as Other Revenue – Retained on line #3691. However, please note that for the period 7/1/16 through 6/30/19 all LHAs may retain 100% of their total net meter credit savings, and should report those savings as Other Revenue – Retained on line #3691

3801: Operating Subsidy – DHCD (400-1): This account represents all state-funded operating subsidy to be received and or to be earned for the fiscal year. At the end of each fiscal year, this account will be adjusted in the operating statement to equal the actual subsidy earned by the LHA.

3802: Operating Subsidy – MRVP/AHVP Landlords:

The credit balance in this account represents the anticipated total receipts from DHCD during the fiscal year for housing assistance payments to landlords. At the end of each fiscal year this account will be adjusted to equal the actual subsidy earned.

3920: Gain/Loss from Sale or Disposition of Property (Capitalized or Non-Capitalized): The debit or credit balance of this account represents the following items: a) Cash proceeds from the sale of property that was either: 1) non-capitalized; or 2) capitalized and has been fully depreciated, and b) Realized gain or loss from the sale or disposition of capitalized property that has not been fully depreciated.

4110: Administrative Salaries: This account should be charged with the gross salaries of LHA personnel engaged in administrative duties and in the supervision, planning, and direction of maintenance activities and operating services during the operations period. It should include the salaries of the executive director, assistant executive director, accountants, accounting clerks, clerks, secretaries, project managers, management aides, purchasing agents, engineers, draftsmen, maintenance superintendents, and all other employees assigned to administrative duties.

4120: Compensated Absences: The debit balance in this account represents the actual cost incurred during the fiscal year for vacation, paid holidays, vested sick leave and earned compensatory time. This account includes both the direct compensated absences cost and associated employer payroll expenses (employment taxes, pension cost, etc.).

4130: Legal Expense: This account should be charged with retainers and fees paid to attorneys for legal services relating to the operation of the projects.

4140: Compensation to Authority Members: A local authority may compensate its members for performance of their duties and such other services as they may render to the authority in connection with its Chapter 200 development(s). Compensation for any other program is not authorized. Because of this, LHAs must base such compensation only on the actual rent receipts for these developments plus a prorated share of other operating receipts of funds on a per unit basis. The precise amount that members may be compensated is defined by statute to a maximum of \$40 per member per day, and \$50 for the chairperson per day. The total of all compensation to all board members is not to exceed two percent (2%) of actual gross income of Chapter 200 developments in any given year, consistent with the approved budget amount. In no case shall the payment of compensation exceed \$12,500 annually for the chairperson, or \$10,000 for any member other than the chairperson. Please note the statute requires the member to perform housing authority business in order to receive compensation.

4150: Travel and Related Expense: Legitimate travel expenses incurred by board members and staff in the discharge of their duties for any **state-aided program** are reimbursable from this account, as consistent with Department policy.

4170: Contractual Accounting Services: Fees for accounting services that are provided routinely and are contracted for on an annual basis. Only accounting services performed on a contractual basis (fee accountant) should be included in this item. Full or part-time LHA accounting staff that provides routine accounting services should be included in Account 4110, Administrative Salaries.

4171: Audit Costs: This account includes the state program's prorated share of audit fees paid to an Independent Public Accountant (IPA). The procurement of an IPA is necessary to satisfy the Federal Government's audit requirements. Costs for these services should be shared with all state and federal programs of LHA. **Audit costs are to be absorbed within the ANUEL.** The new Agreed Upon procedures (AUP) audit costs for state-assisted public housing programs should also be included in this account.

4180: Penalties and Interest: Any expenses incurred from penalties, fees, and interest paid on delinquent accounts shall be included in this line item.

4190: Administrative Other: This account is provided for recording the cost of administrative items for which no specific amount is prescribed in this 4100 group of accounts. It includes, but is not limited to, the cost of such items as: reports and accounting forms; stationery and other office supplies; postage; telephone services; messenger service; rental of office space; advertising for bids; publications; membership dues; collection agency & court costs, training costs; management fees, and fiscal agent fees.

4191: Tenant Organization: LTO Funding by the LHA. Upon request the LHA shall fund all LTOs in a city or town at the annual rate of \$6.00 per state-aided public housing unit occupied or available for occupancy by residents represented by such LTO(s) or an annual total of \$500.00 prorated among all such LTO(s), whichever is more. For more information on the creation and funding of LTOs see 760 CMR 6.09.

Authorities which operate computer learning centers, which are funded by the state consolidated budget or by other sources (which are typically recorded in line #3691 as "Other Revenue Retained", should budget the cost of the centers on this line.

4310: Water: This account should be charged with the cost of water and sewer charges purchased for all purposes.

4320: Electricity: This account should be charged with the total cost of electricity purchased for all purposes. Many LHAs have entered into Net Meter Credit Power Purchase Agreements (PPA's). In these deals, an LHA executes a contract with a solar power developer who constructs and owns an off- site solar electricity-generating site. In exchange for contracting to purchase a percentage of the solar power produced, the LHA receives a credit on its utility electric bill for each KWH purchased or in some cases receives a direct cash payment from their utility company. Please ensure that the amount charged to this account is the total cost of electricity BEFORE any reductions due to the receipt of net meter credits.

4330: Gas: This account should be charged with the cost of gas (natural, artificial, or liquefied) purchased for all purposes.

4340: Fuel: This account should be charged with the cost of coal, fuel oil, steam purchased, and any other fuels (except electricity and gas) used in connection with Local Housing Authority operation of plants for the heating of space or water supplied to tenants as a part of rent.

4360: Energy Conservation: This account is to be charged with costs incurred for energy conservation measures.

4390: Other Utilities: This account should be charged with the cost of utilities which are not provided for in accounts 4310 through 4360.

4391: Solar Operator Costs: Many LHAs have entered into Net Meter Credit Power Purchase Agreements (PPA's). In these deals, an LHA executes a contract with a solar power developer who constructs and owns an off-site solar electricity-generating site. The LHA makes regular (usually monthly) payments to the developer for its contracted share of the solar electricity produced by the site. Those payments should be entered in this account.

4392: Net Meter Utility Credit (Negative Amount): As noted in account #4391 above, many LHAs have executed Net Meter Credit Power Purchase Agreements (PPA's). In exchange for contracting to purchase a percentage of the solar power produced, the LHA receives a credit on its utility electric bill for each KWH purchased from the developer, which reduces the balance on its electric bill, or, in some cases, the credits are paid in cash to the LHA by the utility company. The total gross amount of the net meter credits that appear on the LHA's utility bills should be carried in this account and entered as a negative number. In cases where credits are paid in cash to the Host LHA, the net balance after paying out the amounts due the participating housing authorities, should also be carried in this account and entered as a negative number.

4410: Maintenance Labor: This account should be charged with the gross salaries and wages, or applicable portions thereof, for LHA personnel engaged in the routine maintenance of the project.

4420: Materials & Supplies: This account should be charged with the cost of materials, supplies, and expendable equipment used in connection with the routine maintenance of the project. This includes the operation and maintenance of automotive and other movable equipment, and the cost of materials, supplies, and expendable equipment used in connection with operating services such as janitorial services, elevator services, extermination of rodents and household pests, and rubbish and garbage collection.

4430: Contract Costs: This account should be charged with contract costs (i.e. the cost of services for labor, materials, and supplies furnished by a firm or by persons other than Local Authority employees) incurred in connection with the routine maintenance of the project, including the maintenance of automotive and other movable equipment. This account should also be charged with contract costs incurred in connection with such operating services as janitorial services, fire alarm and elevator service, extermination of rodents and household pests, rubbish and garbage collection, snow removal, landscape services, oil burner maintenance, etc.

4510: Insurance: Includes the total amount of premiums charged all forms of insurance. Fire and extended coverage, crime, and general liability are handled by DHCD on a statewide basis. All other necessary insurance policies include: Workers' Compensation, boiler, vehicle liability and owner, etc.

4520: Payments in Lieu of Taxes:

This account should be charged with all payments in lieu of taxes accruing to a municipality or other local taxing body.

4540: Employee Benefits: This account should be charged with local housing authority contributions to employee benefit plans such as pension, retirement, and health and welfare plans. It should also be charged with administrative expenses paid to the State or other public agencies in connection with a retirement plan, if such payment is required by State Law, and with Trustee's fees paid in connection with a private retirement plan, if such payment is required under the retirement plan contract.

Employee benefits are based upon a given percentage of the total payroll; therefore, the total amount approved in this account will be based on the approved budgeted salaries representing the state's fair share.

4541: Employee Benefits - GASB 45: This line covers "Other Post-Employment Benefits" (OPEB). Of the total benefits offered by employers to attract and retain qualified employees, some benefits, including salaries and active-employee healthcare are taken while the employees are in active service, whereas other benefits, including post-employment healthcare and other OPEB are taken after the employees' services have ended. Nevertheless, both types of benefits constitute compensation for employee services. In accordance with required accounting practices, this amount is not projected in the budget (and is therefore blank) but the estimated future costs of this item is carried in the operating statement.

4542: Pension Expense – GASB 68: The primary objective of GASB 68 Statement is to improve accounting and financial reporting for pension costs. It also improves information provided by state and local governmental employers about financial support for pensions that is provided by other entities. As with account 4541 above, in accordance with required accounting practices, this amount is not projected in the budget (and is therefore blank) but the estimated future costs of this item is carried in the operating statement.

4570: Collection Loss: The balance in this account represents the estimated expense to cover unexpected losses for tenant rents. Note: Do not include losses from fraud/retroactive balances here. Report them in Account 4571 – Collection Loss – Fraud/Retroactive.

4571: Collection Loss – Fraud/Retroactive: The balance in this account represents the estimated expense to cover unexpected losses for tenant rents due to unreported income, i.e. fraud/retroactive balances.

4580: Interest Expense: The debit balance in this account represents the interest expense paid and accrued on loans and notes payable. This debt can be from operating borrowings or capital borrowings.

4590: Other General Expense: This account represents the cost of all items of general expenses for which no specific account is prescribed in the general group of accounts.

4610: Extraordinary Maintenance – Non-Capitalized: This account should be debited with all *costs* (labor, materials and supplies, expendable equipment (such as many tools or routine repair parts), and contract work) of repairs, replacements (but not replacements of non-expendable equipment), and rehabilitation of such a substantial nature that the work is clearly not a part of the routine maintenance and operating program. The items charged to this account should not increase the useful life or value of the asset being repaired. These items are not capitalized and are not added as an increase to fixed assets at the time of completion. Nor are these items depreciated. An example of this would be scheduled repainting of apartments.

4611: Equipment Purchases – Non-Capitalized: This account should be debited with the costs of equipment that does not meet the LHA's criteria for capitalization. Because these items are being expended when paid, they should not be categorized as a fixed asset and therefore will not be depreciated. These items include stoves, refrigerators, small tools, most computers and software, etc.

The budget is a planning tool and as our portfolio ages it is essential that LHAs evaluate their properties annually and plan for extraordinary maintenance. To that end DHCD very strongly recommends that for all 400-1 operating budgets, depending on the age of the portfolio and condition, LHAs spend between \$100 and \$500 a year per unit in Extraordinary Maintenance, Equipment Purchases, Replacement of Equipment, and Betterments & Additions to ensure that the aging public housing stock is preserved.

4715: Housing Assistance Payments: This account should be debited with all housing assistance payments paid to landlords for the MRVP program on a monthly basis.

4801: Depreciation Expense: This account should be debited with annual fixed asset depreciation expenses as determined by the LHA's capitalization policy.

7520: Replacement of Equipment – Capitalized: This account should be debited with the acquisition cost (only the net cash amount) of non-expendable equipment purchased as a replacement of equipment of substantially the same kind. These items, such as vehicles, computers, or furniture, meet the LHA's criteria for capitalization and will also be added to fixed assets and therefore depreciated over the useful life.

7540: Betterments & Additions – Capitalized: This account should be debited with the acquisition cost (only the net cash amount) of non-expendable equipment and major non-routine repairs that are classified as a betterment or addition. These items meet the LHA's criteria for capitalization and will also be added to fixed assets and therefore depreciated over the useful life of the asset. Examples are: major roof replacement, structural repairs such as siding, or major paving work.

In accordance with GAAP accounting, inventory purchases (Replacement of Equipment and Betterments & Additions) are distinguished between capitalized and non-capitalized items. Any inventory or equipment purchase greater than \$5,000 is required by DHCD to be capitalized, inventoried and depreciated. Any inventory or equipment purchase costing \$1,000 to \$4,999 should be inventoried by LHA staff for control

purposes only but is not subject to capitalization or depreciation, it is, however, required to be expensed when the items are paid for. An LHA's inventory listing should include both capitalized and non-capitalized items of \$1,000 and more, as well as all refrigerators and stoves of any value. All items that appear on the inventory listing should be tagged with a unique identification number, and all refrigerators and stoves (regardless of value) should be tagged. LHAs may adopt a capitalization policy that capitalizes inventory purchases at a lesser amount than the \$5,000 requirement (i.e. \$1,000 - \$4,999); however, no capitalization policy can have an amount higher than \$5,000. Any inventory or equipment purchases costing \$0 to \$999 are to be expensed when paid for.

Narrative Responses to the Performance Management Review (PMR) Findings

The Performance Management Review conducted by the Department of Housing and Community Development (DHCD) for the 2019 LHA fiscal year resulted in the following ratings. Criteria which received a 'Corrective Action' rating show both a reason for the rating and a response by the LHA. The reason indicates Plymouth Housing Authority's understanding of why they received the rating, while the responses describe their goals and the means by which they will meet or improve upon the performance-based assessment standards established by DHCD in the PMR. When the PMR rating is 'Operational Guidance', the LHA may have responded, but was not required to.

Due to the COVID-19 emergency, on-site assessments by the Facilities Management Specialists were cancelled for the December fiscal year end housing authorities. Therefore, there are no ratings for the Facility Management categories.

Category: Management

Criterion: Occupancy Rate - the percentage of units that are occupied on monthly report.

Rating:

Criterion: Tenant Accounts Receivable (TAR) - the percentage of uncollected rent and related charges owed by tenants to the local housing authority (LHA), out of the total amount of rent and related costs charged to tenants.

Rating:

Criterion: Certifications and Reporting Submissions - timely submission of statements and certifications

Rating:

Criterion: Completion of mandatory online board member training

Rating:

Category: Financial

Criterion: Adjusted Net Income - a measure of overspending or underspending.

Rating:

Criterion: Current Operating Reserve as a percentage of total maximum reserve level.

Rating:

Category: Capital Planning

Criterion: Capital Improvement Plan (CIP) submitted on time.

Rating:

Criterion: Timely spending of capital funds awarded under the Formula Funding program

Rating:

Category: Facility Management - Health & Safety

Criterion: Health and Safety Violations

DHCD has observed conditions at the LHA's developments and reported the following health and safety violations. The LHA has certified the number of corrected violations in each category.

	Number of violations cited	Number of violations corrected
Maintenance related violations	0	
Tenant related violations	0	

Since not all the violations have been corrected, the LHA has provided the following explanation:

Category: Facility Management - Inspections

Criterion: LHA Conducted 100% of the Unit Inspections.

Rating:

Criterion: Inspection reports noted 100% of the necessary repairs in each unit.

Rating:

Criterion: 100% of inspection-related work orders were generated.

Rating:

Criterion: Work order system identifies, tracks, and can produce reports for inspection work orders.

Rating:

Criterion: Inspection work orders were completed within 30 calendar days from the date of inspection, OR if cannot be completed with 30 calendar days, are added to the Deferred Maintenance Plan or included in the Capital Improvement Plan in the case of qualifying capital repairs (unless health/safety issue).

Rating:

Category: Facility Management - Work Order System

Criterion: Emergency work orders defined per Property Management Guide, identified, tracked, reportable.

Rating:

Criterion: Emergency work orders initiated within 24-48 hours.

Rating:

Criterion: Vacancy work orders identified, tracked and reportable.

Rating:

Criterion: Vacancy work orders were completed within 30 calendar days or if not completed within that timeframe, LHA has a waiver.

Rating:

Criterion: Comprehensive Preventive Maintenance Program exists & preventive work orders identified, tracked, and reportable.

Rating:

Criterion: Routine work orders should be identified, tracked, reportable and completed regularly.

Rating:

Criterion: Requested work orders identified, tracked and reportable.

Rating:

Criterion: Requested work orders were completed in 14 calendar days from the date of tenant request or if not completed within that timeframe (and not a health or safety issue), the task was added and completed in a timely manner as a part of the Deferred Maintenance Plan and/or CIP.

Rating:

Category: Facility Management - Emergency Response System:

Criterion: Housing authorities has 24 Hour Emergency Response System, Distributed Emergency Definition to Residents, Staff, and Answering Service (if applicable).

Rating:

Explanation of PMR Criteria Ratings

CRITERION	DESCRIPTION
Management	
Occupancy Rate	<p>The rating is calculated using the following formula: (Total Number of Occupied units on Monthly Report divided by (Total Number of Units Minus Units that Received a Waiver Minus Number of Units Vacant less than 30 days on Monthly Report)</p> <ul style="list-style-type: none"> • “No Findings” : Occupancy Rate is at or above 98% • Operational Guidance: Occupancy rate is at 95% up to 97.9% • Corrective Action: Adjusted occupancy rate is less than 95%
Tenant Accounts Receivable (TAR)	<p>This criterion calculates the percentage of uncollected rent and related charges owed by starting with the amount reported by the LHA, as uncollected balances for the TAR (Account 1122 from the Balance Sheet) minus Normal Repayment Agreements* divided by Shelter (Tenant) Rent (account 3110 from the Operating Statement)</p> <ul style="list-style-type: none"> • “No Findings” : At or below 2% • “Operational Guidance” : More than 2% , but less than 5% • “Corrective Action” : 5% or more
Certifications and Reporting Submissions	<p>Housing authorities are required to submit 4 quarterly vacancy certifications by end of the month following quarter end; 4 quarterly operating statements and 4 Tenant Accounts Receivable (TAR) reports within 60 days of quarter end.</p> <ul style="list-style-type: none"> • “No Findings” : At least 11 of the required 12 reports were submitted and at least 9 were submitted on time. • “Operational Guidance” : Less than 11 of the required 12 reports were submitted and/or less than 9 were submitted on time.
Board Member Training	<p>Percentage of board members that have completed the mandatory online board member training.</p> <ul style="list-style-type: none"> • “No Findings” : 80% or more completed training • “Operational Guidance” : 60-79.9% completed training • “Corrective Action” : <60 % completed training

CRITERION	DESCRIPTION
Financial	
Adjusted Net Income	<p>The Adjusted Net Income criterion calculation starts with an LHA's Net Income and subtracts Depreciation, GASB 45 (Retirement Costs), GASB 68 (Retirement Costs), Extraordinary Maintenance (maintenance expense outside of routine/ordinary expenses), and Equipment Purchases – Non Capitalized. This Adjusted Net Income amount is then divided by the Total Expenses of the LHA. If this Adjusted Net Income amount is positive, it means underspending and if it is negative it means overspending.</p> <p>Underspending Rating:</p> <ul style="list-style-type: none"> • “No Findings” : 0 to 9.9% • “Operational Guidance”: 10 to 14.9% • “Corrective Action”: 15% or higher <p>Overspending Rating:</p> <ul style="list-style-type: none"> • “No Findings” : 0 to -4.9% • “Operational Guidance”: -5% to -9.9% • “Corrective Action”: -10% or below
Operating Reserves	<p>Current Operating Reserve as a percentage of total maximum reserve level. Appropriate reserve level is buffer against any unforeseen events or expenditures.</p> <ul style="list-style-type: none"> • “No Findings” :35%+ of maximum operating reserve • “Operational Guidance”: 20% to 34.9% of maximum operating reserve • “Corrective Action”: <20% of maximum operating reserve
Capital Planning	
Capital Improvement Plan (CIP) Submitted	<p>Housing authorities are required to submit a five-year capital plan every year.</p> <ul style="list-style-type: none"> • “No Findings” =Submitted on time and no modifications required or modifications made within 45 days. • “Operational Guidance” =Up to 45 days late and no modifications required or modifications made within 45 days. • “Corrective Action” =More than 45 days late or modifications required and not completed within 45 days.
Capital Spending	<p>Under the Formula Funding Program (FF), authorities receive undesignated funds to spend on projects in their Capital Improvement Plan. They are rated on the percentage of available funds they have spent over a three-year period</p> <ul style="list-style-type: none"> • “No Findings” = at least 80% • “Operational Guidance” = At least 50% • “Corrective Action” = Less than 50%

CRITERION	DESCRIPTION
Health & Safety	
Health & safety violations	DHCD has observed conditions at the LHA's developments and reported health and safety violations. The LHA has certified the number of corrected violations in each category.
Facility Management - Inspections	
Unit Inspections Conducted	<p>Housing authorities are required to conduct inspections of all their occupied units at least once a year</p> <ul style="list-style-type: none"> • "No Findings": 100 % of sampled units had inspections conducted once during the year • "Corrective Action": Fewer than 100% of sample units were inspected during the year
Inspections Report	<p>Housing authorities are required to note all of the deficiencies found during inspections</p> <ul style="list-style-type: none"> • "No Findings": 100 % of deficiencies are noted on inspection report • "Corrective Action": Fewer than 100% of deficiencies are noted in inspection report
Inspection Work Order	<p>Housing authorities are required to generate work orders for all deficiencies noted during inspections</p> <ul style="list-style-type: none"> • "No Findings": 100 % of deficiencies noted on inspection reports generated work orders • "Corrective Action": Fewer than 100% of deficiencies noted on inspection reports generated work orders
Work Order System	<p>Work order system identifies, tracks, and can produce reports for inspection work orders.</p> <ul style="list-style-type: none"> • "No Findings": Inspection work orders are identified, tracked, and reportable • "Operational Guidance": Inspection work orders are not identified, and/or tracked, and/or reportable
Inspections Work Orders Completed	<p>Inspection work orders were completed within 30 calendar days from the date of inspection, OR if cannot be completed within 30 calendar days, are added to the Deferred Maintenance Plan or included in the Capital Improvement Plan in the case of qualifying capital repairs (unless health/safety issue).</p> <ul style="list-style-type: none"> • "No Findings": Sampled inspection work orders were completed within 30 days of inspection date or added to deferred maintenance plan and/or CIP • "Operational Guidance": Sampled inspection work orders were completed within 31 to 45 calendar days of inspection date and not added to deferred maintenance plan or CIP • "Corrective Action": Sampled inspection work orders were completed in over 45 calendar days of inspection date

CRITERION	DESCRIPTION
Facility Management – Work Order System	
Emergency Work Orders Properly Defined	<p>Emergency work orders should be defined per <u>Property Management Guide</u>, identified, tracked, reportable.</p> <ul style="list-style-type: none"> • “No Findings”: Emergency work orders defined per <u>Property Management Guide</u>, identified, tracked, reportable • “Operational Guidance”: Emergency work orders are not defined per <u>Property Management Guide</u>, and/or identified, and/or tracked, and/or reportable
Emergency Work Orders Initiation	<p>Emergency work orders should be initiated within 24 to 48 hours.</p> <ul style="list-style-type: none"> • “No Findings”: Emergency work orders initiated within 24-48 hours • “Corrective Action”: Emergency work orders not initiated within 24-48 hours
Vacancy Work Orders	<p>Vacancy work orders should be identified, tracked and reportable.</p> <ul style="list-style-type: none"> • “No Findings”: Vacancy work orders identified, tracked AND reportable • “Corrective Action”: Vacancy work orders are not identified, and/or tracked, and/or reportable
Vacancy Work Orders Completed	<p>Vacancy work orders should be completed within 30 calendar days or if not completed within that timeframe, LHA has a waiver.</p> <ul style="list-style-type: none"> • “No Findings”: Vacancy work orders are completed within 30 calendar days or if not completed within timeframe, LHA has a waiver • “Operational Guidance”: Vacancy work orders completed within 31-60 calendar days • “Corrective Action”: Vacancy work orders completed 61+ calendar days
Preventive Maintenance Program	<p>Housing authorities are required to maintain a comprehensive preventive maintenance program in which preventive work orders are identified, tracked, and reportable.</p> <ul style="list-style-type: none"> • “No Findings”: A comprehensive preventive maintenance program exists and work orders are identified, tracked and reportable • “Corrective Action”: A comprehensive preventive maintenance program does not exist OR work orders are not identified and/or tracked and/or reportable
Routine Work Orders	<p>Routine work orders should be identified, tracked, reportable and completed regularly.</p> <ul style="list-style-type: none"> • “No Findings”: Routine work orders identified, tracked, reportable and completed regularly • “Operational Guidance”: Routine work orders are not identified, and/or tracked and/or reportable, and/or completed regularly

CRITERION	DESCRIPTION
Requested Work Orders	<p>Requested work orders should be identified, tracked and reportable.</p> <ul style="list-style-type: none"> • “No Findings”: Requested work orders identified, tracked, reportable and completed regularly • “Operational Guidance”: Requested work orders are not identified and/or tracked and/or reportable, and or completed regularly
Requested Work Orders Completion	<p>Requested work orders should be completed in 14 calendar days from the date of tenant request or if not completed within that timeframe (and not a health or safety issue), the task should be added and completed in a timely manner as a part of the Deferred Maintenance Plan and/or CIP.</p> <ul style="list-style-type: none"> • “No Findings”: Requested work orders are completed within 14 calendar days of tenant request OR added to deferred maintenance plan and/or CIP • “Operational Guidance”: Requested work orders are completed within 15-30 calendar days from the date of tenant request • “Corrective Action”: Requested work orders are completed in over 30 calendar days from the date of tenant request OR not completed
Emergency Response System	<p>Housing authorities should have a 24 Hour Emergency Response System and distribute Emergency Definition to Residents, Staff, and Answering Service (if applicable).</p> <ul style="list-style-type: none"> • “No Findings”: A 24-hour system for responding to emergencies exists AND definitions of emergencies have been distributed to staff, residents and answering service, if applicable • “Operational Guidance”: System exists, but no definition has been distributed • “Corrective Action”: Neither a system nor distributed definitions exist

Policies

The following policies are currently in force at the Plymouth Housing Authority:

Policy	Last Ratified by Board Vote	Notes
*Rent Collection Policy	11/08/2004	
*Personnel Policy	05/13/1991	
*Capitalization Policy	11/08/2004	
*Procurement Policy	11/14/2016	
*Grievance Policy	02/09/2004	
Smoking Policy	10/15/2018	
Affirmative Action Policy	10/24/2000	
Sexual Harassment Policy	01/13/1997	
Travel Policy	04/08/2013	
Investment Policy	11/14/2016	
Records Conservation and Disposal Policy	06/26/2013	
Pet Policy	02/01/2010	
Emergency Response Plan	08/01/1997	

* Starred policies are required by DHCD. Policies without a "Latest Revision" date are not yet in force.

The list of policies has been provided by the LHA and has not been verified by DHCD.

Waivers

AP-2021-Plymouth Housing Authorit-00128 has no current waivers from the regulations of the Department of Housing and Community Development (DHCD).

Attachments

The following items have been uploaded as attachments to this Annual Plan.

Due to the COVID-19 emergency, on-site Performance Management Review (PMR) assessments by the Facilities Management Specialists were cancelled for the December fiscal year end housing authorities. Therefore, the Facility Management categories have been omitted from the PMR document.

- No Public Comment
- Cover sheet for tenant satisfaction surveys
- Tenant Satisfaction Survey - 667only
- Tenant Satisfaction Survey - 200-705only
- Performance Management Review.

PLYMOUTH HOUSING AUTHORITY

130 COURT STREET, PLYMOUTH, MASSACHUSETTS 02360

Public Hearing September 14, 2020

The public hearing was held during a regular board meeting on Monday September 14, 2020. The regular meeting was adjourned at 10 a.m. and public hearing was called to order forthwith. There were no attendees for comment.

Resident Surveys – Background:

Since 2016 DHCD has been working with the Center for Survey Research at the University of Massachusetts Boston to survey residents in the state public housing units it oversees. The surveys are confidential, mailed directly to the residents and returned to the Center by mail (or, starting in 2019, completed on-line). In Round One of the surveys, conducted over the period 2016-2018, residents of elderly/disabled developments (also known as c. 667 developments) and family units (also known as c. 705 and c. 200 developments) were surveyed in four groups as described below. (Note: there are many more c. 667 units, so they were broken down into three groups).

ROUND ONE SURVEYS

Spring 2016: (c. 200 and c. 705)

Fall 2016: (667 - Group 1)

Fall 2017: (667 - Group 2)

Fall 2018: (667 - Group 3)

By the end of 2018, all residents were surveyed in Round One with one exception: in the case of the twelve housing authorities with **more than** 225 c. 200 family units, a randomly selected group of 225 c. 200 residents were surveyed. This group was determined to be large enough to generate statistically useful results.

Round Two of the surveys began in 2019. The current plan is to complete all Round Two surveys in four groups as follows:

ROUND TWO SURVEYS

Fall 2019 (667 - Group 1) - COMPLETED

Fall 2020 (200s and 705s)

Fall 2021 (667 - Group 2)

Fall 2022 (667 - Group 3)

Please Note:

1. If there were at least twenty responses from residents of BOTH an authority's c.667 units AND from their c.200/705 units, then there is a separate report for each program.
2. If there were fewer than twenty responses in EITHER program, but at least twenty responses combined, then the elderly and family results were combined into a single report.
3. To protect resident confidentiality, survey results are generally reported ONLY for authorities that had at least twenty total resident responses from their combined c.667/200/705 residents. Therefore, a few smaller authorities that didn't have twenty responses do not have a published survey report.
4. Because the 2019-2022 surveys ask some different questions than the 2016-2018 survey, the results can't be combined (i.e., 2019 c.667 results can't be combined with 2016 c.200/705 results, as described in #2 above).
5. Responses from family residents in c.200 and c.705 housing are always combined together.

PLYMOUTH HOUSING AUTHORITY

Chapter 667 Housing Summary Fall 2016

The Center for Survey Research at the University of Massachusetts Boston sent surveys to 9624 housing units (Chapter 667) in Massachusetts in the fall of 2016. 5511 residents responded.

Surveys were sent to **188** housing units (Chapter 667) in the **Plymouth Housing Authority**. **127** surveys were completed.

This report provides some information about how the residents from the **Plymouth Housing Authority** who answered the survey responded. It compares answers to those from the entire state and to those from medium LHAs in Massachusetts. These medium LHAs in Massachusetts include: Andover, Attleboro, Belmont, Beverly, Billerica, Canton, Greenfield, Ipswich, Melrose, Methuen, Milford, Norwood, Plymouth, and Stoneham.

Communication

Residents in Ch. 667 housing were asked about how they interacted with the Plymouth Housing Authority in the last 12 months. The table below shows what percentage of residents said they did each of the following:

	Plymouth Housing Authority	Medium LHAs in MA*	Entire State
Contacted management about a problem or concern.....	83%	78%	76%
Felt they were usually or always treated with courtesy and respect when they contacted management.....	87%	89%	88%
Saw the Capital Improvement Plan.....	47%	29%	31%
Saw the Operating Budget.....	22%	17%	17%
Knew the Executive Director held a meeting with residents...	57%	52%	53%

* Medium LHAs in Massachusetts include: Andover, Attleboro, Belmont, Beverly, Billerica, Canton, Greenfield, Ipswich, Melrose, Methuen, Milford, Norwood, Plymouth, and Stoneham.

Services and Programs

57% of the Plymouth Housing Authority residents in Ch. 667 who responded to the survey said they would be interested in services and programs. Here are the services and programs residents said they would be most interested in participating in:

	Plymouth Housing Authority	Medium LHAs in MA	Entire State
Job training programs.....	5%	6%	6%
Money management programs (<i>budgeting, taxes, income building</i>).....	9%	9%	9%
Children’s programs (<i>tutoring, childcare, afterschool programs</i>).....	1%	2%	2%
Health and Medical Services (<i>visiting nurse, meal programs</i>).....	38%	35%	35%
Adult Education (<i>GED, ESL, educational counseling</i>)	10%	13%	11%

Maintenance and Repair

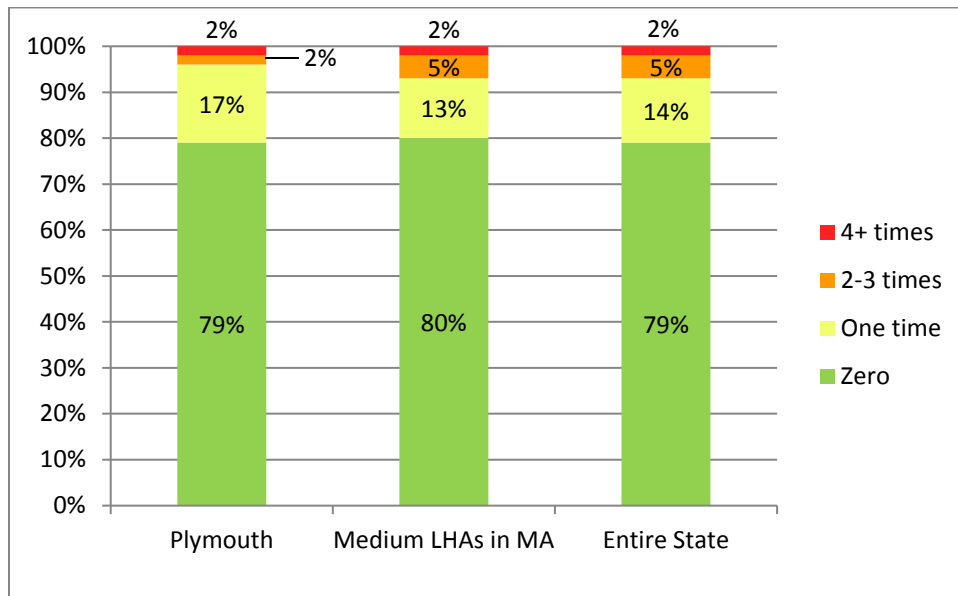

- **Who had problems?** One-fifth of respondents had a problem with their heating and one-third had a plumbing problem in the last 12 months.

	Plymouth Housing Authority	Medium LHAs in MA	Entire State
Had a heating problem.....	20%	19%	20%
Had a problem with water or plumbing.....	33%	47%	48%

- **Heating Problems**

How many times did residents have heating problems?

The charts below shows how many times respondents had heat problems in the last 12 months. The green part of the bars shows what percentage of residents did not have the problem at all. The yellow shows who had the problem one time. The orange shows those who had the problem 2-3 times. And the red shows those who had the problem 4 or more times in the last 12 months.

How long did it take to fix the heating problems? For those respondents who had problems, we asked how long it usually took for the problems to be fixed – less than 24 hours, 24 - 48 hours, more than 48 hours, or never fixed.

Plymouth Housing Authority

- Water or Plumbing Problems**

How many times did residents have problems with their water or plumbing?

The charts below shows how many times respondents had water or plumbing problems in the last 12 months. The green part of the bars shows what percentage of residents did not have the problem at all. The yellow shows who had the problem one time. The orange shows those who had the problem 2-3 times. And the red shows those who had the problem 4 or more times in the last 12 months.

How long did it take to fix the water or plumbing problems? For those respondents who had problems, we asked how long it usually took for the problems to be fixed – less than 24 hours, 24 - 48 hours, more than 48 hours, or never fixed.

Plymouth Housing Authority

Medium LHAs in MA

Entire State

- What other problems did respondents have?** Respondents were asked how often they had problems with: building maintenance (*such as clean halls and stairways and having lights and elevators that work*), outdoor space maintenance (*such as litter removal and clear walk ways*), illegal activity in the development, and strangers hanging around who should not be there. The chart below shows what percentage of respondents said that they “always” or “sometimes” had this problem in the last 12 months.

Respondents who “always” or “sometimes” had problems with...

Safety

Respondents were asked how safe they felt in their building and going outside alone. The chart below shows what percentage of people said they felt “very safe” or “mostly” safe.

Respondents who felt “very safe” or “mostly safe”

PLYMOUTH HOUSING AUTHORITY

Chapter 200 & Chapter 705 Housing Summary Spring 2016

The Center for Survey Research at the University of Massachusetts Boston sent surveys to 9772 housing units (Chapters 200 and 705) in Massachusetts in the spring of 2016. 3240 residents responded.

Surveys were sent to **43** housing units (Chapters 200 and 705) in the **Plymouth Housing Authority**. **24** surveys were completed.

This report provides some information about how the residents from the **Plymouth Housing Authority** who answered the survey responded. It compares answers to those from the entire state and to those from all medium LHAs in Southeastern Massachusetts. Medium LHAs in Southeastern Massachusetts include: Attleboro, Barnstable, Fairhaven, Fall River, Franklin, Franklin Regional County HA, North Attleborough, and Plymouth.

Communication

Residents in Ch. 200 and Ch. 705 housing were asked about how they interacted with the Plymouth Housing Authority in the last 12 months. The table below shows what percentage of residents said they did each of the following:

	Plymouth Housing Authority	All Medium LHAs in the Southeast*	Entire State
Contacted management about a problem or concern.....	92%	88%	87%
Felt they were usually or always treated with courtesy and respect when they contacted management.....	82%	78%	76%
Saw the Capital Improvement Plan.....	0%	14%	18%
Saw the Operating Budget.....	4%	9%	12%
Knew the Executive Director held a meeting with residents..	9%	20%	21%

* Medium LHAs in Southeastern Massachusetts include: Attleboro, Barnstable, Fairhaven, Fall River, Franklin, Franklin Regional County HA, North Attleborough, and Plymouth.

Services and Programs

67% of the Plymouth Housing Authority residents in Ch. 200 and Ch. 705 who responded to the survey said they would be interested in services and programs. Here are the services and programs residents said they would be most interested in participating in:

	Plymouth Housing Authority	All Medium LHAs in the Southeast	Entire State
Job training programs.....	46%	28%	31%
Money management programs (budgeting, taxes, income building).....	37%	23%	29%

Occupancy

Rating All: No Findings
Rating 667: No Findings
Rating 200: No Findings
Rating 705: No Findings

- Enter vacancies into system at least monthly and ensure that there are no duplicates. Reach out to HMS if accidental duplicates occur.
- Use online vacancy system, see user guide if need help. All vacancies must be reported; and quarterly certifications must be completed certifying all data is in system. Request waivers when applicable.
- Follow tenant selection best practices to improve vacancy turnover (pulling lists in CHAMP as soon as vacancy occurs and previewing list to prescreen in advance of vacancies as needed).
- Include unit turnovers in capital improvement plan.
- Engage in a management agreement or contract with private firms to help with heavy unit turnover.
- Review turnovers with staff weekly or biweekly to monitor status of vacant units.
- Develop plan for updating units with long term occupancy to limit turn over time at vacancy; family units may need consistent attentions o when lease up, condition is not affecting vacancy turnover time.
- Ensure that yearly inspection findings are addressed and address tenant damage/lease violations.
- Other:**

Tenant Accounts Receivable (TAR)

Rating All: No Findings
Rating 667: No Findings
Rating 200: No Findings
Rating 705: No Findings

- Create or update rent collection policy and procedures and submit to DHCD for review, with supporting Board vote.
- Adhere to your rent collection policy and lease, i.e. sending notices, reminder letters, 14 day notice to quit, 30 day notice etc. Send notices to tenants early and frequently.
- Increase ways to accept rent payment, i.e. check scanners, lock boxes, electronic debit, autopay, etc.
- Report to credit bureau when resident has vacated unit with past due rent balance.
- Consider using small claims court (<https://www.mass.gov/info-details/massachusetts-law-about-small-claims>)
- Create written repayment agreements, either in house or court ordered, and ensure they are adhered to.
- Evaluate vacated balances to better understand what is collectible and what is unlikely to be collected. Don't allow tenant balances to build-up before doing lease enforcement. Review aged receivables report regularly.
- Set reasonable thresholds for commencing legal action.
- Ensure proper documentation of past due balances and collection efforts with tenants.
- Other:**

Certifications and Reporting Submissions

Rating: No Findings

- Submit all four quarterly vacancy certifications by the end of the month following the quarter end.
- Submit all four quarters of Tenants Accounts Receivables (TAR) application within 60 days of quarter end.
- Submit all four quarterly operating statements within 60 days of the quarter end.
- Schedule board meetings well in advance. Consider scheduling a backup date to ensure you are able to have your board vote/approval in time to meet reporting deadlines.
- Set a recurring appointment in your email calendar for help remembering reporting dates and deadlines.
- Other:**

Adjusted Net Income/Revenue

Rating: No Findings

Revenue:

- Update and adhere to rent collection policy
- Update marketing plan
- Update internal policies related to vacant unit turnover
- Review rent roll to identify outstanding rents and/or patterns of rent delinquency.
- Review operating statements to identify trends in revenue collection such as LHA-wide or development-centered rent issues.
- Follow tenant selection best practices to improve vacancy turnover (pulling lists in CHAMP as soon as vacancy occurs and previewing list to prescreen in advance of vacancies as needed)
- Set up repayment agreements with tenants as soon as tenant becomes in arrears; do not let large balances accrue.
- Make it easier for tenants to pay rent. For example, consider online payments, lockboxes for night time drop-off or extended office hours
- Review budget reports with both fee accountant/financial staff and your board to stay on top of revenue trends.
- Ensure rent determinations are completed regularly and are in adherence with DHCD policy

Note: This PMR was conducted remotely in response to the State of Emergency declared on March 10, 2020. See PHN 2020-19.

Expense:

Salaries

- Monitor expenses throughout the year; over or underspending in certain budget lines, can be fixed by reducing or increasing other lines to ensure you stay within your ANUEL.
- Consider a reorganization of staff time/roles and improve processes.
- Hire temporary workers or offer overtime to current employees to pick up the workload of staff out on leave.
- Ensure your budget is in compliance with state and federal requirements regarding allocations.

Legal

- Review and if needed revise tenant selection process, rent collection process and notice to quit process to reduce evictions/legal costs.
- Start tracking or better estimate eviction costs based on historical averages throughout the year. If legal costs for evictions are running higher than expected, reduce other budget lines to ensure you stay within your ANUEL.
- If you qualify, use DHCD's regional attorney program.

Utilities

- Use online resources such as WegoWise, MassEnergyInsight or software provided by your utility company to track and monitor utility usage. Review the usage monthly to look for unusual expenditures.
- Weatherize units to improve insulation. Reach out to maintenance director or DHCD staff for more information.
- Request a referral from your HMS to DHCD's sustainability coordinator if you are interested in saving money through the installation of low-flow toilets, showerheads, LED lights or other cost-savings, energy-efficient measures. DHCD frequently has incentive programs that pay for the procurement and installation of energy and water saving appliances and tools at your LHA.
- Ensure that you have an air conditioner policy that precludes a/c being in windows out of season/enforce policy if already in place.

Maintenance

- Develop or update your preventive maintenance, deferred maintenance and routine maintenance plans and review monthly with maintenance staff.
- Develop or update your procurement and purchasing policies and review with staff.
- Develop a system to schedule and track preventive maintenance, reach out to your facilities management specialist for assistance.
- If contractor costs are high, see if your current maintenance team can complete the work or if it is possible to contract with a tradesman.
- Consider bulk purchasing for supplies and shop around for the best deals.
- Consider investing (through purchase or maintenance) in equipment that may reduce hours spent on maintenance (such as a snow blower to reduce time shoveling).

Other:

-

Operating Reserve

Rating: No Findings

- Please refer to PHN 2018-04 and current budget guidelines for information on operating reserve
- An LHA may spend down to 35% of maximum reserve level without consulting DHCD, but the LHA must budget these expenses in the correct line items of their annual operating budget. If the expense occurred after DHCD approval of the annual operating budget, the LHA should submit a budget revision with these expenditures.
- Any expenditures from the operating reserve that will result in a projected operating reserve of less than 35% of maximum reserve level, requires *prior written approval* from DHCD, *unless the expenses are to resolve health and safety issues*.
- Each LHA must maintain a projected operating reserve of 20% of maximum reserve level, which *remains the minimum operating reserve level for all LHAs*.
- Other:**

Board Member Training

Rating: Operational Guidance

- Ensure you update the board attendance application with the most recent board members, and their term dates.
- Ensure each board member has a unique email for the board member training.
- Provide computer guidance as needed to help board members complete the training.
- Other: The ED will have the conversation and give assistance to board members to complete the training.**
