### Annual Plan 2024 Overview and Certification

# Brockton Housing Authority Annual Plan for Fiscal Year 2024 For State-Aided Public Housing

The Annual Plan is a document compiled by housing authority staff in advance of each new fiscal year. The plan serves as both a tool for the Local Housing Authority (LHA) to reflect upon the prior fiscal year, and as an opportunity to develop a clear and transparent plan that builds on successes, identifies needs, and corrects any issues that have arisen in prior years. Additionally, the Annual Plan is an important tool for tenants, who may use the document to better understand the operations and needs of their housing authority, advocate for changes to policies and procedures, access data about the housing authority, and participate in their housing authority's governance.

In addition to the physical document, the Annual Plan is also a process of public engagement. Throughout the Annual Plan process, the LHA executive director or their designee will be expected to review the Plan with any Local Tenant Organizations (LTO's) and Resident Advisory Board (RAB) before the LHA presents the plan to the LHA Board of Commissioners; make a draft available for review to all residents and the general public; post on the website and make a copy available to each LTO at least 30 business days before the public hearing; hold a hearing on the document; and collect, integrate, and report back on substantive comments. Additionally, the Board will read, offer recommendations, and approve the Annual Plan in advance of its submission to DHCD.

The law that mandates the Annual Plan is An Act Relative to Local Housing Authorities, Massachusetts General Laws, Chapter 121B Section 28A. The regulation that expands upon Section 28A is 760 CMR 4.16. The regulations that address Local Tenant Organization (LTO) and resident participation in the Annual Plan are 760 CMR 6.09 (3)(h) and 760 CMR 6.09(4)(a)(4).

The Brockton Housing Authority's Annual Plan for their 2024 fiscal year includes the following components:

- 1. Overview and Certification
- 2. Capital Improvement Plan (CIP)
- 3. Maintenance and Repair Plan
- 4. Operating Budget
- 5. Narrative responses to Performance Management Review (PMR) findings
- 6. Policies
- 7. Waivers
- 8. Glossary
- 9. Other Elements
  - a. Brockton RAB Letter
  - b. Public Comments and LHA Responses
  - c. Board Vote Abstract Special Meeting
  - d. Cover sheet for tenant satisfaction surveys
  - e. Tenant Satisfaction Survey 667 Program

### Annual Plan 2024 Overview and Certification

#### **State-Aided Public Housing Developments**

The following table identifies the state-aided public housing units with developments of more than 8 units listed separately. Units in developments of 8 or fewer units are aggregated as noted. Units that the LHA provides to assist clients of the Department of Mental Health (DMH), the Department of Developmental Services (DDS), or other agencies are also aggregated separately.

| Dev No | Туре    | Development Name                      | Num<br>Bldgs | Year<br>Built | Dwelling<br>Units |
|--------|---------|---------------------------------------|--------------|---------------|-------------------|
| 667-04 | Elderly | CROSBY GARDENS 667-04                 | 1            | 1982          | 74                |
| 705-2A | Family  | GOLDEN CIRCLE 705-2A                  | 8            | 1956          | 19                |
| 667-02 | Elderly | KENNEDY DRIVE 667-02                  | 17           | 1962          | 120               |
| 667-1A | Elderly | RAINBOW TERRACE 667-1A                | 10           | 1957          | 64                |
| 705-01 | Family  | WALNUT-CROWELL 705-01                 | 9            | 1982          | 18                |
| 200-02 | Family  | WASHBURN HEIGHTS 200-02               | 11           | 1951          | 50                |
|        | Elderly | Elderly units in smaller developments | 1            |               | 6                 |
|        | Other   | Special Occupancy units               | 2            |               | 18                |
| Total  |         |                                       | 59           |               | 369               |

#### Massachusetts Rental Voucher Program (MRVP)

The Massachusetts Rental Voucher Program (MRVP) is a state-funded program that provides rental subsidies to low-income families and individuals. In most cases, a "mobile" voucher is issued to the household, which is valid for any market-rate housing unit that meets the standards of the state sanitary code and program rent limitations. In some cases, vouchers are "project-based" into a specific housing development; such vouchers remain at the development if the tenant decides to move out.

Brockton Housing Authority manages 294 MRVP vouchers.

#### Federally Assisted Developments

Brockton Housing Authority also manages Federally-assisted public housing developments and/or federal rental subsidy vouchers serving 3818 households.

| H.  | Board votes to approve the AP. (For Boston Housing Authority, the Administrator approves and submits the AP.)                          | 09/27/2023 |  |  |  |

### Annual Plan 2024 Overview and Certification

#### Certification

CERTIFICATION OF LHA USER AUTHORIZATION FOR DHCD CAPITAL SOFTWARE AND HOUSING APPLICATIONS

I, Thomas Thibeault, Executive Director of the Brockton Housing Authority, certify on behalf of the Housing Authority that I have conducted an annual review of all Brockton Housing Authority users of DHCD Capital Software applications and Housing Applications and that all current LHA users are authorized to use the systems and have the appropriate level of user access based on their job responsibility. I approve all system access and access levels for all Brockton Housing Authority users.

This certification applies to the following applications:

- Capital Planning System (CPS)
- Consolidated Information Management System (CIMS)
- Cap Hub
- DHCD Housing Management Systems

#### CERTIFICATION FOR SUBMISSION OF THE ANNUAL PLAN

I, Thomas Thibeault, Executive Director of the Brockton Housing Authority, certify on behalf of the Housing Authority that: a) the above actions all took place on the dates listed above; b) all facts and information contained in this Annual Plan are true, correct and complete to the best of my knowledge and belief and c) that the Annual Plan was prepared in accordance with and meets the requirements of the regulations at 760 CMR 4.16 and 6.09.

The Board and Executive Director further certify that LHA operations and all LHA Board-adopted policies are in accordance with M.G.L. c. 121B and all Massachusetts state-aided public housing regulations, including, but not limited to 760 CMR 4.00; 5.00; 6.00; 8.00; and 11:00, as well as adhere to Department-promulgated guidance.

Date of certification: 10/04/2023

This Annual Plan (AP) will be reviewed by the Department of Housing and Community Development (DHCD) following the public comment period, the public hearing, and LHA approval.

### Annual Plan Capital Improvement Plan (CIP)

#### **Capital Improvement Plan**

#### **DHCD Description of CIPs:**

The Capital Improvement Plan (CIP) is a five year plan which identifies capital projects, provides a planning scope, schedule and budget for each capital project and identifies options for financing and implementing the plan. The CIP identifies anticipated spending for each Department of Housing and Community Development (DHCD) fiscal year (July 1 to June 30) based on the project schedules.

Local Housing Authorities (LHAs) receive yearly awards from DHCD (Formula Funding Awards) which they target to their most urgent capital needs in their CIP. They may also receive special awards from DHCD for specific projects which meet specific criteria. Special awards may be given for certain emergency, regulation compliance, energy and water conservation, and other projects. The first three years of the CIP are based on actual awards made to the LHA, while years four and five are based on estimated planning amounts, not actual awards.

LHAs may sometimes secure other sources of funding and assistance that you will note in their CIP, such as: Community Preservation Act (CPA) funding, Community Development Block Grant (CDBG) funding, Local Affordable Housing Trust Funds (AHTF), HOME grants, income from leasing a cell tower on their property, savings from net meter credit contracts with solar developers, utility rebates and contracted work from utility providers, and Sheriff's Department work crews. However, not all of these funding sources are available every year, or in all communities.

The CIP includes the following parts:

- A table of available funding sources and amounts
- A list of planned capital projects showing spending per fiscal year
- A table showing special awards and other funding for targeted projects, if any, which supplements Formula Funding awarded to the LHA
- A 'narrative' with a variety of additional information.

#### **Capital Improvement Plan (CIP)**

#### Aggregate Funding Available for Projects in the First Three Years of the CIP:

| Category of Funds           | Allocation                              | Planned                                       | Description                                |
|-----------------------------|---|---|--|
|                             |   | Spending                                      |  |
| Balance of Formula          | \$3,132,597.04                          |   | Total of all FF awards minus prior FF      |
| Funding (FF)                |   |   | spending                                   |
| LHA Emergency Reserve       | \$469,889.56                            |   | Amount to reserve for emergencies          |
| Net FF Funds (First 3       | \$2,662,707.48                          | \$3,097,373.19                                | Funds to plan & amount actually planned    |
| Years of the CIP)           |   |   | in the first 3 years of the CIP            |
| ADA Set-aside               | \$8,536.78                              | \$8,800.00                                    | Accessibility projects                     |
| DMH Set-aside               | \$7,485.12                              | \$7,500.00                                    | Dept. of Mental Health facility            |
| DDS Set-aside               | \$0.00                                  | \$0.00  | Dept. of Developmental Services facility   |
| Unrestricted Formula        | \$2,646,685.58                          | \$3,081,073.19                                | Funds awarded by DHCD to be used on        |
| Funding (FF)                | <i>+=,</i> 0 .0,000.00                  | <b>40,00</b> =,000                            | projects selected by the LHA and           |
|                             |   |   | approved by DHCD.                          |
| Special DHCD Funding        | \$1,174,035.68                          | \$1,174,035.68                                | Targeted awards from DHCD                  |
| Community Development       | \$99,925.69                             | \$99,925.69                                   | Federal funds awarded by a city            |
| Block Grant (CDBG) Funds    | ·                                       | . ,   | or town for specific projects.             |
| Community Preservation      | \$0.00                                  | \$0.00  | Community Preservation Act funds awarded   |
| Act (CPA) Funds             | ·                                       |   | by a city of town for specific projects.   |
| Operating Reserve(OR) Funds | \$0.00                                  | \$0.00  | Funds from the LHA's operating budget.     |
| Other Funds                 | \$1,065,764.80                          | \$1,065,764.80                                | Funds other than those in the above        |
|                             | ,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,, | , <u>, , , , , , , , , , , , , , , , , , </u> | categories. See explanation below.         |
| Total funds and             | \$5,002,433.66                          | \$5,437,099.36                                | Total of all anticipated funding available |
| planned spending            | 75,552,155166                           | <i>43,137,033.</i> 30                         | for planned projects and the total of      |
|                             |   |   | planned spending.                          |

#### **Capital Improvement Plan (CIP)**

#### Additional notes about funding:

We received \$500,000 for the Kennedy Drive Community Center Creative Placemaking award. We envision the rebirth of the community center and are excited to involve our tenants, members of the arts community, and the city of Brockton as we re-imagine the scope of the new Community Center. The finished project will be fully ADA compliant, offer health care services, and connections to other supportive human service agencies.

#### Capital Improvement Plan (CIP)

#### **CIP Definitions:**

**ADA Set-aside** is funding allocated within the Formula Funding (FF) for use on projects that improve accessibility for people with disabilities. 10% of FF awards are designated for this purpose.

**Available State Bond Funding** is the amount of State Bond Funding available to the LHA for the first three years of the CIP. It is calculated by totaling all of FF and Special Awards granted to the LHA through the end of the third year of the plan and subtracting the amount of these funds spent prior to July 1 of the first year of the plan.

**Amount spent prior to the plan** is the total amount of Formula Funding (FF) and Special Awards spent prior to July 1 of the first year of the plan.

**Capital project** is a project that adds significant value to an asset or replaces building systems or components. Project cost must be greater than \$1000.

CDBG stands for Community Development Block Grant, a potential source of project funds.

CPA stands for Community Preservation Act, a potential source of project funds.

**CapHub Project Number** is the number given to projects entered into DHCD's project management system known as CapHub.

**DMH Set-aside** is funding allocated within the Formula Funding (FF) for use on facilities leased to the Department of Mental Health (DMH) program vendors, if any exist at this LHA.

**DDS Set-aside** is funding allocated within the Formula Funding (FF) for use on facilities leased to the Department of Developmental Services (DDS) program vendors, if any exist at this LHA.

**Formula Funding** (FF) is an allocation of state bond funds to each LHA according to the condition (needs) of its portfolio in comparison to the entire state-aided public housing portfolio.

**Operating Reserve** is an account, funded from the LHA operating budget, primarily used for unexpected operating costs, including certain extraordinary maintenance or capital projects.

**Other Funds** could include other funding by the city or town or from other sources.

**Special Awards** are DHCD awards targeted to specific projects. Award programs include funds for emergencies beyond what an LHA can fund, for complying with regulatory requirements, for projects that will save water or energy use, and various other programs the department may run from time to time.

Total Cost is the sum of investigation, design, administration, permitting, and construction costs for a project

**Unrestricted Formula Funding (FF)** is money awarded to the LHA by DHCD under the Formula Funding program other than amounts set aside (restricted) for accessibility improvements or for facilities operated by DMH or DDS.

### Annual Plan Capital Improvement Plan

Prepared for Submittal to DHCD

#### Capital Improvement Plan (CIP) Narrative

#### **Including Requests to DHCD & Supporting Statements**

#### 1. Request for increased spending flexibility.

DHCD designates a spending target (cap share) and an allowable spending range for each year of the CIP. A Housing Authority may request to shift the cap shares of the first three years in order to increase scheduling flexibility. A CIP utilizing this flexibility is called an Alternate CIP. The total spending over three years and over five years must continue to meet the limits set by DHCD. DHCD will approve an Alternate CIP only with acceptable justification and only if funding is available.

Brockton Housing Authority has not submitted an Alternate CIP.

#### 2. Request for additional funding.

A Housing Authority may request additional funding from DHCD for projects that qualify as emergencies, required legal compliance upgrades, or sustainability improvements.

Brockton Housing Authority has requested \$104,300.00 in DHCD Compliance Reserve funding for project #044-667-1A-0-09-585\ 044-667-02-0-20-743, ARPA FF: Common Entry Door Assembly Replacement 667-1A &667-2. Reason: First Floor Asbestos remediation. Per SOV, \$23,800 Asbestos Materials; Labor \$3500 per building (23 buildings)

#### 3. Overall goals of the Housing Authority's CIP

There are four large projects involving ARPA funds and Creative Placemaking grants. The bulk of our FF CAP Share will be spent on projects for Roofs (Rainbow Terrace) and Windows (Crosby Gardens, Ann Ward, Rainbow/Kennedy, Golden Circle), with one large project for structural balcony repair (Rainbow Terrace). We have two paving projects planned (Rainbow Terrace and Golden Circle). Additional projects include chimney repairs at Rainbow, Elevator upgrades at Ann Ward House, and Carpet replacement in the apartments at Crosby Gardens. And we have the ever-hopeful projects for Kitchen and Bath upgrades at Kennedy Drive.

#### 4. Changes from the Housing Authority's previous CIP

Every new CIP differs from the previous CIP because projects have been completed and a new year has been added with new projects. These changes and other significant changes to the content of the CIP are highlighted below:

No significant changes.

### Annual Plan Capital Improvement Plan

Prepared for Submittal to DHCD

#### 5. Requirements of previous CIP approval

There were no special conditions attached to the approval of our previous CIP.

#### 6. Quarterly capital reports

Our most recent quarterly capital report (form 80 and 90) was submitted on 05/15/2023.

#### 7. Capital Planning System (CPS) updates

Our CPS facility data has been updated with current condition information, including changes resulting from projects completed in the past year, as of 07/11/2023.

#### 8. Project priorities

All the projects in our CIP are high priority (Priority 1 and 2 projects).

#### 9. High priority deficiencies

We have not been able to include all of our high priority (CPS priority 1 and 2) projects in our CIP:

See attached.

#### 10. Accessibility

We have identified the following accessibility deficiencies in our portfolio:

The new Creative Placemaking project will need all ADA compliant common areas.

We have incorporated the following projects in our CIP to address accessibility deficiencies: Project 044096 for Creative Placemaking common areas.

#### 11. Special needs development

Brockton Housing Authority has one or more special needs (167 or 689 programs) development. We have completed the service provider input process according to the required procedures detailed in the lease agreement and held an annual meeting with the service provider staff at all special needs developments as of 07/14/2023.

### Annual Plan Capital Improvement Plan

Prepared for Submittal to DHCD

#### 12. Energy and water consumption

Our 12 most recent monthly energy reports are for months 1/2022 to 12/2022.

The following table lists the DHCD thresholds for Per Unit Monthly (PUM) expense for electricity, natural gas, oil, and water use and the developments at the Housing Authority that have expenses in excess of the thresholds, if any.

|                | Electric<br>PUM > Threshold | Gas<br>PUM > Threshold | Oil<br>PUM > Threshold | Water<br>PUM > Threshold |
|----------------|-----------------------------|------------------------|------------------------|--------------------------|
| Threshold PUM: | \$100                       | \$80                   | \$50                   | \$60                     |
|                | 667-05                      | 667-05                 |                        | 705-2A                   |
|                |                             |                        |                        | 705-01                   |
|                |                             |                        |                        | 200-02                   |
|                |                             |                        |                        | 667-1A                   |

There are no known leaks at any development. The electric and gas at 667-05 is being shared with BAMSI which adds congregate housing bedrooms.

#### 13. Energy or water saving initiatives

Brockton Housing Authority is not currently pursuing any energy or water-saving audits or grants that could affect CIP project scope, costs or timing of projects.

#### 14. Vacancy rate

Our unadjusted vacancy rate reported to DHCD is as follows. (The unadjusted vacancy rate captured in these figures is the percentage of ALL housing units that are vacant, including both offline units being used for other purposes and units with DHCD vacancy waivers.)

2% c. 667 (DHCD Goal 2%)

2% c. 200 (DHCD Goal 2%)

3% c. 705 (DHCD Goal 2%)

Brockton Housing Authority will address the excess vacancies in the following manner: The vacancy rate is not due to capital improvements.

### Annual Plan 2024 Maintenance and Repair Plan

#### Maintenance and Repair Plan

#### **Maintenance Objective**

The goal of good property maintenance at a public housing authority is to serve the residents by assuring that the homes in which they live are decent, safe, and sanitary.

#### **About This Maintenance and Repair Plan**

This Maintenance & Repair Plan consists of several subsections describing maintenance systems followed by charts showing typical preventive maintenance, routine maintenance, and unit inspection tasks and schedules. These subsections are:

- a. Classification and Prioritization of Maintenance Tasks Defines and prioritizes types of work to be accomplished by maintenance staff and vendors. Explains how the housing authority is expected to respond to work orders (tasks or requests) based on the work order classification.
- b. **Emergency Response System** Defines what constitutes an emergency and how to notify staff of an emergency.
- c. **Normal Maintenance Response System** How to contact the maintenance staff for a non-emergency request.
- d. **Work Order Management** Description of the housing authority's system for managing work orders (tasks and requests).
- e. **Maintenance Plan Narrative & Policy Statement** Self-assessment, basic information, and goals for the coming year, along with a description of the housing authority's maintenance program.
- f. **Preventive Maintenance Schedule** A listing and schedule of tasks designed to keep systems and equipment operating properly, to extend the life these systems and equipment, and to avoid unexpected breakdowns.
- g. **Routine Maintenance Schedule** A listing and schedule of ordinary maintenance tasks such as mopping, mowing, raking, and trash collection required to keep the facilities in good condition.
- h. **Unit Inspections** Scheduling of annual unit inspections.

#### **Classification and Prioritization of Maintenance Tasks**

Maintenance items are tracked as "work orders" and are classified in the following categories. They are prioritized in the order listed. The following classifications and prioritization are required by the Department of Housing and Community Development (DHCD).

- I. **Emergencies** Emergencies are only those conditions which are **immediately threatening** to the life or safety of our residents, staff, or structures.
  - Goal: initiated with 24 to 48 hours.
- II. Vacancy Refurbishment Work necessary to make empty units ready for new tenants.
  - After emergencies, the refurbishment of vacancies for immediate re-occupancy
    has the highest priority for staff assignments. Everyday a unit is vacant is a day of
    lost rent.
  - Goal: vacancy work orders are completed within 30 calendar days or if not completed within that timeframe, LHA has a waiver.
- III. **Preventive Maintenance** Work which must be done to **preserve and extend the useful life** of various elements of your physical property and avoid emergency situations.
  - A thorough Preventive Maintenance Program and Schedule that deals with all elements of the physical property is provided later in the document.
  - The Preventive Maintenance Program is reviewed and updated annually and as new systems and facilities are installed.
- IV. **Programmed Maintenance** Work which is important and is completed to the greatest extent possible within time and budget constraints. Programmed maintenance is grouped and scheduled to make its completion as efficient as possible. Sources of programmed maintenance include:
  - Routine Work includes those tasks that need to be done on a regular basis to keep our physical property in good shape. (Mopping, Mowing, Raking, Trash, etc.)
  - Inspections are the other source of programmed maintenance.
    - o Inspections are visual and operational examinations of parts of our property to determine their condition.
    - o All dwelling units, buildings and sites must be inspected at least annually.
    - O Goal: Inspection-generated work orders are completed within 30 calendar days from the date of inspection, OR if cannot be completed within 30 calendar days, are added to the Deferred Maintenance Plan or the Capital Improvement Plan in the case of qualifying capital repairs (unless health/safety issue).
- V. **Requested Maintenance** Work which is requested by residents or others, does not fall into any category above, and should be accomplished as time and funds are available.
  - Requests from residents or others for maintenance work which does not fall into one of the other categories has the lowest priority for staff assignment.
  - Goal: Requested work orders are completed in 14 calendar days from the date
    of tenant request or if not completed within that timeframe (and not a health or
    safety issue), the task is added and completed in a timely manner as a part of
    the Deferred Maintenance Plan and/or CIP.

### Annual Plan 2024 Maintenance and Repair Plan

#### **Emergency Request System**

For emergency requests call the numbers listed here. Qualifying emergency work requests are listed below.

| METHOD                   | CONTACT INFO. | TIMES     |
|--------------------------|---------------|-----------|
| Call Answering Service   | 508-588-6880  | All Times |
| Call LHA at Phone Number | 508-588-6880  | All Times |

List of Emergencies - Emergencies are those conditions which are immediately threatening to the life or safety of our residents, staff, or structures. The following is a list of typical conditions that warrant an emergency response. If there is an emergency condition whether or not enumerated on this list please notify the office or answering service at the numbers listed above. If you have any questions regarding this list or other matters that may constitute an emergency, please contact the Brockton Housing Authority main office.

| QUALIFYING EMERGENCY WORK REQUESTS                                 |
|--|
| Fires of any kind (Call 911)                                       |
| Gas leaks/ Gas odor (Call 911)                                     |
| No electric power in unit  |
| Electrical hazards, sparking outlets                               |
| Broken water pipes, flood  |
| No water/ unsafe water   |
| Sewer or toilet blockage   |
| Roof leak  |
| Lock outs  |
| Door or window lock failure  |
| No heat  |
| No hot water   |
| Snow or ice hazard condition                                       |
| Dangerous structural defects                                       |
| Inoperable smoke/CO detectors, beeping or chirping                 |
| Elevator stoppage or entrapment                                    |
| Inoperable refrigerator  |
| Assist Public Safety Agencies (Fire Dept, Police, Board of Health) |
| Any Health and Safety issues related to severe weather events      |

#### **Normal Maintenance Request Process**

Make normal (non-emergency) maintenance requests using the following methods:

| METHOD                        | CONTACT INFO. | TIMES |
|-------------------------------|---------------|-------|
| Text Phone Number             |               |       |
| Call Answering Service        | 508-588-6880  | All   |
| Call Housing Authority Office | 508-588-6880  | All   |
| Submit Online at Website      |               |       |
| Email to Following Email      |               |       |
| Other                         |               |       |

#### **Work Order Management**

A. DHCD review of this housing authority's operations shows that the authority uses the following system for tracking work orders:

Type of work order system:

Work order classification used:

| Emergency       |  |
|-----------------|--|
| Vacancy         |  |
| Preventative    |  |
| Maintenance     |  |
| Routine         |  |
| Inspections     |  |
| Tenant Requests |  |

B. We also track deferred maintenance tasks in our work order system.

C. Our work order process includes the following steps:

| Step | Description   | Checked<br>steps are<br>used by LHA |
|------|---|-------------------------------------|
| 1    | Maintenance Request taken/submitted per the standard procedures listed above for the Emergency Request System and the Normal Maintenance Request Process. | <b>V</b>                            |
| 2    | Maintenance Requests logged into the work system  | <b>✓</b>                            |
| 3    | Work Orders generated   | <b>✓</b>                            |
| 4    | Work Orders assigned  | <b>✓</b>                            |

D. Additional comments by the LHA regarding work order management: We use HAB for work orders, all types.

#### **Maintenance Plan Narrative**

Following are Brockton Housing Authority's answers to questions posed by DHCD.

- A. Narrative Question #1: How would you assess your Maintenance Operations based on feedback you've received from staff, tenants, DHCD's Performance Management Review (PMR) & Agreed Upon Procedures (AUP), and any other sources?
  - The Brockton Housing Authority has a diverse and highly skilled maintenance team. The team routinely goes above expectations to provide decent, safe and sanitary housing for our residents. Their efforts are recognized by our residents and greatly appreciated.
- B. Narrative Question #2: What changes have you made to maintenance operations in the past year?
  - The maintenance department added two (2) new mechanics to the team in 2023 to supplement the already talented crew. This will help them maintain pace and complete tasks within required periods for the ever-increasing work order and turnover demands.
- C. Narrative Question #3: What are your maintenance goals for this coming year?
  - Continue to provide training for the maintenance team with the goal of increasing skill levels and reducing the need for outside contractors. Expand the use of technology to improve communications and assist in streamlining operations.

### Annual Plan 2024 Maintenance and Repair Plan

#### D. Maintenance Budget Summary

The budget numbers shown below are for the consolidated budget only. They do not include values from supplemental budgets, if any.

|                                  | Total Regular Maintenance<br>Budget | Extraordinary<br>Maintenance Budget |
|----------------------------------|-------------------------------------|-------------------------------------|
| Last Fiscal Year Budget          | \$819,827.00                        | \$125,000.00                        |
| Last Fiscal Year Actual Spending | \$1,100,508.00                      | \$0.00                              |
| Current Fiscal Year<br>Budget    | \$886,747.00                        | \$50,000.00                         |

#### E. Unit Turnover Summary

| # Turnovers Last Fiscal Year                                    | 38      |
|---|---------|
| Average time from date vacated to make Unit "Maintenance Ready" | 37 days |
| Average time from date vacated to                               |         |
| lease up of unit  | 53 days |

#### **Attachments**

These items have been prepared by the Brockton Housing Authority and appear on the following pages:

<u>Preventive Maintenance Schedule</u> - a table of preventive maintenance items showing specific tasks, who is responsible (staff or vendor), and the month(s) they are scheduled

<u>Deferred Maintenance Schedule</u> - a table of maintenance items which have been deferred due to lack of resources.

#### ... Housing Authority General Maintenance & Repair Statement of Priorities

- Emergencies Emergencies are only those conditions which are immediately threatening to the life or safety of our residents, staff, or structures.
  - Goal: initiated with 24 to 48 hours.
- II. <u>Vacancy Refurbishment Work necessary to make empty units ready for new tenants.</u>
  - After emergencies the refurbishment of vacancies for immediate re-occupancy has the highest priority for staff assignments. Everyday a unit is vacant is a day of lost rent.
  - Goal: vacancy work orders are completed within 30 calendar days or if not completed within that timeframe, LHA has a waiver.
- **III. Preventive Maintenance - W**ork which must be done to preserve and extend the useful life of various elements of your physical property and avoid emergency situations.
  - A thorough Preventive Maintenance Program and Schedule that deals with all elements of the physical property is provided later in the document.
  - The Preventive Maintenance Program is reviewed and updated annually and as new systems and facilities are installed.
- IV. <u>Programmed Maintenance</u> Work which is important and is completed to the greatest extent possible within time and budget constraint. Programmed maintenance is grouped and scheduled to make their completion as efficient as possible. Sources of programmed maintenance include:
  - i. <u>Routina, Work includes</u> those tasks that need to be done on a regular basis to keep our physical property in good shape. (Mopping, Mowing, Raking, Trash, etc.)
  - ii. <u>Inspections are the other source of programmed maintenance.</u>
    - Inspections are visual and operational examinations of parts of our property to determine their condition.
    - All dwelling units, buildings and properties must be inspected at least annually.
    - Goal: Inspection work orders are completed within 30 calendar days from the date of inspection.

      There may be exceptions to this goal where emergencies such as Excessive snow removal or a large number of vacant units become available that will cause the inspection work orders to delay. If it is determined by the Authority that the inspection work order cannot be completed in the regular operations of the Authority they will be added to the Deferred Maintenance Plan or the Capital Improvement Plan in the case of qualifying capital repairs (unless health/safety issue).
- V. Requested Maintenance-Work which is requested by residents or others, does not fall into any category above, and will be addressed in a professional and efficient manner. If the request cannot be completed due to budget constraints the resident will be informed and the Authority will determine if it should become part of the Capital plan discussion with the residents.
  - Requests from residents or others for maintenance work which does not fall into one of the other categories has the lowest priority for staff assignment.
  - Goal: Requested work orders are completed in 14 calendar days from the date of tenant request or if
    not completed within that timeframe (and not a health or safety issue), the task may be added and
    completed in a timely manner as a part of the Deferred Maintenance Plan and/or CIP.

#### -Emergency Response System - Standard Ope^uUngJ^cedure . (SOPL ..(2pagps) -

Emergency Response System - Two Key Parts:

- 1) System for responding to Emergencies: There exists an after-hours on call system to respond to emergency maintenance requests 24 hours a day and the system documents the results of that response.
- 2) Distributed Definition of What an Emergency is: LHA maintains a list (see list below) of items that are
  considered an emergency. Residents, staff and call service should have a clear definition of what an emergency
  is.

System for Responding to Emergencies:

1. Does your LHA have a 24-hour system for responding to emergencies?

| YES | NO |
|-----|----|
| X   |    |

#### 2. List of Emergencies.

The following is a list of matters that DHCD and the State Sanitary Code the Brockton Housing Authority deems an Emergency. If you have any questions regarding this list or other matters that may constitute an Emergency, please contact the Brockton Housing Authority main office.

| EMERGENCY   |
|---|
| Fires of any kind   |
| Gas leaks   |
| Fire Alarm trouble in building and or inoperable smoke/CO in unit                               |
| Electric power failures ONLY if the whole unit or building is affected                          |
| Elevator stoppage   |
| Broken water pipes  |
| Sewer blockage  |
| Toilet clogs  |
| Roof drain blockage   |
| Roof leak   |
| Security lock failure   |
| Lock outs   |
| No heat   |
| Inoperative refrigerator only if following day is NOT a regular business day                    |
| Snow or ice storm   |
| Structural Deficiencies   |
| Assist Public Safety Agencies (Fire Dept. Police Board of Health) with health and safety issues |
| Any Health and Safety issues related to severe weather events                                   |

#### Maintenance Plan Summary

| NOT CONSIDERED              | EMERGENCIES                      |
|-----------------------------|----------------------------------|
|                             | A Hole in the Wall               |
| Closet Door off Track       | The Door Squeaks                 |
| Screen Hs Hole in it        | There are Cob Webs in the Corner |
| Stove Burner is not Working | The Paint is Peeling             |

3. How can tenants get in contact with the LHA if they have an Emergency anytime of day or night?

(Complete all that apply and fill in the accompanying details)

| METHOD                                | CONTACT INFO | TIMES                       |
|---------------------------------------|--------------|-----------------------------|
| Can Call (Answering Service) at Phone | 508-583-5645 | Weekdays 4:30pm-8:00am      |
| Number                                |              | Weekend & Holidays 24 Hours |

4. Has LHA distributed this Emergency Contact procedure to:

|                                   | ZES | NO      |
|-----------------------------------|-----|---------|
| Tenants                           | ×   | 1,22(1) |
| Staff                             | ×   |         |
| Answering Service (if applicable) | Х   |         |

#### Normal Maintenance Response System - Standard Operating Procedure (SOP)

#### Non-Emergency Response System:

1) System for Responding to Non-Emergencies: There exists a contact system to respond to Non-Emergency maintenance requests the system documents the results of that response.

#### System for Responding to Non-Emergencies:

1. Does your LHA have a system for responding to normal maintenance (Non-emergencies)?

| YES | NO |
|-----|----|
|     |    |
| X   |    |

2. How can tenants get in contact with the LHA if they have a Jtoi-Ememericy^nyiime of day or night'? (check all that apply and fill in the accompanying details)

| METHOD  | CONTACT INFO. | TIMES  |
|---|---------------|--|
| Can Call (Answering Service) at Phone<br>Number | 508-583-5645  | 4:30pm-8:00am M-F 24 hours on weekends<br>and holidays |
| Can Call LHA at Phone Number                    | 508-583-5645  | 8:00am to 4:30pm PM Monday-Friday                      |

3. Has LHA distributed this Contact procedure to:

|                                   | YES | ЙÓ |
|-----------------------------------|-----|----|
| Tenants                           | ×   |    |
| Staff                             | ×   |    |
| Answering Service (if applicable) | X   |    |

### **Operating Budget**

The tables on the following pages show the approved budget and actual income and spending per budget account (row) for the fiscal year ending 12/31/2022. It also shows the approved budget for the current year (2023) if there is one, and the percent change from last year's spending to this year's approved budget. The final column shows the current approved amount for each account divided by the number of housing units and by 12 months to show the amount per unit per month (PUM). The chart does not show a draft budget for the coming fiscal year as that will typically be developed in the final month of the fiscal year.

The budget format and accounts are mandated by the Department of Housing and Community Development (DHCD). For a better understanding of the accounts and discussion of special situations see the notes following the budget tables and the "Definitions of Accounts" at the end of this section.

The LHA maintains a consolidated budget (400-1) for all state-aided 667 (Elderly), 200 (family), and 705 (scattered site family) developments owned by the LHA. It does not maintain separate budgets for each development.

#### **Operating Reserve**

The LHA's operating reserve is the amount of funds that an LHA sets aside to sustain itself during lean years, or to remedy urgent health and safety concern or address deferred maintenance items. In addition, while DHCD approves a fixed non-utility operating budget level for every LHA (called the Allowable Non-Utility Expense Level, or ANUEL), LHAs can propose a budget that exceeds that level, with the additional cost to be funded from the Operating Reserve, as long as the reserve will still remain above the minimum threshold set by DHCD.

DHCD defines a full (100%) Operating Reserve (OR) amount to be equal to one-half of the previous year's operating expenses and requires LHAs to maintain a minimum OR of 35% of this amount to cover any unplanned but urgent needs that may arise during the year and that can't be funded by the operating budget. If the reserve is between 20% and 35% of the full level, the LHA must obtain prior written approval from DHCD to spend reserve funds, unless the expense is to resolve a health and safety issue. If the reserve is below the 20% level, the LHA can only spend OR funds on health and safety issues. In both cases, the LHA should address the health and safety issue immediately but must retroactively inform DHCD and obtain its approval.

The Brockton Housing Authority operating reserve at the end of fiscal year 2022 was \$371,591.00, which is 27.4% of the full reserve amount defined above.

Consolidated Budget (400-1) for all state-aided 667 (Elderly), 200 (family), and 705 (scattered site family) developments owned by Brockton Housing Authority.

### **Explanation of Budget Accounts**

The following explains how each of the line items is to be prepared.

- <u>3110</u>: <u>Shelter Rent:</u> The shelter rent projection should be based on the current rent roll plus anticipated changes expected from annual rent re-determinations or as a result of regulatory amendments.
- 3111: Shelter Rent Tenants Fraud/Retroactive: This account should be used for the reporting of total rent receipts from residents due to unreported income. These are often called fraud or retroactive balances. In cases where deficit LHAs discover, pursue cases, and have entered into a written fraud/retroactive repayment agreement with a present or former tenant who did not report income, the LHA will be allowed to retain two-thirds of the funds recovered. One third of the total dollar amount recovered should be included in the LHA's quarterly or year-end Operating Statement as Shelter Rent, account #3111, and two-thirds of this total dollar amount should be included in Other Revenue-Retained, account #3691.
- <u>3115</u>: Shelter Rent Section 8: This account applies only to those developments receiving support through the federal government's Housing and Urban Development (HUD) Section 8 New Construction and/or Substantial Rehab Programs.
- <u>3190: Non-Dwelling Rental:</u> This account should be credited with the rents, other than tenants rents reported in line 3110 and 3115, including charges for utilities and equipment, billed to lessees of non-dwelling facilities as well as apartments rented for non-dwelling purposes, such as social service programs.
- <u>3400:</u> Administrative Fee- MRVP/AHVP: This account should be credited with Administrative Fees to be received for the MRVP/AHVP Program. The MRVP/AHVP administrative fee is \$50.00 per unit per month, as of July 1, 2020.
- <u>3610: Interest on Investments Unrestricted:</u> This account should be credited with interest earned on unrestricted administrative fund investments.
- <u>3611: Interest on Investments Restricted:</u> This account should be credited with interest earned on restricted administrative fund investments. For example, an LHA may receive a grant whose use is restricted to a specific purpose, and the interest income earned on that grant may also be restricted to the same purpose.
- <u>3690: Other Operating Revenues</u>: This account should be credited with income from the operation of the project that cannot be otherwise classified. Income credits to this account include, but are not limited to, penalties for delinquent payments, rental of equipment, charges for use of community space, charges to other projects or programs for the use of central office management and maintenance space, commissions and profits from vending machines, including washing machines, and certain charges to residents for additional services, materials, and/or repairs of damage caused by neglect or abuse in accordance with the Department's regulations on lease provisions.
- <u>3691: Other Revenue Retained</u>: This account should be credited with certain miscellaneous revenue to be <u>retained</u> by the LHA, and which is not used to reduce the amount of operating subsidy the LHA is due. The most common examples for this account is receipts for the rental of roof antennas to cell phone providers and net meter credits earned on electricity bills from Net Meter Power Purchase Agreements (PPA's). Generally, surplus LHAs may retain 100% of these savings and deficit LHAs may retain 25% of the savings, with

the 75% balance used to offset its need for operating subsidy. However, for the period 7/1/16 through 6/30/20, all deficit LHAs may keep 100% of the net meter credit savings, while they can keep 50% effective 7/1/2020.

3692: Other Revenue - Operating Reserves: This account should be credited with funds that LHAs plan to utilize from their operating reserve accounts in excess of the Allowable Non-Utility Expense Level (ANUEL). To be approvable, LHA must maintain the DHCD prescribed operating reserve minimum level after deducting the amount budgeted. The only exception to this is when the expenses are for health and safety issues.

3693: Other Revenue – Net Meter: This account should normally be credited with 75% of the total net meter credit savings realized by a deficit LHA, while surplus LHAs with net meter credit savings would enter \$0 here. Savings are calculated as the value of the net meter credits appearing on the LHA's electric bills (or, in some cases, paid in cash to the LHA by their utility company), minus the cost of the payments made to the solar power developer under their Power Purchase Agreement (PPA). Deficit LHAs normally may retain 25% of the savings. That amount should be included as Other Revenue – Retained on line #3691. However, please note that for the period 7/1/16 through 6/30/20 all LHAs may retain 100% of their total net meter credit savings, and should report those savings as Other Revenue – Retained on line #3691. LHAs can keep 50% of savings effective 7/1/2020.

<u>3801</u>: Operating Subsidy – DHCD (400-1): This account represents all state-funded operating subsidy to be received and or to be earned for the fiscal year. At the end of each fiscal year, this account will be adjusted in the operating statement to equal the actual subsidy earned by the LHA.

#### 3802: Operating Subsidy – MRVP/AHVP Landlords:

The credit balance in this account represents the anticipated total receipts from DHCD during the fiscal year for housing assistance payments to landlords. At the end of each fiscal year this account will be adjusted to equal the actual subsidy earned.

<u>3920: Gain/Loss from Sale or Disposition of Property (Capitalized or Non-Capitalized):</u> The debit or credit balance of this account represents the following items: a) Cash proceeds from the sale of property that was either: 1) non-capitalized; or 2) capitalized and has been fully depreciated, and b) Realized gain or loss from the sale or disposition of capitalized properly that has not been fully depreciated.

4110: Administrative Salaries: This account should be charged with the gross salaries of LHA personnel engaged in administrative duties and in the supervision, planning, and direction of maintenance activities and operating services during the operations period. It should include the salaries of the executive director, assistant executive director, accountants, accounting clerks, clerks, secretaries, project managers, management aides, purchasing agents, engineers, draftsmen, maintenance superintendents, and all other employees assigned to administrative duties.

<u>4120: Compensated Absences:</u> The debit balance in this account represents the actual cost incurred during the fiscal year for vacation, paid holidays, vested sick leave and earned compensatory time. This account includes both the direct compensated absences cost and associated employer payroll expenses (employment taxes, pension cost, etc.).

<u>4130:</u> <u>Legal Expense:</u> This account should be charged with retainers and fees paid to attorneys for legal services relating to the operation of the projects.

- 4140: Compensation to Authority Members: A local authority may compensate its members for performance of their duties and such other services as they may render to the authority in connection with its Chapter 200 development(s). Compensation for any other program is not authorized. Because of this, LHAs must base such compensation only on the actual rent receipts for these developments plus a prorated share of other operating receipts of funds on a per unit basis. The precise amount that members may be compensated is defined by statute to a maximum of \$40 per member per day, and \$50 for the chairperson per day. The total of all compensation to all board members is not to exceed two percent (2%) of actual gross income of Chapter 200 developments in any given year, consistent with the approved budget amount. In no case shall the payment of compensation exceed \$12,500 annually for the chairperson, or \$10,000 for any member other than the chairperson. Please note the statute requires the member to perform housing authority business in order to receive compensation.
- <u>4150</u>: <u>Travel and Related Expense</u>: Legitimate travel expenses incurred by board members and staff in the discharge of their duties for any **state-aided program** are reimbursable from this account, as consistent with Department policy.
- 4170: Contractual Accounting Services: Fees for accounting services that are provided routinely and are contracted for on an annual basis. Only accounting services performed on a contractual basis (fee accountant) should be included in this item. Full or part-time LHA accounting staff that provides routine accounting services should be included in Account 4110, Administrative Salaries.
- <u>4171:</u> Audit Costs: This account includes the state program's prorated share of audit fees paid to an Independent Public Accountant (IPA). The procurement of an IPA is necessary to satisfy the Federal Government's audit requirements. Costs for these services should be shared with all state and federal programs of LHA. **Audit costs are to be absorbed within the ANUEL.** The new Agreed Upon procedures (AUP) audit costs for state-assisted public housing programs should also be included in this account.
- <u>4180:</u> Penalties and Interest: Any expenses incurred from penalties, fees, and interest paid on delinquent accounts shall be included in this line item.
- <u>4190:</u> Administrative Other: This account is provided for recording the cost of administrative items for which no specific amount is prescribed in this 4100 group of accounts. It includes, but is not limited to, the cost of such items as: reports and accounting forms; stationery and other office supplies; postage; telephone services; messenger service; rental of office space; advertising for bids; publications; membership dues; collection agency & court costs, training costs; management fees, and fiscal agent fees.
- 4191: Tenant Organization: LTO Funding by the LHA. Upon request the LHA shall fund all LTOs in a city or town at the annual rate of \$6.00 per state-aided public housing unit occupied or available for occupancy by residents represented by such LTO(s) or an annual total of \$500.00 prorated among all such LTO(s), whichever is more. For more information on the creation and funding of LTOs see 760 CMR 6.09.

Authorities which operate computer learning centers, which are funded by the state consolidated budget or by other sources (which are typically recorded in line #3691 as "Other Revenue Retained", should budget the cost of the centers on this line.

<u>4310:</u> Water: This account should be charged with the cost of water and sewer charges purchased for all purposes.

<u>4320: Electricity</u>: This account should be charged with the total cost of electricity purchased for all purposes. Many LHAs have entered into Net Meter Credit Power Purchase Agreements (PPA's). In these deals, an LHA executes a contract with a solar power developer who constructs and owns an off- site solar electricity-generating site. In exchange for contracting to purchase a percentage of the solar power produced, the LHA receives a credit on its utility electric bill for each KWH purchased or in some cases receives a direct cash payment from their utility company. Please ensure that the amount charged to this account is the total cost of electricity BEFORE any reductions due to the receipt of net meter credits.

4330: Gas: This account should be charged with the cost of gas (natural, artificial, or liquefied) purchased for all purposes.

<u>4340</u>: Fuel: This account should be charged with the cost of coal, fuel oil, steam purchased, and any other fuels (except electricity and gas) used in connection with Local Housing Authority operation of plants for the heating of space or water supplied to tenants as a part of rent.

<u>4360: Net Meter Utility Debit/Energy Conservation:</u> This account is to be charged with costs incurred for energy conservation measures.

4390: Other Utilities: This account should be charged with the cost of utilities which are not provided for in accounts 4310 through 4360. In addition, for all quarterly or year-end operating statements 9/30/20 or later, and all budgets 6/30/21 or later, please use this line to record the total net meter credits earned as reported in Line 4392, MINUS the Solar Operator Costs reported in Line 4391, with the result expressed as a positive number. For example, if you reported -\$20,000 in Net Meter Utility Credits in Line 4392 and \$15,000 in Solar Operator Costs in Line 4391, you would subtract the \$15,000 reported on Line 4391 from the -\$20,000 reported on Line 4392, and post the remainder of \$5,000 on Line 4360, as a positive number. This number essentially represents the "net" savings the LHA earned from its net meter credit contract.

<u>4391: Solar Operator Costs:</u> Many LHAs have entered into Net Meter Credit Power Purchase Agreements (PPA's). In these deals, an LHA executes a contract with a solar power developer who constructs and owns an off-site solar electricity-generating site. The LHA makes regular (usually monthly) payments to the developer for its contracted share of the solar electricity produced by the site. Those payments should be entered in this account.

4392: Net Meter Utility Credit (Negative Amount): As noted in account #4391 above, many LHAs have executed Net Meter Credit Power Purchase Agreements (PPA's). In exchange for contracting to purchase a percentage of the solar power produced, the LHA receives a credit on its utility electric bill for each KWH purchased from the developer, which reduces the balance on its electric bill, or, in some cases, the credits are paid in cash to the LHA by the utility company. The total gross amount of the net meter credits that appear on the LHA's utility bills should be carried in this account and entered as a negative number. In cases where credits are paid in cash to the Host LHA, the net balance after paying out the amounts due the participating housing authorities, should also be carried in this account and entered as a negative number.

<u>4410: Maintenance Labor:</u> This account should be charged with the gross salaries and wages, or applicable portions thereof, for LHA personnel engaged in the routine maintenance of the project.

<u>4420</u>: <u>Materials & Supplies</u>: This account should be charged with the cost of materials, supplies, and expendable equipment used in connection with the routine maintenance of the project. This includes the operation and maintenance of automotive and other movable equipment, and the cost of materials, supplies, and expendable equipment used in connection with operating services such as janitorial services, elevator services, extermination of rodents and household pests, and rubbish and garbage collection.

<u>4430: Contract Costs:</u> This account should be charged with contract costs (i.e. the cost of services for labor, materials, and supplies furnished by a firm or by persons other than Local Authority employees) incurred in connection with the routine maintenance of the project, including the maintenance of automotive and other movable equipment. This account should also be charged with contract costs incurred in connection with such operating services as janitorial services, fire alarm and elevator service, extermination of rodents and household pests, rubbish and garbage collection, snow removal, landscape services, oil burner maintenance, etc.

<u>4510: Insurance:</u> Includes the total amount of premiums charged all forms of insurance. Fire and extended coverage, crime, and general liability are handled by DHCD on a statewide basis. All other necessary insurance policies include: Workers' Compensation, boiler, vehicle liability and owner, etc.

#### 4520: Payments in Lieu of Taxes:

This account should be charged with all payments in lieu of taxes accruing to a municipality or other local taxing body.

<u>4540</u>: Employee Benefits: This account should be charged with local housing authority contributions to employee benefit plans such as pension, retirement, and health and welfare plans. It should also be charged with administrative expenses paid to the State or other public agencies in connection with a retirement plan, if such payment is required by State Law, and with Trustee's fees paid in connection with a private retirement plan, if such payment is required under the retirement plan contract.

Employee benefits are based upon a given percentage of the total payroll; therefore, the total amount approved in this account will be based on the approved budgeted salaries representing the state's fair share.

<u>4541</u>: Employee Benefits - GASB 45: This line covers "Other Post-Employment Benefits" (OPEB). Of the total benefits offered by employers to attract and retain qualified employees, some benefits, including salaries and active-employee healthcare are taken while the employees are in active service, whereas other benefits, including post-employment healthcare and other OPEB are taken after the employees' services have ended. Nevertheless, both types of benefits constitute compensation for employee services. In accordance with required accounting practices, this amount is not projected in the budget (and is therefore blank) but the estimated future costs of this item is carried in the operating statement.

<u>4542: Pension Expense – GASB 68:</u> The primary objective of GASB 68 Statement is to improve accounting and financial reporting for pension costs. It also improves information provided by state and local governmental employers about financial support for pensions that is provided by other entities. As with account 4541 above, in accordance with required accounting practices, this amount is not projected in the budget (and is therefore blank) but the estimated future costs of this item is carried in the operating statement.

- <u>4570</u>: Collection Loss: The balance in this account represents the estimated expense to cover unexpected losses for tenant rents. Note: Do not include losses from fraud/retroactive balances here. Report them in Account 4571 Collection Loss Fraud/Retroactive.
- <u>4571: Collection Loss Fraud/Retroactive:</u> The balance in this account represents the estimated expense to cover unexpected losses for tenant rents due to unreported income, i.e. fraud/retroactive balances.
- <u>4580:</u> Interest Expense: The debit balance in this account represents the interest expense paid and accrued on loans and notes payable. This debt can be from operating borrowings or capital borrowings.
- <u>4590:</u> Other General Expense: This account represents the cost of all items of general expenses for which no specific account is prescribed in the general group of accounts.
- 4610: Extraordinary Maintenance Non-Capitalized: This account should be debited with all costs (labor, materials and supplies, expendable equipment (such as many tools or routine repair parts), and contract work) of repairs, replacements (but not replacements of non-expendable equipment), and rehabilitation of such a substantial nature that the work is clearly not a part of the routine maintenance and operating program. The items charged to this account should not increase the useful life or value of the asset being repaired. These items are not capitalized and are not added as an increase to fixed assets at the time of completion. Nor are these items depreciated. An example of this would be scheduled repainting of apartments.
- <u>4611: Equipment Purchases Non-Capitalized:</u> This account should be debited with the costs of equipment that does not meet the LHA's criteria for capitalization. Because these items are being expended when paid, they should not be categorized as a fixed asset and therefore will not be depreciated. These items include stoves, refrigerators, small tools, most computers and software, etc.

The budget is a planning tool and as our portfolio ages it is essential that LHAs evaluate their properties annually and plan for extraordinary maintenance. To that end DHCD very strongly recommends that for all 400-1 operating budgets, depending on the age of the portfolio and condition, LHAs spend between \$100 and \$500 a year per unit in Extraordinary Maintenance, Equipment Purchases, Replacement of Equipment, and Betterments & Additions to ensure that the aging public housing stock is preserved.

- <u>4715</u>: Housing Assistance Payments: This account should be debited with all housing assistance payments paid to landlords for the MRVP program on a monthly basis.
- <u>4801:</u> <u>Depreciation Expense:</u> This account should be debited with annual fixed asset depreciation expenses as determined by the LHA's capitalization policy.
- <u>7520</u>: Replacement of Equipment Capitalized: This account should be debited with the acquisition cost (only the net cash amount) of non-expendable equipment purchased as a replacement of equipment of substantially the same kind. These items, such as vehicles, computers, or furniture, meet the LHA's criteria for capitalization and will also be added to fixed assets and therefore depreciated over the useful life.
- <u>7540</u>: Betterments & Additions Capitalized: This account should be debited with the acquisition cost (only the net cash amount) of non-expendable equipment and major non-routine repairs that are classified as a betterment or addition. These items meet the LHA's criteria for capitalization and will also be added to fixed

Annual Plan
Operating Budget

Standard Account Explanations

assets and therefore depreciated over the useful life of the asset. Examples are: major roof replacement, structural repairs such as siding, or major paving work.

In accordance with GAAP accounting, inventory purchases (Replacement of Equipment and Betterments & Additions) are distinguished between capitalized and non-capitalized items. Any inventory or equipment purchase greater than \$5,000 is required by DHCD to be capitalized, inventoried and depreciated. Any inventory or equipment purchase costing \$1,000 to \$4,999 should be inventoried by LHA staff for control purposes only but is not subject to capitalization or depreciation, it is, however, required to be expensed when the items are paid for. An LHA's inventory listing should include both capitalized and non-capitalized items of \$1,000 and more, as well as all refrigerators and stoves of any value. All items that appear on the inventory listing should be tagged with a unique identification number, and all refrigerators and stoves (regardless of value) should be tagged. LHAs may adopt a capitalization policy that capitalizes inventory purchases at a lesser amount than the \$5,000 requirement (i.e. \$1,000 - \$4,999); however, no capitalization policy can have an amount higher than \$5,000. Any inventory or equipment purchases costing \$0 to \$999 are to be expensed when paid for.

### Narrative Responses to the Performance Management Review (PMR) Findings

**PMR Narrative Responses** 

PMRs are conducted for most LHAs on a biennial basis. This year there is no PMR record for this Housing Authority.

## **Explanation of PMR Criteria Ratings**

| CRITERION                                      | DESCRIPTION   |
|--|---|
| Management                                     |   |
| Occupancy Rate                                 | The rating is calculated using the following formula: (Total Number of Occupied units on Monthly Report divided by (Total Number of Units Minus Units that Received a Waiver Minus Number of Units Vacant less than 30 days on Monthly Report)  • "No Findings": Occupancy Rate is at or above 98%  • Operational Guidance: Occupancy rate is at 95% up to 97.9%  • Corrective Action: Adjusted occupancy rate is less than 95%   |
| Tenant Accounts<br>Receivable (TAR)            | This criterion calculates the percentage of uncollected rent and related charges owed by starting with the amount reported by the LHA, as uncollected balances for the TAR (Account 1122 from the Balance Sheet) minus Normal Repayment Agreements* divided by Shelter (Tenant) Rent (account 3110 from the Operating Statement)  • "No Findings": At or below 2%  • "Operational Guidance": More than 2%, but less than 5%  • "Corrective Action": 5% or more                      |
| Certifications and<br>Reporting<br>Submissions | Housing authorities are required to submit 4 quarterly vacancy certifications by end of the month following quarter end; 4 quarterly operating statements and 4 Tenant Accounts Receivable (TAR) reports within 60 days of quarter end.  • "No Findings": At least 11 of the required 12 reports were submitted and at least 9 were submitted on time.  • "Operational Guidance": Less than 11 of the required 12 reports were submitted and/or less than 9 were submitted on time. |
| Board Member<br>Training                       | Percentage of board members that have completed the mandatory online board member training.  • "No Findings": 80% or more completed training  • "Operational Guidance": 60-79.9% completed training  • "Corrective Action": <60 % completed training  |
| Staff Certifications and Training              | Each LHA must have at least one staff member complete a relevant certification or training During the fiscal year. The number of required trainings varies by LHA size.  • No Findings: LHAs completed the required number of trainings Corrective Action: LHAs have not completed any trainings  |
| Annual Plan (AP)<br>Submitted                  | Housing authorities are required to submit an annual plan every year.  • "No Findings" =Submitted on time  • "Operational Guidance" =Up to 45 days late  • "Corrective Action" =More than 45 days late  |

| <ul> <li>Paper applications are available, received and entered into CHAMP</li> <li>No Findings: Paper applications are available; And paper applications are date and time stamped correctly; And 90% of new paper applications are entered into CHAMP within 15 calendar days of date/time stamp; And 2% or less of new paper applications are entered more than 30 days after date/time stamp</li> <li>Operational Guidance: Paper applications are available; And paper applications are date and time stamped and entered correctly; And 75% - 89% of new paper applications are entered into CHAMP within 15 calendar days; And 3% - 5% of new paper applications are entered more than 30 days after date/time stamp</li> <li>Corrective Action: Paper applications are not available; Or the LHA has failed to date and time stamp paper applications and/or failed to enter them correctly; Or Less than 75% of new paper applications are entered into CHAMP within 15 calendar days of date/time stamp; Or more than 5% of new paper applications are entered more than 30 days after date/time stamp</li> <li>Vacancies are recorded correctly and occupied using CHAMP</li> <li>No Findings: All vacancies during the fiscal year are recorded in DHCD's Housing Applications Vacancy System within 30 days; And the housed Applicant ID and Pull List ID match between DHCD's Housing Applications Vacancy System and CHAMP for unit occupied during the fiscal year, excluding administrative transfers; And 25% or less of occupied units have data entry errors</li> <li>Operational Guidance: All vacancies during the fiscal year are recorded in DHCD's Housing Applications Vacancy System and CHAMP for units occupied during the fiscal year, excluding administrative transfers; And greater than 25% of occupied units have data entry errors</li> <li>Corrective Action: All vacancies during the fiscal year are not recorded in DHCD's Housing Applications Vacancy System; Or the Housed Applicant ID and Pull List ID do not match (or data is missing) between</li></ul> |
|---|
|   |

| DESCRIPTION   |
|---|
|   |
| The Adjusted Net Income criterion calculation starts with an LHA's Net Income and subtracts Depreciation, GASB 45 (Retirement Costs), GASB 68 (Retirement Costs), Extraordinary Maintenance (maintenance expense outside of routine/ordinary expenses), and Equipment Purchases – Non Capitalized. This Adjusted Net Income amount is then divided by the Total Expenses of the LHA. If this Adjusted Net Income amount is positive, it means underspending and if it is negative it means overspending. Underspending Rating:  "No Findings": 0 to 9.9%  "Corrective Action": 15% or higher  Overspending Rating:  "No Findings": 0 to -4.9%  "Operational Guidance": -5% to -9.9%  "Corrective Action": -10% or below |
| Current Operating Reserve as a percentage of total maximum reserve level.  Appropriate reserve level is buffer against any unforeseen events or expenditures.    "No Findings": 35%+ of maximum operating reserve  "Operational Guidance": 20% to 34.9% of maximum operating reserve  "Corrective Action": <20% of maximum operating reserve  |
|   |
| Under the Formula Funding Program (FF), authorities receive undesignated funds to spend on projects in their Capital Improvement Plan. They are rated on the percentage of available funds they have spent over a three-year period  • "No Findings" = at least 80%  • "Operational Guidance" = At least 50%  • "Corrective Action" = Less than 50%   |
|   |

| CRITERION   | DESCRIPTION  |
|---|--|
| Health & Safety   |  |
| Health & safety violations                                      | DHCD has observed conditions at the LHA's developments and reported health and safety violations. The LHA has certified the number of corrected violations in each category.   |
| Facility Management - Inspection Standards and Practices        |  |
| 100% Unit Inspections   | All units inspected at LHA during FY under review  No Findings: 100% of units inspected  Corrective Action: Less than 100% of units inspected  |
| LHA Inspections Reports/Work Orders                             | <ul> <li>Unit inspection reports create, track, and report work orders for inspection repairs, and inspection WOs completed within 30 days or add to DM/CIP</li> <li>No Findings: All inspection work orders/lease violations are created, tracked, and reported; And non-health and safety work orders for inspection repairs/lease violations are completed within 30 days or added to DM/CIP; And health and safety work orders for inspection repairs/lease violations are addressed within 48 hours</li> <li>Operational Guidance: All health and safety inspection work orders/lease violations are created, tracked, reported and completed within 48 hours; And LHA fail to create, track, or report no more than 1 or 2 (based on LHA size) non-EHS (exigent health and safety) deficiencies; Or LHA failed to complete any non-EHS work orders/lease violations appropriately</li> <li>Corrective Action: Any EHS work orders/lease violations not created, tracked, reported, or completed; Or 1 of the following: LHA failed to create, track or report a) More than 1 non-EHS deficiency (small LHA); b) More than 2 non-EHS deficiencies (Medium/Large)</li> </ul> |
| Accuracy of LHA Inspections                                     | <ul> <li>Unit inspection reports accurately reflect necessary repairs</li> <li>No Findings: c.667 unit has less than 2 EHS deficiencies and c.200/705 unit has less than 3 EHS deficiencies</li> <li>Operational Guidance: c.667 unit has 2 EHS deficiencies or c.200/705 has 3 EHS deficiencies</li> <li>Corrective Action: c.667 has equal to or greater than 3 EHS deficiencies or c.200/705 unit has equal to or greater than 4 EHS deficiencies</li> </ul>  |
| Facility Management  - Vacancy Turnover Standards and Practices | ,  |

| CRITERION                  | DESCRIPTION  |  |  |  |
|----------------------------|--|--|--|--|
| Vacancy Turnover           | Work orders created for every vacancy and completed within 30 days (or   |  |  |  |
| Work Orders                | waiver requested)  |  |  |  |
|                            | No Findings: Vacancy work orders are created, tracked and reported   |  |  |  |
|                            | for every unit and reflect all work in unit; And Vacancy work orders   |  |  |  |
|                            | are Maintenance Ready in <=30 days for c.667 units or <=45 days for  |  |  |  |
|                            | c.200/705 units or have approved waiver  |  |  |  |

| Other – Define in the 'Notes' column | 01/27/2022    | Telework Policy    |

<sup>\*</sup> Starred policies are required by DHCD. Policies without a "Latest Revision" date are not yet in force.

The list of policies has been provided by the LHA and has not been verified by DHCD.

### **Waivers**

Brockton Housing Authority has received the following waivers from DHCD's regulations. This list does not include vacancy waivers, pet waivers, or any waivers that would release personally identifiable tenant or applicant data.

| Description          | Reason         | Date Waiver<br>Approved by<br>DHCD | Date<br>Expired |
|----------------------|----------------|------------------------------------|-----------------|
| Waiver to leave RCAT | Staff Capacity | 05/16/2021                         | 05/15/2024      |

The list of waivers has been provided by the LHA and has not been verified by DHCD.

### **Attachments**

The following items have been uploaded as attachments to this Annual Plan.

Due to the COVID-19 emergency, on-site Performance Management Review (PMR) assessments by the Facilities Management Specialists were cancelled for the December fiscal year end housing authorities. Therefore, the Facility Management categories have been omitted from the PMR document.

- Brockton RAB Letter
- Public Comments and LHA Responses
- Board Vote Abstract Special Meeting
- Cover sheet for tenant satisfaction surveys
- Tenant Satisfaction Survey 667 Program

September 27, 2023

To Whom it May Concern:

Dennis Sheedy, Director of Asset Management met with the Brockton Housing Authority RAB on September 12, 2023 at Campello "B" building and presented the draft of the 2024 State Annual Plan for the Brockton Housing Authority.

Thank You,

**Carol Roberts** 

Chairperson

**RAB** 

Timothy J. Sullivan, Chairman Ernest Pettiford, Vice Chairman Carol Roberts, Assistant Treasurer Janet Trask, Member

Thomas Thibeault, Executive Director

### #23-10 Special Meeting of September 27, 2023 Extract

Chairman Timothy Sullivan called the meeting to order at 2:00 PM. Upon a roll call, those present and absent were as follows:

PRESENT Ernest Pettiford Carol Roberts Janet Trask Timothy Sullivan

ABSENT None

Mr. Sheedy explained the Approval of 2024 State Annual Plan and Five Year Capital Plan. The Annual Plan is a new requirement as part of the Housing Reform Act of 2013. The Plan is a compilation of policies, budgets and plans that have been approved by the Board in the past. It also provides public insight into the operations of the Brockton Housing Authority. This Plan has been posted on the Authority's website and hard copies were made available on request. Commissioner Pettiford made a motion, seconded by Commissioner Trask to approve the Brockton Housing Authority 2024 Annual Plan and Five Year Capital Plan as presented. Upon a roll call vote, the ayes and nays were as follows:

AYES Ernest Pettiford Janet Trask Carol Roberts Timothy Sullivan

NAYS None

The Chairman thereupon declared the motion carried.

I do hereby attest that the above is a true and correct extract for the minutes of the Special Meeting of September 27, 2023.

Thomas G. Thibeault, Secretary

Date

### Resident Surveys – Background

Since 2016 DHCD has been working with the Center for Survey Research (CSR) at the University of Massachusetts Boston to survey residents in the state public housing units it oversees. The surveys are confidential, mailed directly to residents, and returned to CSR by mail (or, starting in 2019, completed on-line). CSR surveys residents of elderly/disabled units (also known as Chapter 667) and family units (also known as Chapter 200 and Chapter 705).

During each round all units are mailed surveys, with one exception: in the case of the twelve housing authorities with more than 225 c.200 family units, a randomly selected group of 225 units was surveyed at each housing authority. This group was determined to be large enough to generate statistically useful results. In both rounds, responses from c.200 and c.705 residents are always combined.

### **Round One Surveys (2016 – 2018)**

In Round One of the surveys, CSR surveyed residents of elderly/disabled units (c.667) in three groups in the Fall of 2016, 2017 and 2018. CSR surveyed residents of family units (c.705 and c.200) in the Spring of 2016. (Note: there are many more c.667 units, so they were broken down into three groups).

### Notes on Round One Surveys

- 1. In previous publications of this survey data, if there were at least twenty responses from residents of an authority's c.667 units or from their c.200/705 units, then there is a separate report for that program.
- 2. We originally combined data from c.667 and c.200/705 units for some LHAs with limited family data. However, to be consistent with the new Round Two methodology described below, we recalculated the Round One data using the new methodology. Since we no longer combine results from the different programs several LHAs no longer have a report for their c.200/705 units given the small data set for those units.

### **Round Two Surveys (2019 – 2022)**

Round Two of the surveys began in 2019. CSR surveyed about one-third of the elderly/disabled units in Fall 2019, Fall 2021, and Fall 2022. CSR surveyed all family units in Fall 2020.

#### Notes on Round Two Surveys

- 1. We refined our reporting methodology and will issue survey results for any program (c.667 or c.200/705) meeting these requirements:
  - 8-19 completed surveys received, if the response rate is at least 40%
  - o 20-29 completed surveys received, if the response rate is at least 20%
  - 30+ completed surveys received, if the response rate is at least 15%
- 2. Responses from the family units will not be combined with responses from elderly/disabled units as they originally were in Round One. Since the variance between the results of the elderly/disabled and family programs was sometimes significant, we determined that combining the two yielded less accurate results.

### **Brockton Housing Authority**

Chapter 667 Housing Summary 2019 – 2021

DHCD is working with the Center for Survey Research at the University of Massachusetts Boston to survey residents in the housing units it oversees.

#### Fall 2019:

• Surveys were sent to 6955 housing units (Chapter 667). 3352 surveys were filled out and returned.

#### Fall 2021:

- Surveys were sent to 8350 housing units (Chapter 667). 3787 surveys were filled out and returned.
- In the **Brockton Housing Authority**, surveys were sent to a total of **200** Brockton housing units (Chapter 667); **66** surveys were completed.

This report provides some information about how the residents from the **Brockton Housing Authority** who answered the survey responded. It compares their answers to those from residents in the entire state and to those from medium LHAs in Metro Boston. These medium LHAs in Metro Boston include: Belmont, Brockton, Brookline, Canton, Milford, Norwood, Randolph and Weymouth.

### Communication

• Communication with management: Residents were asked about how they interacted with their Housing Authorities in this peer group in the last 12 months. The table below shows what percentage of residents said they did each of the following:

|   | Brockton<br>Housing<br>Authority | Medium LHAs in<br>Metro Boston* | Entire<br>State |
|---|----------------------------------|---------------------------------|-----------------|
| Felt they were usually or always treated with courtesy and respect when they contacted management | 76%                              | 78%                             | 84%             |
| Knew the Executive Director held a meeting with residents   | 38%                              | 38%                             | 43%             |

<sup>\*</sup> Medium LHAs in Metro Boston: Belmont, Brockton, Brookline, Canton, Milford, Norwood, Randolph and Weymouth.

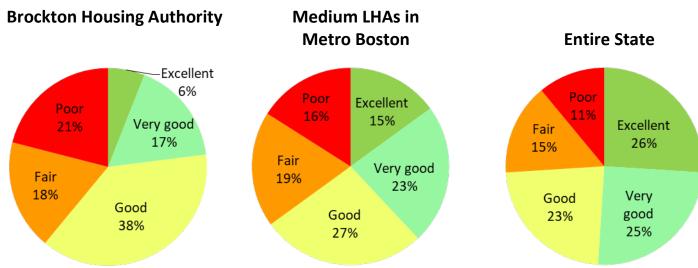

### Maintenance and Repair

**Communication with maintenance staff:** Residents were asked about their interactions with the Brockton Housing Authority maintenance staff in the last 12 months.

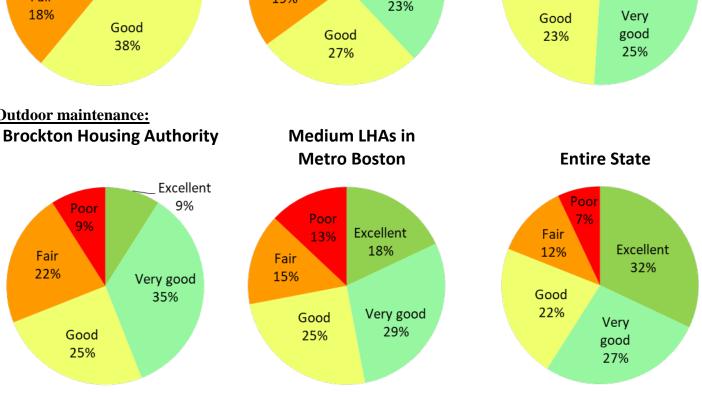

|  | Brockton<br>Housing<br>Authority | Medium LHAs<br>in Metro Boston | Entire<br>State |
|--|----------------------------------|--------------------------------|-----------------|
| Felt they were treated with courtesy and respect when they contacted maintenance | 85%                              | 83%                            | 88%             |
| Were contacted by the Housing Authority before entering their apartment          | 85%                              | 89%                            | 91%             |

Overall maintenance Respondents were asked how they would they rate overall building maintenance (such as clean halls and stairways and having lights and elevators that work) and outdoor space maintenance (such as litter removal and clear walkways) in the last 12 months.

### **Building maintenance:**

### **Outdoor maintenance:**

• **Heating and Water Problems:** About one half of respondents had a problem with their heating and about two thirds had a plumbing problem in the last 12 months.

|                         | Brockton<br>Housing<br>Authority | Medium LHAs<br>in Metro Boston | Entire<br>State |
|-------------------------|----------------------------------|--------------------------------|-----------------|
| Had any heating problem | 55%                              | 41%                            | 36%             |
| Had any water problem   | 62%                              | 61%                            | 57%             |

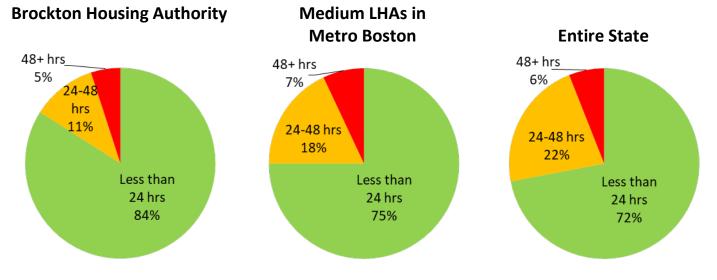

### Heating Problems

### How many times did residents completely lose heat?

The chart below shows how many times respondents had completely lost heat in the last 12 months. The green part of the bars shows what percentage of residents did not have the problem at all. The yellow shows who had the problem one time. The orange shows those who had the problem 2-3 times. And the red shows those who had the problem 4 or more times in the last 12 months.

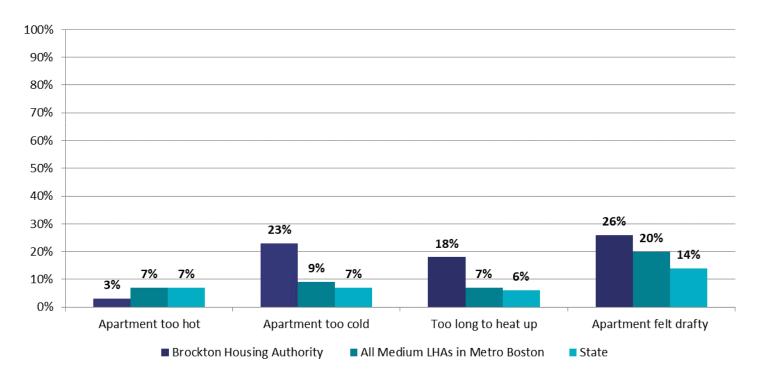

How long did it usually take for heat to come back on? For those respondents who reported completely losing heat, we asked how long it usually took for the heat to come back on – less than 24 hours, 24 - 48 hours, or more than 48 hours.

#### • Other Heating Problems

#### In the last 12 months did residents have other heating problems?

The chart below shows what percentage of residents experienced other heating problems in the last 12 months.

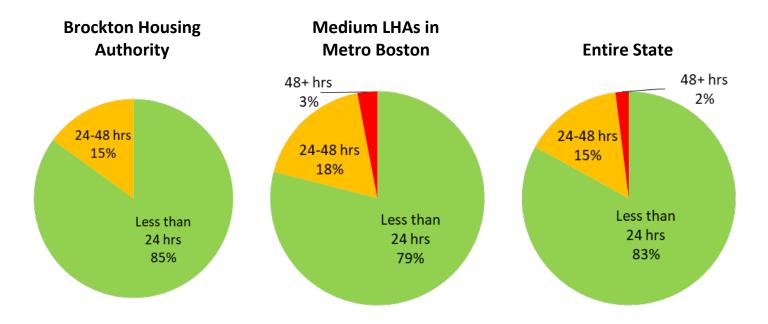

### Water or Plumbing Problems

#### How many times did residents have no hot water in their apartment?

The chart below shows how many times respondents did not have no hot water in their apartment in the last 12 months. The green part of the bars shows what percentage of residents did not have the problem at all. The yellow shows who had the problem one time. The orange shows those who had the problem 2-3 times. And the red shows those who had the problem 4 or more times in the last 12 months.

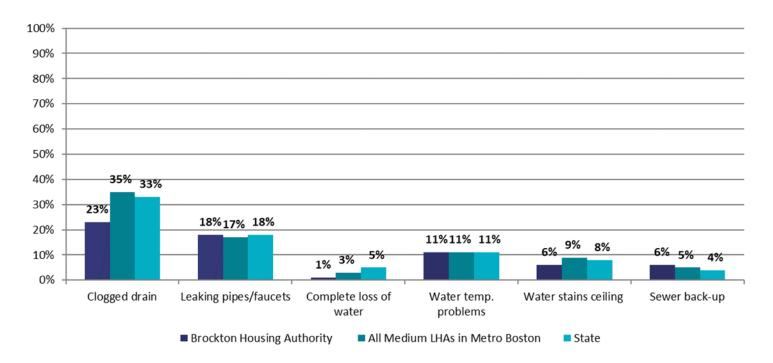

How long did it usually take for hot water to come back on? For those respondents who reported not having hot water in their apartment, we asked how long it usually took for hot water to come back on – less than 24 hours, 24 - 48 hours, or more than 48 hours.

### • Other Water or Plumbing Problems

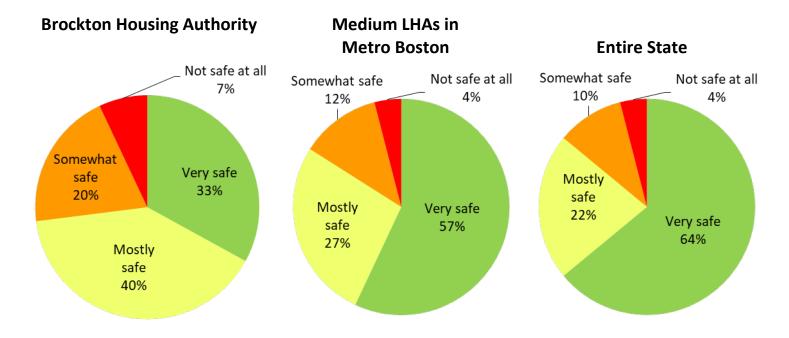

#### In the last 12 months did residents have other water or plumbing problems?

The chart below shows how many times respondents had other water or plumbing problems in the last 12 months.

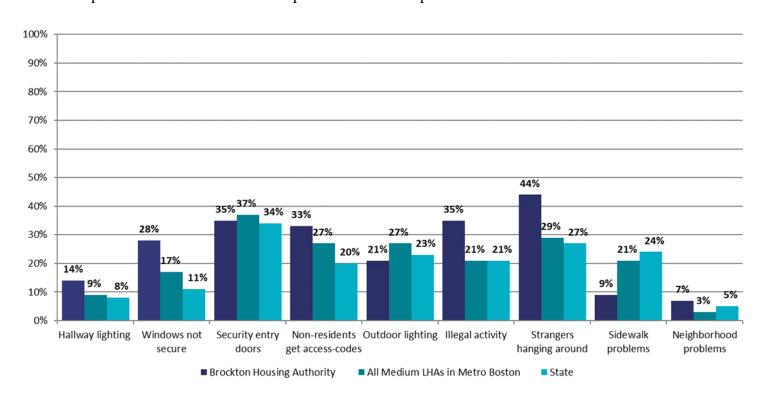

### **Safety**

**Respondents were asked how safe they felt in their development**. The charts below show what percentage of residents said they felt "very safe", "mostly" safe, "somewhat safe", or "not safe at all" in their development in the last 12 months.

**Reasons why respondents felt unsafe in their development:** Respondents were asked why they felt unsafe in their development. This chart shows what specific concerns respondents mentioned.

### **Overall Satisfaction**

Respondents were asked about their overall satisfaction living in their development. The chart below shows what percentage of people said they were "very satisfied", "mostly satisfied", "mostly dissatisfied", or "very dissatisfied".
