

Overview and Certification

Lee Housing Authority

Annual Plan for Fiscal Year 2025

For State-Aided Public Housing

The Annual Plan is a document compiled by housing authority staff in advance of each new fiscal year. The plan serves as both a tool for the Local Housing Authority (LHA) to reflect upon the prior fiscal year, and as an opportunity to develop a clear and transparent plan that builds on successes, identifies needs, and corrects any issues that have arisen in prior years. Additionally, the Annual Plan is an important tool for tenants, who may use the document to better understand the operations and needs of their housing authority, advocate for changes to policies and procedures, access data about the housing authority, and participate in their housing authority's governance.

In addition to the physical document, the Annual Plan is also a process of public engagement. Throughout the Annual Plan process, the LHA executive director or their designee will be expected to review the Plan with any Local Tenant Organizations (LTO's) and Resident Advisory Board (RAB) before the LHA presents the plan to the LHA Board of Commissioners; make a draft available for review to all residents and the general public; post on the website and make a copy available to each LTO at least 30 business days before the public hearing; hold a hearing on the document; and collect, integrate, and report back on substantive comments. Additionally, the Board will read, offer recommendations, and approve the Annual Plan in advance of its submission to DHCD.

The law that mandates the Annual Plan is [An Act Relative to Local Housing Authorities, Massachusetts General Laws, Chapter 121B Section 28A](#). The regulation that expands upon Section 28A is [760 CMR 4.16](#). The regulations that address Local Tenant Organization (LTO) and resident participation in the Annual Plan are [760 CMR 6.09 \(3\)\(h\)](#) and [760 CMR 6.09\(4\)\(a\)\(4\)](#).

The Lee Housing Authority's Annual Plan for their 2025 fiscal year includes the following components:

1. Overview and Certification
2. Capital Improvement Plan (CIP)
3. Maintenance and Repair Plan
4. Operating Budget
5. Narrative responses to Performance Management Review (PMR) findings
6. Policies
7. Waivers
8. Glossary
9. Other Elements
 - a. Public Comments and LHA Responses
 - b. Cover sheet for tenant satisfaction surveys
 - c. Tenant Satisfaction Survey 667 Program
 - d. Performance Management Review

State-Aided Public Housing Developments

The following table identifies the state-aided public housing units with developments of more than 8 units listed separately. Units in developments of 8 or fewer units are aggregated as noted. Units that the LHA provides to assist clients of the Department of Mental Health (DMH), the Department of Developmental Services (DDS), or other agencies are also aggregated separately.

Dev No	Type	Development Name	Num Bldgs	Year Built	Dwelling Units
705-02	Family	CLARKE COURT 705-02	8	1992	16
667-01	Elderly	W.J. BROWN MEMORIAL COURT 667-01	4	1973	48
	Other	Special Occupancy units	2		13
Total			14		77

LHA Board of Commissioners

	<u>Role</u>	<u>Category</u>	<u>From</u>	<u>To</u>
Sandra Cozzaglio	Chair	State Appointee	07/10/2019	07/10/2024
Marjorie Donovan			10/21/2021	10/21/2026
Jennifer Heath	Vice-Chair	Tenant	05/09/2023	05/09/2028
Thomas Logsdon	Member		07/30/2020	07/30/2025
Thomas Unsworth	Treasurer		05/17/2021	05/17/2025

Plan History

The following required actions have taken place on the dates indicated.

	REQUIREMENT	DATE COMPLETED
A.	Advertise the public hearing on the LHA website.	01/22/2024
B.	Advertise the public hearing in public postings.	01/22/2024
C.	Notify all LTO's and RAB, if there is one, of the hearing and provide access to the Proposed Annual Plan.	N/A
D.	Post draft AP for tenant and public viewing.	01/22/2024
E.	Hold quarterly meeting with LTO or RAB to review the draft AP. (Must occur before the LHA Board reviews the Annual Plan.)	N/A
F.	Annual Plan Hearing. Hosted by the LHA Board, with a quorum of members present. (For Boston, the Administrator will host the hearing.)	03/19/2024
G.	Executive Director presents the Annual Plan to the Board.	03/19/2024
H.	Board votes to approve the AP. (For Boston Housing Authority, the Administrator approves and submits the AP.)	03/19/2024

Certification

CERTIFICATION OF LHA USER AUTHORIZATION FOR DHCD CAPITAL SOFTWARE AND HOUSING APPLICATIONS

I, Deborah Pedercini, Executive Director of the Lee Housing Authority, certify on behalf of the Housing Authority that I have conducted an annual review of all Lee Housing Authority users of DHCD Capital Software applications and Housing Applications and that all current LHA users are authorized to use the systems and have the appropriate level of user access based on their job responsibility. I approve all system access and access levels for all Lee Housing Authority users.

This certification applies to the following applications:

- Capital Planning System (CPS)
- Consolidated Information Management System (CIMS)
- Cap Hub
- DHCD Housing Management Systems

CERTIFICATION FOR SUBMISSION OF THE ANNUAL PLAN

I, Deborah Pedercini, Executive Director of the Lee Housing Authority, certify on behalf of the Housing Authority that: a) the above actions all took place on the dates listed above; b) all facts and information contained in this Annual Plan are true, correct and complete to the best of my knowledge and belief and c) that the Annual Plan was prepared in accordance with and meets the requirements of the regulations at 760 CMR 4.16 and 6.09.

The Board and Executive Director further certify that LHA operations and all LHA Board-adopted policies are in accordance with M.G.L. c. 121B and all Massachusetts state-aided public housing regulations, including, but not limited to 760 CMR 4.00; 5.00; 6.00; 8.00; and 11:00, as well as adhere to Department-promulgated guidance.

Date of certification: 03/20/2024

This Annual Plan (AP) will be reviewed by the Department of Housing and Community Development (DHCD) following the public comment period, the public hearing, and LHA approval.

Capital Improvement Plan (CIP)**Capital Improvement Plan****DHCD Description of CIPs:**

The Capital Improvement Plan (CIP) is a five year plan which identifies capital projects, provides a planning scope, schedule and budget for each capital project and identifies options for financing and implementing the plan. The CIP identifies anticipated spending for each Department of Housing and Community Development (DHCD) fiscal year (July 1 to June 30) based on the project schedules.

Local Housing Authorities (LHAs) receive yearly awards from DHCD (Formula Funding Awards) which they target to their most urgent capital needs in their CIP. They may also receive special awards from DHCD for specific projects which meet specific criteria. Special awards may be given for certain emergency, regulation compliance, energy and water conservation, and other projects. The first three years of the CIP are based on actual awards made to the LHA, while years four and five are based on estimated planning amounts, not actual awards.

LHAs may sometimes secure other sources of funding and assistance that you will note in their CIP, such as: Community Preservation Act (CPA) funding, Community Development Block Grant (CDBG) funding, Local Affordable Housing Trust Funds (AHTF), HOME grants, income from leasing a cell tower on their property, savings from net meter credit contracts with solar developers, utility rebates and contracted work from utility providers, and Sheriff's Department work crews. However, not all of these funding sources are available every year, or in all communities.

The CIP includes the following parts:

- A table of available funding sources and amounts
- A list of planned capital projects showing spending per fiscal year
- A table showing special awards and other funding for targeted projects, if any, which supplements Formula Funding awarded to the LHA
- A 'narrative' with a variety of additional information.

Capital Improvement Plan (CIP)**Aggregate Funding Available for Projects in the First Three Years of the CIP:**

Category of Funds	Allocation	Planned Spending	Description
Balance of Formula Funding (FF)	\$264,622.53		Total of all FF awards minus prior FF spending
LHA Emergency Reserve	\$26,462.25		Amount to reserve for emergencies
Net FF Funds (First 3 Years of the CIP)	\$238,160.28	\$417,363.17	Funds to plan & amount actually planned in the first 3 years of the CIP
ADA Set-aside	\$1,156.36	\$1,156.36	Accessibility projects
DMH Set-aside	\$0.00	\$0.00	Dept. of Mental Health facility
DDS Set-aside	\$29,132.91	\$29,132.91	Dept. of Developmental Services facility
Unrestricted Formula Funding (FF)	\$207,871.01	\$387,073.90	Funds awarded by DHCD to be used on projects selected by the LHA and approved by DHCD.
Special DHCD Funding	\$1,194,602.20	\$1,194,602.20	Targeted awards from DHCD
Community Development Block Grant (CDBG) Funds	\$0.00	\$0.00	Federal funds awarded by a city or town for specific projects.
Community Preservation Act (CPA) Funds	\$0.00	\$0.00	Community Preservation Act funds awarded by a city or town for specific projects.
Operating Reserve(OR) Funds	\$0.00	\$0.00	Funds from the LHA's operating budget.
Other Funds	\$0.00	\$0.00	Funds other than those in the above categories. See explanation below.
Total funds and planned spending	\$1,432,762.48	\$1,611,965.37	Total of all anticipated funding available for planned projects and the total of planned spending.

Capital Improvement Plan (CIP)**CIP Definitions:**

ADA Set-aside is funding allocated within the Formula Funding (FF) for use on projects that improve accessibility for people with disabilities. 10% of FF awards are designated for this purpose.

Available State Bond Funding is the amount of State Bond Funding available to the LHA for the first three years of the CIP. It is calculated by totaling all of FF and Special Awards granted to the LHA through the end of the third year of the plan and subtracting the amount of these funds spent prior to July 1 of the first year of the plan.

Amount spent prior to the plan is the total amount of Formula Funding (FF) and Special Awards spent prior to July 1 of the first year of the plan.

Capital project is a project that adds significant value to an asset or replaces building systems or components. Project cost must be greater than \$1000.

CDBG stands for Community Development Block Grant, a potential source of project funds.

CPA stands for Community Preservation Act, a potential source of project funds.

CapHub Project Number is the number given to projects entered into DHCD's project management system known as CapHub.

DMH Set-aside is funding allocated within the Formula Funding (FF) for use on facilities leased to the Department of Mental Health (DMH) program vendors, if any exist at this LHA.

DDS Set-aside is funding allocated within the Formula Funding (FF) for use on facilities leased to the Department of Developmental Services (DDS) program vendors, if any exist at this LHA.

Formula Funding (FF) is an allocation of state bond funds to each LHA according to the condition (needs) of its portfolio in comparison to the entire state-aided public housing portfolio.

Operating Reserve is an account, funded from the LHA operating budget, primarily used for unexpected operating costs, including certain extraordinary maintenance or capital projects.

Other Funds could include other funding by the city or town or from other sources.

Special Awards are DHCD awards targeted to specific projects. Award programs include funds for emergencies beyond what an LHA can fund, for complying with regulatory requirements, for projects that will save water or energy use, and various other programs the department may run from time to time.

Total Cost is the sum of investigation, design, administration, permitting, and construction costs for a project

Unrestricted Formula Funding (FF) is money awarded to the LHA by DHCD under the Formula Funding program other than amounts set aside (restricted) for accessibility improvements or for facilities operated by DMH or DDS.

Capital Improvement Plan (CIP)**Regional Capital Assistance Team**

Lee Housing Authority participates in the Regional Capital Assistance Team (RCAT) program and project implementation responsibilities are as follows:

- o For projects with construction cost under \$10,000, the LHA has the sole responsibility to initiate, implement and manage the project. RCAT offers technical assistance upon request.

- o For projects with construction cost between \$10,000 and \$100,000 the RCAT will have lead responsibility to initiate, implement and manage the project with both DHCD and LHA involvement and oversight throughout the process. For projects in this range, the LHA will work with the RCAT Project Manager who will contact the LHA to initiate projects.

- o For projects with construction cost over \$100,000, or projects below that threshold that are complex or have a subsequent phase that exceeds \$100,000 construction cost, DHCD will take the lead and draft a WO or RFS to hire a designer to prepare plans and specs. RCAT will not be involved in the implementation of projects in this range and the LHA will continue to work directly with the DHCD Project Manager and DHCD design staff.

Capital Improvement Plan (CIP) Narrative

Including Requests to DHCD & Supporting Statements

1. Request for increased spending flexibility.

DHCD designates a spending target (cap share) and an allowable spending range for each year of the CIP. A Housing Authority may request to shift the cap shares of the first three years in order to increase scheduling flexibility. A CIP utilizing this flexibility is called an Alternate CIP. The total spending over three years and over five years must continue to meet the limits set by DHCD. DHCD will approve an Alternate CIP only with acceptable justification and only if funding is available.

Lee Housing Authority has not submitted an Alternate CIP.

2. Request for additional funding.

A Housing Authority may request additional funding from DHCD for projects that qualify as emergencies, required legal compliance upgrades, or sustainability improvements.

Lee Housing Authority has requested \$84,158.00 in DHCD Compliance Reserve funding for project #150-667-01-0-24-91, Kitchen Fan and Hood Replacement. Reason: LHA seeks compliance-sustainability reserves to correct air quality issues in units. The new venting installed during the roof project has caused smells to travel between units. New hood vents need to be circulating and upgraded from original components

3. Overall goals of the Housing Authority's CIP

Lee Housing goal is to seek projects that will protect and enhance the entire portfolio. We have chosen projects throughout out properties and placed them in line to meet the needs of our tenants, protect the properties from decline and to meet our goals to provide safe, clean affordable housing to our residents.

4. Changes from the Housing Authority's previous CIP

Every new CIP differs from the previous CIP because projects have been completed and a new year has been added with new projects. These changes and other significant changes to the content of the CIP are highlighted below:

Lee has made no major changes to the formula fund projects. We are seeking compliance and or sustainability funds to correct an issue with air quality in residential units at our 667-1 location. The venting installed during the roof project has created heat loss, odor issues and the design problem must be corrected.

We have added and adjusted our new project dates in accordance with meeting the current needs of the portfolio.

5. Requirements of previous CIP approval

There were no special conditions attached to the approval of our previous CIP.

6. Quarterly capital reports

Our most recent quarterly capital report (form 80 and 90) was submitted on 10/17/2023.

7. Capital Planning System (CPS) updates

Our CPS facility data has been updated with current condition information, including changes resulting from projects completed in the past year, as of 01/09/2024.

8. Project priorities

All the projects in our CIP are high priority (Priority 1 and 2 projects).

9. High priority deficiencies

We have included all of our high priority (CPS priority 1 and 2) projects in our CIP.

10. Accessibility

We are not aware of any accessibility deficiencies in our portfolio.

11. Special needs development

Lee Housing Authority has one or more special needs (167 or 689 programs) development. We have completed the service provider input process according to the required procedures detailed in the lease agreement and held an annual meeting with the service provider staff at all special needs developments as of 10/26/2023.

12. Energy and water consumption

Our 12 most recent monthly energy reports are for months 12/2022 to 11/2023.

The following table lists the DHCD thresholds for Per Unit Monthly (PUM) expense for electricity, natural gas, oil, and water use and the developments at the Housing Authority that have expenses in excess of the thresholds, if any.

	Electric PUM > Threshold	Gas PUM > Threshold	Oil PUM > Threshold	Water PUM > Threshold
Threshold PUM:	\$100	\$80	\$50	\$60

667-01

No developments exceed threshold values.

We seek compliance funds to update the kitchen fans. Since the new venting system went into the building the new fans have been removing heat but not odors.

13. Energy or water saving initiatives

Lee Housing Authority is not currently pursuing any energy or water-saving audits or grants that could affect CIP project scope, costs or timing of projects.

14. Vacancy rate

Our unadjusted vacancy rate reported to DHCD is as follows. (The unadjusted vacancy rate captured in these figures is the percentage of ALL housing units that are vacant, including both offline units being used for other purposes and units with DHCD vacancy waivers.)

8% c. 667 (DHCD Goal 2%)

0% c. 200 (DHCD Goal 2%)

13% c. 705 (DHCD Goal 2%)

Lee Housing Authority will address the excess vacancies in the following manner:

LHA continues to add unit renovation projects into our plan to assist with renovations and seeking outside vendors to assist in reducing the turnover time.

Maintenance and Repair Plan**Maintenance Objective**

The goal of good property maintenance at a public housing authority is to serve the residents by assuring that the homes in which they live are decent, safe, and sanitary.

About This Maintenance and Repair Plan

This Maintenance & Repair Plan consists of several subsections describing maintenance systems followed by charts showing typical preventive maintenance, routine maintenance, and unit inspection tasks and schedules. These subsections are:

- a. **Classification and Prioritization of Maintenance Tasks** - Defines and prioritizes types of work to be accomplished by maintenance staff and vendors. Explains how the housing authority is expected to respond to work orders (tasks or requests) based on the work order classification.
- b. **Emergency Response System** - Defines what constitutes an emergency and how to notify staff of an emergency.
- c. **Normal Maintenance Response System** - How to contact the maintenance staff for a non-emergency request.
- d. **Work Order Management** - Description of the housing authority's system for managing work orders (tasks and requests).
- e. **Maintenance Plan Narrative & Policy Statement** - Self-assessment, basic information, and goals for the coming year, along with a description of the housing authority's maintenance program.
- f. **Preventive Maintenance Schedule** - A listing and schedule of tasks designed to keep systems and equipment operating properly, to extend the life these systems and equipment, and to avoid unexpected breakdowns.
- g. **Routine Maintenance Schedule** - A listing and schedule of ordinary maintenance tasks such as mopping, mowing, raking, and trash collection required to keep the facilities in good condition.
- h. **Unit Inspections** - Scheduling of annual unit inspections.

Classification and Prioritization of Maintenance Tasks

Maintenance items are tracked as “work orders” and are classified in the following categories. They are prioritized in the order listed. The following classifications and prioritization are required by the Department of Housing and Community Development (DHCD).

- I. **Emergencies** - Emergencies are only those conditions which are **immediately threatening** to the life or safety of our residents, staff, or structures.
 - **Goal: initiated with 24 to 48 hours.**
- II. **Vacancy Refurbishment - Work necessary to make empty units ready for new tenants.**
 - After emergencies, the refurbishment of vacancies for immediate re-occupancy has the highest priority for staff assignments. **Everyday a unit is vacant is a day of lost rent.**
 - **Goal: vacancy work orders are completed within 30 calendar days or if not completed within that timeframe, LHA has a waiver.**
- III. **Preventive Maintenance** - Work which must be done to **preserve and extend the useful life** of various elements of your physical property and avoid emergency situations.
 - A thorough Preventive Maintenance Program and Schedule that deals with all elements of the physical property is provided later in the document.
 - The Preventive Maintenance Program is reviewed and updated annually and as new systems and facilities are installed.
- IV. **Programmed Maintenance** - Work which is important and is completed to the greatest extent possible within time and budget constraints. Programmed maintenance is grouped and scheduled to make its completion as efficient as possible. Sources of programmed maintenance include:
 - Routine Work includes those tasks that need to be done on a regular basis to keep our physical property in good shape. (Mopping, Mowing, Raking, Trash, etc.)
 - Inspections are the other source of programmed maintenance.
 - o Inspections are visual and operational examinations of parts of our property to determine their condition.
 - o All dwelling units, buildings and sites must be inspected at least annually.
 - o **Goal: Inspection-generated work orders are completed within 30 calendar days from the date of inspection, OR if cannot be completed within 30 calendar days, are added to the Deferred Maintenance Plan or the Capital Improvement Plan in the case of qualifying capital repairs (unless health/safety issue).**
- V. **Requested Maintenance** - Work which is requested by residents or others, does not fall into any category above, and should be accomplished as time and funds are available.
 - Requests from residents or others for maintenance work which does not fall into one of the other categories has the lowest priority for staff assignment.
 - **Goal: Requested work orders are completed in 14 calendar days from the date of tenant request or if not completed within that timeframe (and not a health or safety issue), the task is added and completed in a timely manner as a part of the Deferred Maintenance Plan and/or CIP.**

Emergency Request System

For emergency requests call the numbers listed here. Qualifying emergency work requests are listed below.

METHOD	CONTACT INFO.	TIMES
Call Answering Service	413-243-3464	24 Hrs.
Call LHA at Phone Number	413-243-3464	M-F 8:00AM - 12:00PM
Other	413-441-6762	After-hours maintenance number

List of Emergencies - Emergencies are those conditions which are immediately threatening to the life or safety of our residents, staff, or structures. The following is a list of typical conditions that warrant an emergency response. If there is an emergency condition whether or not enumerated on this list please notify the office or answering service at the numbers listed above. If you have any questions regarding this list or other matters that may constitute an emergency, please contact the Lee Housing Authority main office.

QUALIFYING EMERGENCY WORK REQUESTS
Fires of any kind (Call 911)
Gas leaks/ Gas odor (Call 911)
No electric power in unit
Electrical hazards, sparking outlets
Broken water pipes, flood
No water/ unsafe water
Sewer or toilet blockage
Roof leak
Lock outs
Door or window lock failure
No heat
No hot water
Snow or ice hazard condition
Dangerous structural defects
Inoperable smoke/CO detectors, beeping or chirping
Inoperable refrigerator

Normal Maintenance Request Process

Make normal (non-emergency) maintenance requests using the following methods:

METHOD	CONTACT INFO.	TIMES
Text Phone Number		
Call Answering Service		
Call Housing Authority Office	413-243-3464	M-F 8:00AM - 12:00PM

Other	Complete paper	24 Hrs. drop off at office

Work Order Management

A. DHCD review of this housing authority’s operations shows that the authority uses the following system for tracking work orders:

Type of work order system:

Work order classification used:

Emergency	
Vacancy	
Preventative Maintenance	
Routine	
Inspections	
Tenant Requests	

B. We also track deferred maintenance tasks in our work order system.

C. Our work order process includes the following steps:

Step	Description	Checked steps are used by LHA
1	Maintenance Request taken/submitted per the standard procedures listed above for the Emergency Request System and the Normal Maintenance Request Process.	<input checked="" type="checkbox"/>
2	Maintenance Requests logged into the work system	<input checked="" type="checkbox"/>
3	Work Orders generated	<input checked="" type="checkbox"/>
4	Work Orders assigned	<input checked="" type="checkbox"/>
5	Work Orders tracked	<input checked="" type="checkbox"/>
6	Work Orders completed/closed out	<input checked="" type="checkbox"/>
7	Maintenance Reports or Lists generated	<input checked="" type="checkbox"/>

D. Additional comments by the LHA regarding work order management:

We use PHA Network for work orders, all types.

Maintenance Plan Narrative

Following are Lee Housing Authority’s answers to questions posed by DHCD.

A. Narrative Question #1: How would you assess your Maintenance Operations based on feedback you’ve received from staff, tenants, DHCD’s Performance Management Review (PMR) & Agreed Upon Procedures (AUP), and any other sources?

We have received favorable feedback from our tenants as our maintenance staff goes above and beyond.

B. Narrative Question #2: What changes have you made to maintenance operations in the past year?

This year, our full time and part time maintenance employees have retired, and new staff have been hired. We continue to educate our staff on new procedures and products as well as attending trainings that will assist in health and safety measures for our staff and residents.

C. Narrative Question #3: What are your maintenance goals for this coming year?

Our maintenance goals for this coming year are to continue our preventive maintenance and update outdated landscaping equipment.

D. Maintenance Budget Summary

The budget numbers shown below are for the consolidated budget only. They do not include values from supplemental budgets, if any.

	Total Regular Maintenance Budget	Extraordinary Maintenance Budget
Last Fiscal Year Budget	\$113,427.00	\$25,000.00
Last Fiscal Year Actual Spending	\$81,961.00	\$26,943.00
Current Fiscal Year Budget	\$129,963.00	\$27,740.00

E. Unit Turnover Summary

# Turnovers Last Fiscal Year	4
Average time from date vacated to make Unit "Maintenance Ready"	0 days
Average time from date vacated to lease up of unit	0 days

Attachments

These items have been prepared by the Lee Housing Authority and appear on the following pages:

Preventive Maintenance Schedule - a table of preventive maintenance items showing specific tasks, who is responsible (staff or vendor), and the month(s) they are scheduled

Deferred Maintenance Schedule - a table of maintenance items which have been deferred due to lack of resources.

PREVENTIVE MAINTENANCE SCHEDULE

MONTHLY

JANUARY TASKS

1. Monitor on-going snow/ice removal/cleared fire hydrants
2. Keep exhaust and intake vents free of snow and keep dryer exhaust vents free of snow
3. Keep community room vacuumed to be free from ice melt
4. Check boilers in the 705 and 689 programs
5. Clean trash huts
6. Check Smoke and Carbon Monoxide detectors in common areas
7. Check interior emergency lighting
8. Vehicle Maintenance:
 - a. Check all fluids levels (oil, etc.)
 - b. Check antifreeze and radiator
 - c. Check windshield washer fluid and wiper blades
 - d. Check belts and hoses
 - e. Check tires for sign of uneven wear
 - f. Check heater and defroster
 - g. Check underneath and rinse off or take to car wash
9. Lease enforcement: snow removal from front/rear egress @705

FEBRUARY TASKS

1. Monitor on-going snow/ice removal/cleared fire hydrants
2. Keep exhaust and intake vents free of snow and keep dryer exhaust vents free of snow
3. Keep community room vacuumed to be free from ice melt
4. Change boiler filters in 689 houses/Contact Pittsfield Pipers for Maintenance
5. Check Smoke and Carbon Monoxide detectors in common areas
6. Check interior emergency lighting
7. Vehicle Maintenance:
 - a. Check all fluids levels (oil, etc.)
 - b. Check antifreeze and radiator
 - c. Check windshield washer fluid and wiper blades
 - d. Check belts and hoses
 - e. Check tires for sign of uneven wear
 - f. Check heater and defroster
 - g. Check underneath and rinse off or take to car wash
8. Lease enforcement: common hallways and stairs free from all obstructions

MARCH TASKS

1. Monitor on-going snow/ice removal/cleared fire hydrants
2. Keep exhaust and intake vents free of snow and keep dryer exhaust vents free of snow
3. Keep community room vacuumed to be free from ice melt
4. Reset light timers and clock for daylight savings time
5. Check Smoke and Carbon Monoxide detectors in common areas
6. Check interior emergency lighting
7. Clean storage room and maintenance garage
8. Inventory of supplies and small parts
9. Touch up all common areas with paint (if time allows)
10. Clean heater vents in community building
11. Vehicle Maintenance:
 - a. Check all fluids levels (oil, etc.)
 - b. Check antifreeze and radiator
 - c. Check windshield washer fluid and wiper blades
 - d. Check belts and hoses
 - e. Check tires for sign of uneven wear
 - f. Check heater and defroster
 - g. Check underneath and rinse off or take to car wash
12. Vehicle Inspection Sticker and have oil changed if needed
13. Lease enforcement: furniture, trash and debris free from exteriors

APRIL TASKS

1. Service lawn equipment
2. Inspect roofs and siding
3. Clean trash huts
4. Cleaning of parking areas, roadways, walkways and drains
5. Check Smoke and Carbon Monoxide detectors in common areas
6. Check interior emergency lighting
7. Inspect trees and shrubs, trim as needed (maintain 10ft distance from building)
8. Turn on outdoor faucets
9. Inspect units @ 667
 - a. Inspect all entry doors @ 667
 - b. Clean bathroom exhaust fans @ 667
 - c. Inventory refrigerators and stove @ 667
 - d. Change batteries in smoke detectors @ 667
10. Clean out dryer vent in laundry room in community building. Done by CSC Laundry
11. Clean carpeting in stairwells
12. Shampoo carpeting in community room
13. Vehicle Maintenance:

- a. Check all fluid levels (oil, etc.)
- b. Check antifreeze and radiator
- c. Check windshield washer fluid and wiper blades
- d. Check belts and hoses
- e. Check tires for signs of uneven wear
- f. Check heater and defroster/AC
- g. Check underneath and rinse off or take to car wash

14. Lease enforcement: common hallways and stairs free from all obstructions

MAY TASKS

1. Check that A/C units are properly installed @ 705
2. Unit inspections @ 705
 - a. Inspect all entry doors
 - b. Clean out dryer vents @ 705
 - c. Inventory refrigerators and stoves @705
 - d. Change batteries in all smoke detectors and CO detectors @ 705
 - e. Clean out bathroom exhaust fans @ 705
3. Check Smoke and Carbon Monoxide detectors in common areas
4. Check interior emergency lighting
5. Vehicle Maintenance:
 - a. Check all fluid levels, (oil, etc.)
 - b. Check antifreeze and radiator
 - c. Check windshield washer fluid and wiper blades
 - d. Check belts and hoses
 - e. Check tire for signs of uneven wear
 - f. Check heater and defroster/AC
 - g. Check underneath and rinse off or take to car wash
6. Check sidewalks and driveways for damage and repair as needed
7. Lease enforcement: cooking grills and fire pits

JUNE TASKS

1. Keep up on maintenance of lawn mowers, weed whackers, etc.
2. Change A/C filters and turn A/C on in community building
3. Check Smoke and Carbon Monoxide detectors in common areas
4. Check interior emergency lighting
5. Inspect side railings, walkways and stairs for potential hazards. Identify and repair
6. Clean storage room and maintenance garage
7. Inventory of supplies and small parts
8. Vehicle Maintenance:
 - a. Check all fluid levels (oil, etc.)

- b. Check antifreeze and radiator
 - c. Check windshield washer fluid and wiper blades
 - d. Check belts and hoses
 - e. Check tires for signs of uneven wear
 - f. Check heater and defroster/AC
 - g. Check underneath and rinse off or take to car wash
9. Lease enforcement:
- a. pools, trampolines, and swing sets
 - b. furniture, trash, and debris free from exteriors

JULY TASKS

1. Inspect gutters, downspouts and splash blocks – repair as needed
2. Inspect common area windows and clean
3. Inspect and repair site fencing
4. Check Smoke and Carbon Monoxide detectors in common areas
5. Check interior emergency lighting
6. Clean trash huts
7. Vehicle Maintenance:
 - a. Check all fluid levels (oil, etc.)
 - b. Check antifreeze and radiator
 - c. Check windshield washer fluid and wiper blades
 - d. Check belts and hoses
 - e. Check tires for signs of uneven wear
 - f. Check heater and defroster/AC
 - g. Check underneath and rinse off or take to car wash
8. Lease enforcement: pets

AUGUST TASKS

1. Keep up on maintenance of lawn mowers, weed whackers, etc.
2. Check Smoke and Carbon Monoxide detectors in common areas
3. Check interior emergency lighting
4. Vehicle Maintenance:
 - a. Check all fluid levels (oil, etc.)
 - b. Check antifreeze and radiator
 - c. Check windshield washer fluid and wiper blades
 - d. Check belts and hoses
 - e. Check tires for signs of uneven wear
 - f. Check heater and defroster/AC
 - g. Check underneath and rinse off or take to car wash
5. Lease enforcement: common hallways and stairs free from all obstructions

SEPTEMBER TASKS

1. Check electrical panels in maintenance shop
2. Check Smoke and Carbon Monoxide detectors in common areas
3. Check interior emergency lighting
4. Schedule boiler cleanings at 705 and 689
5. Touch up all common area paint (if time allows)
6. Clean storage room and maintenance garage
7. Inventory of supplies and small parts
8. Vehicle Maintenance:
 - a. Check all fluid levels (oil, etc.)
 - b. Check antifreeze and radiator
 - c. Check windshield washer fluid and wiper blades
 - d. Check belts and hoses
 - e. Check tires for signs of uneven wear
 - f. Check heater and defroster/AC
 - g. Check underneath and rinse off or take to car wash
9. Lease enforcement: unregistered vehicles

OCTOBER TASKS

1. Fire prevention month – check all fire systems
2. Check Smoke and Carbon Monoxide detectors in common areas
3. Check interior emergency lighting
4. Inspect trees and shrubs, trim as needed (maintain 10ft distance from building)
5. Buy and stock ice melt
6. Clean trash huts
7. Service snow blowers
8. Clean parking areas, roadways, driveways, walkways and storm drains
9. Clean, service and store lawn equipment
10. Vehicle Maintenance:
 - a. Check all fluid levels (oil, etc)
 - b. Check antifreeze and radiator
 - c. Check windshield washer fluid and wiper blades
 - d. Check belts and hoses
 - e. Check tires for signs of uneven wear
 - f. Check heater and defroster/AC
 - g. Check underneath and rinse off or take to car wash
11. Check plow for truck
12. Inventory supplies and small parts
13. Lease enforcement: decorations, electrical cords running thru doors/windows, no corn stalks or hay bales near units

NOVEMBER TASKS

1. Reset light timers and clocks for daylight savings time
2. Gutter cleaning – Contract out
3. Clean up leaves on all properties
4. Shut off all outdoor faucets
5. Keep exhaust and intake vents free of snow and keep dryer exhaust vents free of snow
6. Monitor on-going snow/ice removal/cleared fire hydrants
7. Keep community room vacuumed to be free from ice melt
8. Check Smoke and Carbon Monoxide detectors in common areas
9. Check interior emergency lighting
10. Inventory of supplies and small parts
11. Vehicle Maintenance:
 - a. Check all fluid levels (oil, etc.)
 - b. Check antifreeze and radiator
 - c. Check windshield washer fluid and wiper blades
 - d. Check belts and hoses
 - e. Check tires for signs of uneven wear
 - f. Check heater and defroster/AC
 - g. Check underneath and rinse off or take to car wash
12. Lease enforced: common hallways and stairs free from all obstructions and check decorations

DECEMBER TASKS

1. Monitor on-going snow/ice removal/cleared fire hydrants
2. Keep exhaust and intake vents free of snow and keep dryer exhaust vents free of snow
3. Check Smoke and Carbon Monoxide detectors in common areas
4. Keep community room vacuumed to be free from ice melt
5. Clean storage room and maintenance garage
6. Inventory of supplies and small parts
7. Vehicle Maintenance:
 - a. Check all fluid levels (oil, etc.)
 - b. Check antifreeze and radiator
 - c. Check windshield washer fluid and wiper blades
 - d. Check belts and hoses
 - e. Check tires for signs of uneven wear
 - f. Check heater and defroster/AC
 - g. Check underneath and rinse off or take to car wash
8. Lease enforcement: decoration – electrical cords running thru doors/windows and no live Christmas trees

Routine Maintenance

DAILY

Meet with Executive Director for any maintenance issues
Check all outside dumpster for overflow, cleanliness, etc.
Check laundry room for cleanliness; remove debris
Check kitchen for cleanliness; remove debris
Check community room for any issues
Check restrooms for cleanliness
Check grounds for debris
Routine work orders
Deal with any maintenance emergency
Complete daily report

WEEKLY

Mop restrooms, kitchen & laundry room floors
Clean toilets, sinks & mirrors
Empty trash in restrooms & replenish hand towels/toilet paper
Empty trash in offices 2 x's a week
Vacuum community room and offices
Electrical maintenance (outside lighting)

MONTHLY

Clean kitchen – cabinets, floor, sink & appliances
Check all time clocks (outside lighting on ½ hour before sunset and off ½ hour after sunrise)
Sweep sidewalks
Clean and organize shop area & maintenance garage
Sweep/vacuum all stairwells

BIANNUALLY

Clean glass in community room

ANNUALLY

Inspect all units (667, 705, 689) with Executive Director

Clean all bathroom fan motors

Smoke alarms/CO detector – install new batteries during unit inspections and test

Test all apartment emergency pull cords and light

Clean filters/dryer hoses/vents on clothes dryers in 705 units

Clean all outdoor lighting fixtures/lenses

Set up furnace cleanings for 705/689

Set up fire alarm inspections for 689 (Laurel Street)

Inventory all tools and equipment

SEASONAL

Cut all grass areas/weed wack

Sweep sand in parking lot as needed

Repaint lines if needed

Trim trees/shrubs

Snow/ice removal

Change all storm windows/screens in apartment doors

Paint and clean vacant apartments when needed

Lee Housing Authority

Deferred Maintenance Report

For work orders deferred between 1/1/2024 and 1/31/2024

Date Deferred	Work Description	Location/ Bldg/Unit	Reason Deferred	Estimated Costs	Material Needed	Original Work Order No.	Target Completion Date	Actual Completion Date	Other Comments
---------------	------------------	------------------------	-----------------	-----------------	-----------------	-------------------------------	------------------------------	------------------------------	----------------

Operating Budget

The tables on the following pages show the approved budget and actual income and spending per budget account (row) for the fiscal year ending 06/30/2023. It also shows the approved budget for the current year (2024) if there is one, and the percent change from last year's spending to this year's approved budget. The final column shows the current approved amount for each account divided by the number of housing units and by 12 months to show the amount per unit per month (PUM). The chart does not show a draft budget for the coming fiscal year as that will typically be developed in the final month of the fiscal year.

The budget format and accounts are mandated by the Department of Housing and Community Development (DHCD). For a better understanding of the accounts and discussion of special situations see the notes following the budget tables and the "Definitions of Accounts" at the end of this section.

The LHA maintains a consolidated budget (400-1) for all state-aided 667 (Elderly), 200 (family), and 705 (scattered site family) developments owned by the LHA. It does not maintain separate budgets for each development.

Operating Reserve

The LHA's operating reserve is the amount of funds that an LHA sets aside to sustain itself during lean years, or to remedy urgent health and safety concern or address deferred maintenance items. In addition, while DHCD approves a fixed non-utility operating budget level for every LHA (called the Allowable Non-Utility Expense Level, or ANUEL), LHAs can propose a budget that exceeds that level, with the additional cost to be funded from the Operating Reserve, as long as the reserve will still remain above the minimum threshold set by DHCD.

DHCD defines a full (100%) Operating Reserve (OR) amount to be equal to one-half of the previous year's operating expenses and requires LHAs to maintain a minimum OR of 35% of this amount to cover any unplanned but urgent needs that may arise during the year and that can't be funded by the operating budget. If the reserve is between 20% and 35% of the full level, the LHA must obtain prior written approval from DHCD to spend reserve funds, unless the expense is to resolve a health and safety issue. If the reserve is below the 20% level, the LHA can only spend OR funds on health and safety issues. In both cases, the LHA should address the health and safety issue immediately but must retroactively inform DHCD and obtain its approval.

The Lee Housing Authority operating reserve at the end of fiscal year 2023 was \$168,277.00, which is 78.1% of the full reserve amount defined above.

Consolidated Budget (400-1) for all state-aided 667 (Elderly), 200 (family), and 705 (scattered site family) developments owned by Lee Housing Authority.

7600	EXCESS REVENUE OVER EXPENSES	\$5,360.00	\$-202,275.00	\$12,856.00	-106.4%	\$16.74

Explanation of Budget Accounts

The following explains how each of the line items is to be prepared.

3110: Shelter Rent: The shelter rent projection should be based on the current rent roll plus anticipated changes expected from annual rent re-determinations or as a result of regulatory amendments.

3111: Shelter Rent – Tenants - Fraud/Retroactive: This account should be used for the reporting of total rent receipts from residents due to unreported income. These are often called fraud or retroactive balances. In cases where deficit LHAs discover, pursue cases, and have entered into a written fraud/retroactive re-payment agreement **with a present or former tenant who did not report income**, the LHA will be allowed to retain two-thirds of the funds recovered. One third of the total dollar amount recovered should be included in the LHA's quarterly or year-end Operating Statement as Shelter Rent, account #3111, and two-thirds of this total dollar amount should be included in Other Revenue-Retained, account #3691.

3115: Shelter Rent - Section 8: This account applies only to those developments receiving support through the federal government's Housing and Urban Development (HUD) Section 8 New Construction and/or Substantial Rehab Programs.

3190: Non-Dwelling Rental: This account should be credited with the rents, other than tenants rents reported in line 3110 and 3115, including charges for utilities and equipment, billed to lessees of non-dwelling facilities as well as apartments rented for non-dwelling purposes, such as social service programs.

3400: Administrative Fee- MRVP/AHVP: This account should be credited with Administrative Fees to be received for the MRVP/AHVP Program. The MRVP/AHVP administrative fee is \$50.00 per unit per month, as of July 1, 2020.

3610: Interest on Investments – Unrestricted: This account should be credited with interest earned on unrestricted administrative fund investments.

3611: Interest on Investments – Restricted: This account should be credited with interest earned on restricted administrative fund investments. For example, an LHA may receive a grant whose use is restricted to a specific purpose, and the interest income earned on that grant may also be restricted to the same purpose.

3690: Other Operating Revenues: This account should be credited with income from the operation of the project that cannot be otherwise classified. Income credits to this account include, but are not limited to, penalties for delinquent payments, rental of equipment, charges for use of community space, charges to other projects or programs for the use of central office management and maintenance space, commissions and profits from vending machines, including washing machines, and certain charges to residents for additional services, materials, and/or repairs of damage caused by neglect or abuse in accordance with the Department's regulations on lease provisions..

3691: Other Revenue – Retained: This account should be credited with certain miscellaneous revenue to be retained by the LHA, and which is not used to reduce the amount of operating subsidy the LHA is due. The most common examples for this account is receipts for the rental of roof antennas to cell phone providers and net meter credits earned on electricity bills from Net Meter Power Purchase Agreements (PPA's). Generally, surplus LHAs may retain 100% of these savings and deficit LHAs may retain 25% of the savings, with

the 75% balance used to offset its need for operating subsidy. However, for the period 7/1/16 through 6/30/20, all deficit LHAs may keep 100% of the net meter credit savings, while they can keep 50% effective 7/1/2020.

3692: Other Revenue - Operating Reserves: This account should be credited with funds that LHAs plan to utilize from their operating reserve accounts in excess of the Allowable Non-Utility Expense Level (ANUEL). To be approvable, LHA must maintain the DHCD prescribed operating reserve minimum level after deducting the amount budgeted. The only exception to this is when the expenses are for health and safety issues.

3693: Other Revenue – Net Meter: This account should normally be credited with 75% of the total net meter credit savings realized by a deficit LHA, while surplus LHAs with net meter credit savings would enter \$0 here. Savings are calculated as the value of the net meter credits appearing on the LHA's electric bills (or, in some cases, paid in cash to the LHA by their utility company), minus the cost of the payments made to the solar power developer under their Power Purchase Agreement (PPA). Deficit LHAs normally may retain 25% of the savings. That amount should be included as Other Revenue – Retained on line #3691. However, please note that for the period 7/1/16 through 6/30/20 all LHAs may retain 100% of their total net meter credit savings, and should report those savings as Other Revenue – Retained on line #3691. LHAs can keep 50% of savings effective 7/1/2020.

3801: Operating Subsidy – DHCD (400-1): This account represents all state-funded operating subsidy to be received and or to be earned for the fiscal year. At the end of each fiscal year, this account will be adjusted in the operating statement to equal the actual subsidy earned by the LHA.

3802: Operating Subsidy – MRVP/AHVP Landlords:

The credit balance in this account represents the anticipated total receipts from DHCD during the fiscal year for housing assistance payments to landlords. At the end of each fiscal year this account will be adjusted to equal the actual subsidy earned.

3920: Gain/Loss from Sale or Disposition of Property (Capitalized or Non-Capitalized): The debit or credit balance of this account represents the following items: a) Cash proceeds from the sale of property that was either: 1) non-capitalized; or 2) capitalized and has been fully depreciated, and b) Realized gain or loss from the sale or disposition of capitalized property that has not been fully depreciated.

4110: Administrative Salaries: This account should be charged with the gross salaries of LHA personnel engaged in administrative duties and in the supervision, planning, and direction of maintenance activities and operating services during the operations period. It should include the salaries of the executive director, assistant executive director, accountants, accounting clerks, clerks, secretaries, project managers, management aides, purchasing agents, engineers, draftsmen, maintenance superintendents, and all other employees assigned to administrative duties.

4120: Compensated Absences: The debit balance in this account represents the actual cost incurred during the fiscal year for vacation, paid holidays, vested sick leave and earned compensatory time. This account includes both the direct compensated absences cost and associated employer payroll expenses (employment taxes, pension cost, etc.).

4130: Legal Expense: This account should be charged with retainers and fees paid to attorneys for legal services relating to the operation of the projects.

4140: Compensation to Authority Members: A local authority may compensate its members for performance of their duties and such other services as they may render to the authority in connection with its Chapter 200 development(s). Compensation for any other program is not authorized. Because of this, LHAs must base such compensation only on the actual rent receipts for these developments plus a prorated share of other operating receipts of funds on a per unit basis. The precise amount that members may be compensated is defined by statute to a maximum of \$40 per member per day, and \$50 for the chairperson per day. The total of all compensation to all board members is not to exceed two percent (2%) of actual gross income of Chapter 200 developments in any given year, consistent with the approved budget amount. In no case shall the payment of compensation exceed \$12,500 annually for the chairperson, or \$10,000 for any member other than the chairperson. Please note the statute requires the member to perform housing authority business in order to receive compensation.

4150: Travel and Related Expense: Legitimate travel expenses incurred by board members and staff in the discharge of their duties for any **state-aided program** are reimbursable from this account, as consistent with Department policy.

4170: Contractual Accounting Services: Fees for accounting services that are provided routinely and are contracted for on an annual basis. Only accounting services performed on a contractual basis (fee accountant) should be included in this item. Full or part-time LHA accounting staff that provides routine accounting services should be included in Account 4110, Administrative Salaries.

4171: Audit Costs: This account includes the state program's prorated share of audit fees paid to an Independent Public Accountant (IPA). The procurement of an IPA is necessary to satisfy the Federal Government's audit requirements. Costs for these services should be shared with all state and federal programs of LHA. **Audit costs are to be absorbed within the ANUEL.** The new Agreed Upon procedures (AUP) audit costs for state-assisted public housing programs should also be included in this account.

4180: Penalties and Interest: Any expenses incurred from penalties, fees, and interest paid on delinquent accounts shall be included in this line item.

4190: Administrative Other: This account is provided for recording the cost of administrative items for which no specific amount is prescribed in this 4100 group of accounts. It includes, but is not limited to, the cost of such items as: reports and accounting forms; stationery and other office supplies; postage; telephone services; messenger service; rental of office space; advertising for bids; publications; membership dues; collection agency & court costs, training costs; management fees, and fiscal agent fees.

4191: Tenant Organization: LTO Funding by the LHA. Upon request the LHA shall fund all LTOs in a city or town at the annual rate of \$6.00 per state-aided public housing unit occupied or available for occupancy by residents represented by such LTO(s) or an annual total of \$500.00 prorated among all such LTO(s), whichever is more. For more information on the creation and funding of LTOs see 760 CMR 6.09.

Authorities which operate computer learning centers, which are funded by the state consolidated budget or by other sources (which are typically recorded in line #3691 as "Other Revenue Retained", should budget the cost of the centers on this line.

4310: Water: This account should be charged with the cost of water and sewer charges purchased for all purposes.

4320: Electricity: This account should be charged with the total cost of electricity purchased for all purposes. Many LHAs have entered into Net Meter Credit Power Purchase Agreements (PPA's). In these deals, an LHA executes a contract with a solar power developer who constructs and owns an off- site solar electricity-generating site. In exchange for contracting to purchase a percentage of the solar power produced, the LHA receives a credit on its utility electric bill for each KWH purchased or in some cases receives a direct cash payment from their utility company. Please ensure that the amount charged to this account is the total cost of electricity BEFORE any reductions due to the receipt of net meter credits.

4330: Gas: This account should be charged with the cost of gas (natural, artificial, or liquefied) purchased for all purposes.

4340: Fuel: This account should be charged with the cost of coal, fuel oil, steam purchased, and any other fuels (except electricity and gas) used in connection with Local Housing Authority operation of plants for the heating of space or water supplied to tenants as a part of rent.

4360: Net Meter Utility Debit/Energy Conservation: This account is to be charged with costs incurred for energy conservation measures.

4390: Other Utilities: This account should be charged with the cost of utilities which are not provided for in accounts 4310 through 4360. In addition, for all quarterly or year-end operating statements 9/30/20 or later, and all budgets 6/30/21 or later, please use this line to record the total net meter credits earned as reported in Line 4392, MINUS the Solar Operator Costs reported in Line 4391, with the result expressed as a positive number. For example, if you reported -\$20,000 in Net Meter Utility Credits in Line 4392 and \$15,000 in Solar Operator Costs in Line 4391, you would subtract the \$15,000 reported on Line 4391 from the -\$20,000 reported on Line 4392, and post the remainder of \$5,000 on Line 4360, as a positive number. This number essentially represents the "net" savings the LHA earned from its net meter credit contract.

4391: Solar Operator Costs: Many LHAs have entered into Net Meter Credit Power Purchase Agreements (PPA's). In these deals, an LHA executes a contract with a solar power developer who constructs and owns an off-site solar electricity-generating site. The LHA makes regular (usually monthly) payments to the developer for its contracted share of the solar electricity produced by the site. Those payments should be entered in this account.

4392: Net Meter Utility Credit (Negative Amount): As noted in account #4391 above, many LHAs have executed Net Meter Credit Power Purchase Agreements (PPA's). In exchange for contracting to purchase a percentage of the solar power produced, the LHA receives a credit on its utility electric bill for each KWH purchased from the developer, which reduces the balance on its electric bill, or, in some cases, the credits are paid in cash to the LHA by the utility company. The total gross amount of the net meter credits that appear on the LHA's utility bills should be carried in this account and entered as a negative number. In cases where credits are paid in cash to the Host LHA, the net balance after paying out the amounts due the participating housing authorities, should also be carried in this account and entered as a negative number.

4410: Maintenance Labor: This account should be charged with the gross salaries and wages, or applicable portions thereof, for LHA personnel engaged in the routine maintenance of the project.

4420: Materials & Supplies: This account should be charged with the cost of materials, supplies, and expendable equipment used in connection with the routine maintenance of the project. This includes the operation and maintenance of automotive and other movable equipment, and the cost of materials, supplies, and expendable equipment used in connection with operating services such as janitorial services, elevator services, extermination of rodents and household pests, and rubbish and garbage collection.

4430: Contract Costs: This account should be charged with contract costs (i.e. the cost of services for labor, materials, and supplies furnished by a firm or by persons other than Local Authority employees) incurred in connection with the routine maintenance of the project, including the maintenance of automotive and other movable equipment. This account should also be charged with contract costs incurred in connection with such operating services as janitorial services, fire alarm and elevator service, extermination of rodents and household pests, rubbish and garbage collection, snow removal, landscape services, oil burner maintenance, etc.

4510: Insurance: Includes the total amount of premiums charged all forms of insurance. Fire and extended coverage, crime, and general liability are handled by DHCD on a statewide basis. All other necessary insurance policies include: Workers' Compensation, boiler, vehicle liability and owner, etc.

4520: Payments in Lieu of Taxes:

This account should be charged with all payments in lieu of taxes accruing to a municipality or other local taxing body.

4540: Employee Benefits: This account should be charged with local housing authority contributions to employee benefit plans such as pension, retirement, and health and welfare plans. It should also be charged with administrative expenses paid to the State or other public agencies in connection with a retirement plan, if such payment is required by State Law, and with Trustee's fees paid in connection with a private retirement plan, if such payment is required under the retirement plan contract.

Employee benefits are based upon a given percentage of the total payroll; therefore, the total amount approved in this account will be based on the approved budgeted salaries representing the state's fair share.

4541: Employee Benefits - GASB 45: This line covers "Other Post-Employment Benefits" (OPEB). Of the total benefits offered by employers to attract and retain qualified employees, some benefits, including salaries and active-employee healthcare are taken while the employees are in active service, whereas other benefits, including post-employment healthcare and other OPEB are taken after the employees' services have ended. Nevertheless, both types of benefits constitute compensation for employee services. In accordance with required accounting practices, this amount is not projected in the budget (and is therefore blank) but the estimated future costs of this item is carried in the operating statement.

4542: Pension Expense – GASB 68: The primary objective of GASB 68 Statement is to improve accounting and financial reporting for pension costs. It also improves information provided by state and local governmental employers about financial support for pensions that is provided by other entities. As with account 4541 above, in accordance with required accounting practices, this amount is not projected in the budget (and is therefore blank) but the estimated future costs of this item is carried in the operating statement.

4570: Collection Loss: The balance in this account represents the estimated expense to cover unexpected losses for tenant rents. Note: Do not include losses from fraud/retroactive balances here. Report them in Account 4571 – Collection Loss – Fraud/Retroactive.

4571: Collection Loss – Fraud/Retroactive: The balance in this account represents the estimated expense to cover unexpected losses for tenant rents due to unreported income, i.e. fraud/retroactive balances.

4580: Interest Expense: The debit balance in this account represents the interest expense paid and accrued on loans and notes payable. This debt can be from operating borrowings or capital borrowings.

4590: Other General Expense: This account represents the cost of all items of general expenses for which no specific account is prescribed in the general group of accounts.

4610: Extraordinary Maintenance – Non-Capitalized: This account should be debited with all *costs* (labor, materials and supplies, expendable equipment (such as many tools or routine repair parts), and contract work) of repairs, replacements (but not replacements of non-expendable equipment), and rehabilitation of such a substantial nature that the work is clearly not a part of the routine maintenance and operating program. The items charged to this account should not increase the useful life or value of the asset being repaired. These items are not capitalized and are not added as an increase to fixed assets at the time of completion. Nor are these items depreciated. An example of this would be scheduled repainting of apartments.

4611: Equipment Purchases – Non-Capitalized: This account should be debited with the costs of equipment that does not meet the LHA’s criteria for capitalization. Because these items are being expended when paid, they should not be categorized as a fixed asset and therefore will not be depreciated. These items include stoves, refrigerators, small tools, most computers and software, etc.

The budget is a planning tool and as our portfolio ages it is essential that LHAs evaluate their properties annually and plan for extraordinary maintenance. To that end DHCD very strongly recommends that for all 400-1 operating budgets, depending on the age of the portfolio and condition, LHAs spend between \$100 and \$500 a year per unit in Extraordinary Maintenance, Equipment Purchases, Replacement of Equipment, and Betterments & Additions to ensure that the aging public housing stock is preserved.

4715: Housing Assistance Payments: This account should be debited with all housing assistance payments paid to landlords for the MRVP program on a monthly basis.

4801: Depreciation Expense: This account should be debited with annual fixed asset depreciation expenses as determined by the LHA’s capitalization policy.

7520: Replacement of Equipment – Capitalized: This account should be debited with the acquisition cost (only the net cash amount) of non-expendable equipment purchased as a replacement of equipment of substantially the same kind. These items, such as vehicles, computers, or furniture, meet the LHA’s criteria for capitalization and will also be added to fixed assets and therefore depreciated over the useful life.

7540: Betterments & Additions – Capitalized: This account should be debited with the acquisition cost (only the net cash amount) of non-expendable equipment and major non-routine repairs that are classified as a betterment or addition. These items meet the LHA’s criteria for capitalization and will also be added to fixed

assets and therefore depreciated over the useful life of the asset. Examples are: major roof replacement, structural repairs such as siding, or major paving work.

In accordance with GAAP accounting, inventory purchases (Replacement of Equipment and Betterments & Additions) are distinguished between capitalized and non-capitalized items. Any inventory or equipment purchase greater than \$5,000 is required by DHCD to be capitalized, inventoried and depreciated. Any inventory or equipment purchase costing \$1,000 to \$4,999 should be inventoried by LHA staff for control purposes only but is not subject to capitalization or depreciation, it is, however, required to be expensed when the items are paid for. An LHA's inventory listing should include both capitalized and non-capitalized items of \$1,000 and more, as well as all refrigerators and stoves of any value. All items that appear on the inventory listing should be tagged with a unique identification number, and all refrigerators and stoves (regardless of value) should be tagged. LHAs may adopt a capitalization policy that capitalizes inventory purchases at a lesser amount than the \$5,000 requirement (i.e. \$1,000 - \$4,999); however, no capitalization policy can have an amount higher than \$5,000. Any inventory or equipment purchases costing \$0 to \$999 are to be expensed when paid for.

Narrative Responses to the Performance Management Review (PMR) Findings

The Performance Management Review conducted by the Department of Housing and Community Development (DHCD) for the 2023 LHA fiscal year resulted in the following ratings. Criteria which received a 'Corrective Action' rating show both a reason for the rating and a response by the LHA. The reason indicates Lee Housing Authority's understanding of why they received the rating, while the responses describe their goals and the means by which they will meet or improve upon the performance-based assessment standards established by DHCD in the PMR. When the PMR rating is 'Operational Guidance', the LHA may have responded, but was not required to.

Category: Management

Criterion: Occupancy Rate - the percentage of units that are occupied on monthly report.

Rating: No Findings

Criterion: Tenant Accounts Receivable (TAR) - the percentage of uncollected rent and related charges owed by tenants to the local housing authority (LHA), out of the total amount of rent and related costs charged to tenants.

Rating: No Findings

Criterion: Certifications and Reporting Submissions - timely submission of statements and certifications

Rating: Operational Guidance

Criterion: Completion of mandatory online board member training

Rating: No Findings

Criterion: Annual Plan Submitted - Annual Plan (AP) submitted on time

Rating: No Findings

Criterion: Staff completed relevant certifications or trainings

Rating: No Findings

Category: Financial

Criterion: Adjusted Net Income - a measure of overspending or underspending.

Rating: No Findings

Criterion: Current Operating Reserve as a percentage of total maximum reserve level.

Rating: No Findings

Category: Capital Planning

Criterion: Timely spending of capital funds awarded under the Formula Funding program

Rating: No Findings

Category: CHAMP

Criterion: Paper applications are available, received and entered into CHAMP

Rating: No Findings

Criterion: Vacancies are recorded correctly and occupied using CHAMP

Rating: Operational Guidance

Category: Facility Management - Inspection Standards and Practices

Criterion: 100% of units inspected during FYE under review

Rating: No Findings

Criterion: Unit inspection reports create, track, and report work orders for inspection repairs, and inspection WOs completed within 30 days or add to DM / CIP

Rating: No Findings

Criterion: Unit inspection reports accurately reflect necessary repairs

Rating: No Findings

Category: Facility Management - Vacancy Turnover Standards and Practices

Criterion: Work orders created for every vacancy and completed within 30 days (or waiver requested)

Rating: Corrective Action

Reason: We were keeping a paper record of the needed work orders, so work orders were not created in PHA Network within the timeframe.

Response: In addition to a paper record (which is easier for our maintenance staff), we will now also enter the work orders into the computer system.

Criterion: Vacancy turnover work orders accurately reflect necessary repairs

Rating: Corrective Action

Reason: We were keeping a paper record of the needed work orders, so work orders were not created in PHA Network within the timeframe.

Response: In addition to a paper record (which is easier for our maintenance staff), we will now also enter the work orders into the computer system.

Category: Facility Management - Preventive Maintenance Standards and Practices

Criterion: LHA Preventive Maintenance Plan accurately reflects all necessary work to maximize life of LHA components

Rating: No Findings

Category: Facility Management - Work Order Types and Systems

Criterion: All emergency work orders are created, tracked, reported and completed within 48 hours

Rating: No Findings

Criterion: All requested work orders are created, tracked, reported and completed within 14 days or added to DM/CIP

Rating: No Findings

Explanation of PMR Criteria Ratings

CRITERION	DESCRIPTION
Management	
Occupancy Rate	<p>The rating is calculated using the following formula: (Total Number of Occupied units on Monthly Report divided by (Total Number of Units Minus Units that Received a Waiver Minus Number of Units Vacant less than 30 days on Monthly Report)</p> <ul style="list-style-type: none"> • “No Findings” : Occupancy Rate is at or above 98% • Operational Guidance: Occupancy rate is at 95% up to 97.9% • Corrective Action: Adjusted occupancy rate is less than 95%
Tenant Accounts Receivable (TAR)	<p>This criterion calculates the percentage of uncollected rent and related charges owed by starting with the amount reported by the LHA, as uncollected balances for the TAR (Account 1122 from the Balance Sheet) minus Normal Repayment Agreements* divided by Shelter (Tenant) Rent (account 3110 from the Operating Statement)</p> <ul style="list-style-type: none"> • “No Findings” : At or below 2% • “Operational Guidance” : More than 2% , but less than 5% • “Corrective Action” : 5% or more
Certifications and Reporting Submissions	<p>Housing authorities are required to submit 4 quarterly vacancy certifications by end of the month following quarter end; 4 quarterly operating statements and 4 Tenant Accounts Receivable (TAR) reports within 60 days of quarter end.</p> <ul style="list-style-type: none"> • “No Findings” : At least 11 of the required 12 reports were submitted and at least 9 were submitted on time. • “Operational Guidance” : Less than 11 of the required 12 reports were submitted and/or less than 9 were submitted on time.
Board Member Training	<p>Percentage of board members that have completed the mandatory online board member training.</p> <ul style="list-style-type: none"> • “No Findings” : 80% or more completed training • “Operational Guidance” : 60-79.9% completed training • “Corrective Action” : <60 % completed training
Staff Certifications and Training	<p>Each LHA must have at least one staff member complete a relevant certification or training During the fiscal year. The number of required trainings varies by LHA size.</p> <ul style="list-style-type: none"> • No Findings: LHAs completed the required number of trainings Corrective Action: LHAs have not completed any trainings
Annual Plan (AP) Submitted	<p>Housing authorities are required to submit an annual plan every year.</p> <ul style="list-style-type: none"> • “No Findings” =Submitted on time • “Operational Guidance” =Up to 45 days late • “Corrective Action” =More than 45 days late

Waivers

AP-2025-Lee Housing Authority-00988 has no current waivers from the regulations of the Department of Housing and Community Development (DHCD).

Attachments

The following items have been uploaded as attachments to this Annual Plan.

Due to the COVID-19 emergency, on-site Performance Management Review (PMR) assessments by the Facilities Management Specialists were cancelled for the December fiscal year end housing authorities. Therefore, the Facility Management categories have been omitted from the PMR document.

- Public Comments and LHA Responses
- Cover sheet for tenant satisfaction surveys
- Tenant Satisfaction Survey 667 Program
- Performance Management Review

Notice of Public Hearing

The Lee Housing Authority invites all tenants and the general public to a review of the Authority's Proposed Annual Plan for Fiscal Year 2025

The Annual Plan is intended to provide insight into the Authority's operations and plans for the coming fiscal year as they affect the Authority's state-aided public housing. The Proposed Annual Plan is comprised of the following elements:

1. Proposed Capital Improvement Plan (5-year)
2. Proposed Maintenance and Repair Plan
3. Current Operating Budget
4. Responses to the Performance Management Review (PMR) findings
5. List of housing authority policies
6. List of waivers from governing regulations of the Department of Housing and Community Development (DHCD)
7. Other elements

Hearing time and date: **4:30 PM on 03/19/2024**

Hearing location: Community Room
155 Marble St.
Lee, MA 01238

Residents and the general public are invited to review the Annual Plan before the hearing and may submit public comments as noted below. The Authority shall consider the concerns of any Local Tenants' Organization (LTO) or Resident Advisory Board (RAB) regarding needs and priorities and incorporate some or all of such needs and priorities in the draft plan if deemed by the Authority to be consistent with sound management. Substantive comments will be summarized and included in the Annual Plan when it is submitted to the Department of Housing and Community Development (DHCD).

- o Copies of the Annual Plan are available at the Authority's office or may be reviewed online at <https://tinyurl.com/LHA-MA-AnnualPlan>
- o Comments may be submitted orally at the hearing, by emailing the housing authority office, or by submitting written comments at the housing authority office. Comments must be received no later than the close of the public hearing.
- o For reasonable accommodation requests contact the housing authority office by 03/05/2024 at 12:00 PM.
- o Contact information for Lee Housing Authority:
Office: 155 Marble St., Lee, MA 01238-9511

FY2025 ANNUAL PLAN

PUBLIC COMMENTS AND LHA RESPONSES

The Lee Housing Authority Board of Directors Public Hearing for the Proposed FY 2025 Annual Plan was held on March 19, 2024, at 4:30 p.m.

The meeting was called to order by chairperson Sandra Cozzaglio at 4:30 p.m.

There were zero comments to the FY 2025 Annual Plan

The public hearing was adjourned at 4:32 p.m.

Submitted by:

Deborah M. Pedercini

Executive Director

LEE HOUSING AUTHORITY
155 MARBLE STREET
LEE, MA 01238

Minutes of the Lee Housing Authority Board of Directors Public Hearing for the Proposed FY 2025 Annual Plan on March 19, 2024, at 4:30 p.m.

The meeting was called to order by Chairperson Sandra Cozzaglio at 4:30 p.m.

Those in attendance: Sandra Cozzaglio
Marjorie Donovan
Thomas Unsworth
Thomas Logsdon
Deborah M. Pedercini, Executive Director

Members Absent: Jennifer Heath

Chairperson Cozzaglio explained that the Annual Plan serves as both a tool for the LHA's to reflect upon the prior year, as well as an opportunity to develop a clear and transparent plan. In addition to the physical document, the AP is also a process of public engagement. The Annual Plan was available to the tenants on the LHA's website as well as in the LHA office since January 22, 2024. The board has had the opportunity to read and offer recommendations, or any amendment to the document.

The chairperson called for any amendments or comments on the FY 2025 Annual Plan.

Hearing none.

A motion was in order to accept the FY 2025 Annual Plan as presented.

Motion was made by member Logsdon to accept the FY 2025 Annual Plan as presented. Motion was seconded by member Donovan. Vote 4-0

Motion to adjourn the public hearing was made by member Logsdon. Motion was seconded by member Donovan. Vote 4-0

The public hearing was adjourned at 4:37 pm.

Executive Director

Resident Surveys – Background

Since 2016 DHCD has been working with the Center for Survey Research (CSR) at the University of Massachusetts Boston to survey residents in the state public housing units it oversees. The surveys are confidential, mailed directly to residents, and returned to CSR by mail (or, starting in 2019, completed on-line). CSR surveys residents of elderly/disabled units (also known as Chapter 667) and family units (also known as Chapter 200 and Chapter 705).

During each round all units are mailed surveys, with one exception: in the case of the twelve housing authorities with more than 225 c.200 family units, a randomly selected group of 225 units was surveyed at each housing authority. This group was determined to be large enough to generate statistically useful results. In both rounds, responses from c.200 and c.705 residents are always combined.

Round One Surveys (2016 – 2018)

In Round One of the surveys, CSR surveyed residents of elderly/disabled units (c.667) in three groups in the Fall of 2016, 2017 and 2018. CSR surveyed residents of family units (c.705 and c.200) in the Spring of 2016. (Note: there are many more c.667 units, so they were broken down into three groups).

Notes on Round One Surveys

1. In previous publications of this survey data, if there were at least twenty responses from residents of an authority's c.667 units or from their c.200/705 units, then there is a separate report for that program.
2. We originally combined data from c.667 and c.200/705 units for some LHAs with limited family data. However, to be consistent with the new Round Two methodology described below, we recalculated the Round One data using the new methodology. Since we no longer combine results from the different programs several LHAs no longer have a report for their c.200/705 units given the small data set for those units.

Round Two Surveys (2019 – 2022)

Round Two of the surveys began in 2019. CSR surveyed about one-third of the elderly/disabled units in Fall 2019, Fall 2021, and Fall 2022. CSR surveyed all family units in Fall 2020.

Notes on Round Two Surveys

1. We refined our reporting methodology and will issue survey results for any program (c.667 or c.200/705) meeting these requirements:
 - 8-19 completed surveys received, if the response rate is at least 40%
 - 20-29 completed surveys received, if the response rate is at least 20%
 - 30+ completed surveys received, if the response rate is at least 15%
2. Responses from the family units will not be combined with responses from elderly/disabled units as they originally were in Round One. Since the variance between the results of the elderly/disabled and family programs was sometimes significant, we determined that combining the two yielded less accurate results.

Resident Survey
LEE HOUSING AUTHORITY

Chapter 667 Housing
Fall 2019

NOTE

This copy of the survey shows the percentage of respondents who chose each answer. DHCD also collected demographic information from survey respondents, such as gender, race, education, and age. The responses to these demographic questions are not included in this report in order to protect the anonymity of respondents.

In the fall of 2019, surveys were sent to **48** housing units (Chapter 667) in the Lee Housing Authority. **27** surveys were completed. The percentages presented here are based on that number.

1. How many years have you lived in your current apartment?

- 15%** Less than 2 years
- 19%** 2 to 5 years
- 19%** 6 to 10 years
- 46%** More than 10 years

Maintenance & Repair

- 8.** In the last 12 months, how often were you treated with courtesy and respect by the maintenance staff of your development??
- 0%** Never
 - 4%** Sometimes
 - 11%** Usually
 - 85%** Always
- 9.** Does the Housing Authority let you know before they enter your apartment??
- 96%** Yes
 - 4%** No
 - 0%** Don't Know
- 10.** "Building maintenance" includes things such as clean halls and stairways and having lights and elevators that work. In the last 12 months, how would you rate the overall building maintenance??
- 15%** Poor
 - 4%** Fair
 - 23%** Good
 - 15%** Very Good
 - 42%** Excellent
- 11.** In the last 12 months, how would you rate how well the outdoor space is maintained at your development (such as litter removal and clear walkways)?
- 8%** Poor
 - 11%** Fair
 - 15%** Good
 - 11%** Very Good
 - 54%** Excellent
- 12.** In the last 12 months, how many times did you completely lose heat in your apartment?
- 74%** Never → **If Never, go to #14**
 - 26%** Once
 - 0%** 2 or 3 times
 - 0%** 4 times or more

13. How long did it usually take for your heat to come back on?

100% Less than 24 hours

0% 24 to 48 hours

0% More than 48 hours

14. In the last 12 months, did you have any of these other heating problems?

	Yes
a. Apartment was too hot	4%
b. Apartment was too cold	7%
c. Took too long for apartment to heat up	4%
d. Apartment felt too drafty	11%

15. In the last 12 months, how many times did you have no hot water in your apartment?

81% Never → **If Never, go to #17**

15% Once

4% 2 or 3 times

0% 4 times or more

16. How long did it usually take for the hot water to come back on?

100% Less than 24 hours

0% 24 to 48 hours

0% More than 48 hours

17. In the last 12 months, did you have any of these other water or plumbing problems?

	Yes
a. Clogged drains (sink, toilet, shower)	33%
b. Leaking pipes or faucets	15%
c. Complete loss of water	0%
d. Water temperature problems (too hot, too cold, unreliable)	11%
e. Water stains on the ceiling	11%
f. Sewer backed-up into your apartment	7%

Communication

18. In the last 12 months, has the Executive Director at your development held any meetings with residents??

45% Yes

23% No

32% Don't remember

19. In the last 12 months, how often were you treated with courtesy and respect by the management office of your development?

0% Never

11% Sometimes

22% Usually

67% Always

Safety

20. In the last 12 months, in general, how safe did you feel in your development?

56% Very safe → **If Very safe, go to #22**

28% Mostly safe

12% Somewhat safe

4% Not at all safe

21. For those who felt not at all, somewhat, or mostly safe: Why do you feel unsafe in your development? (Check all that apply.)

Building/Indoor Concerns

0% Not enough lighting in the hallways

0% Windows are not secure

40% Security of entry doors

0% Other tenants give door access code to non-residents

Outdoor Concerns

0% Not enough outdoor lights

10% Illegal activity in the development

40% Strangers hanging around who should not be there

30% Sidewalks are difficult to walk on

Other Concerns

0% The neighborhood/area the development is in

50% Another reason

22. Overall, how satisfied are you living in your development?

44% Very satisfied

48% Mostly satisfied

4% Mostly dissatisfied

4% Very dissatisfied

Criteria	Rating
Staff Certification and Training	No Findings

Occupancy

Rating All: No Findings
 Rating 667: No Findings
 Rating 705: No Findings
 Rating 200: Not Applicable

- Enter vacancies into system at least monthly and ensure that there are no duplicates. Reach out to HMS if accidental duplicates occur.
- Use online vacancy system, see user guide if need help. All vacancies must be reported; and quarterly certifications must be completed certifying all data is in system. Request waivers when applicable.
- Follow tenant selection best practices to improve vacancy turnover (pulling lists in CHAMP as soon as vacancy occurs and previewing list to prescreen in advance of vacancies as needed).
- Include unit turnovers in capital improvement plan.
- Engage in a management agreement or contract with private firms to help with heavy unit turnover.
- Review turnovers with staff weekly or biweekly to monitor status of vacant units.
- Develop plan for updating units with long term occupancy to limit turn over time at vacancy; family units may need consistent attentions o when lease up, condition is not affecting vacancy turnover time.
- Ensure that yearly inspection findings are addressed and address tenant damage/lease violations.
- Please refer to PHN 2022-15 Vacancy Waiver Policy Update, Attachment B.
- Other:**

Tenant Accounts Receivable (TAR)

Rating All: No Findings
 Rating 667: No Findings
 Rating 705: Operational Guidance
 Rating 200 : Not Applicable

- Create or update rent collection policy and procedures and submit to DHCD for review, with supporting Board vote.
- Adhere to your rent collection policy and lease, i.e. sending notices, reminder letters, 14 day notice to quit, 30 day notice etc. Send notices to tenants early and frequently.
- Increase ways to accept rent payment, i.e. check scanners, lock boxes, electronic debit, autopay, etc.
- Report to credit bureau when resident has vacated unit with past due rent balance.
- Consider using small claims court (<https://www.mass.gov/info-details/massachusetts-law-about-small-claims>)
- Create written repayment agreements, either in house or court ordered, and ensure they are adhered to.
- Evaluate vacated balances to better understand what is collectible and what is unlikely to be collected. Don't allow tenant balances to build-up before doing lease enforcement. Review aged receivables report regularly.
- Set reasonable thresholds for commencing legal action.
- Ensure proper documentation of past due balances and collection efforts with tenants.

Board Member Training

Rating: No Findings

- Ensure you update the board attendance application with the most recent board members, and their term dates.

- Ensure each board member has a unique email for the board member training.
- Provide computer guidance as needed to help board members complete the training.
- Other:**

Certifications and Reporting Submissions

Rating: Operational Guidance

- Submit all four quarterly vacancy certifications by the end of the month following the quarter end.
- Submit all four quarters of Tenants Accounts Receivables (TAR) application within 60 days of quarter end.

- Submit all four quarterly operating statements within 60 days of the quarter end.
- Schedule board meetings well in advance. Consider scheduling a backup date to ensure you are able to have your board vote/approval in time to meet reporting deadlines.

- Set a recurring appointment in your email calendar for help remembering reporting dates and deadlines.
-

Annual Plan Submission

Rating: No Findings

- Annual Plan submitted up to 45 days late
- Annual Plan not submitted/submitted more than 45 days late
- Other:**

Adjusted Net Income/Revenue

Rating: No Findings

Revenue:

- Update and adhere to rent collection policy
- Update marketing plan
- Update internal policies related to vacant unit turnover
- Review rent roll to identify outstanding rents and/or patterns of rent delinquency.
- Review operating statements to identify trends in revenue collection such as LHA-wide or development-centered rent issues.
- Follow tenant selection best practices to improve vacancy turnover (pulling lists in CHAMP as soon as vacancy occurs and previewing list to prescreen in advance of vacancies as needed)
- Set up repayment agreements with tenants as soon as tenant becomes in arrears; do not let large balances accrue.
- Make it easier for tenants to pay rent. For example, consider online payments, lockboxes for night time drop-off or extended office hours
- Review budget reports with both fee accountant/financial staff and your board to stay on top of revenue trends.
- Ensure rent determinations are completed regularly and are in adherence with DHCD policy

Expense:

Salaries

- Monitor expenses throughout the year; over or underspending in certain budget lines, can be fixed by reducing or increasing other lines to ensure you stay within your ANUEL.
- Consider a reorganization of staff time/roles and improve processes.
- Hire temporary workers or offer overtime to current employees to pick up the workload of staff out on leave.
- Ensure your budget is in compliance with state and federal requirements regarding allocations.

Legal

- Review and if needed revise tenant selection process, rent collection process and notice to quit process to reduce evictions/legal costs.
- Start tracking or better estimate eviction costs based on historical averages throughout the year. If legal costs for evictions are running higher than expected, reduce other budget lines to ensure you stay within your ANUEL.
- If you qualify, use DHCD's regional attorney program.

Utilities

- Use online resources such as WegoWise, MassEnergyInsight or software provided by your utility company to track and monitor utility usage. Review the usage monthly to look for unusual expenditures.
- Weatherize units to improve insulation. Reach out to maintenance director or DHCD staff for more information.
- Request a referral from your HMS to DHCD's sustainability coordinator if you are interested in saving money through the installation of low-flow toilets, showerheads, LED lights or other cost-savings, energy-efficient measures. DHCD frequently has incentive programs that pay for the procurement and installation of energy and water saving appliances and tools at your LHA.
- Ensure that you have an air conditioner policy that precludes a/c being in windows out of season/enforce policy if already in place.

Maintenance

- Develop or update your preventive maintenance, deferred maintenance and routine maintenance plans and review monthly with maintenance staff.
- Develop or update your procurement and purchasing policies and review with staff.
- Develop a system to schedule and track preventive maintenance, reach out to your facilities management specialist for assistance.
- If contractor costs are high, see if your current maintenance team can complete the work or if it is possible to contract with a tradesman.
- Consider bulk purchasing for supplies and shop around for the best deals.
- Consider investing (through purchase or maintenance) in equipment that may reduce hours spent on maintenance (such as a snow blower to reduce time shoveling).
- Other:**

Operating Reserve

Rating: No Findings

- Please refer to 2019-01 Revisions to PMR Criteria for 1st Publishing Year and 2018-04 PHN 2018-04 Operating Reserve Augmentation and New Spending Thresholds and current budget guidelines.
An LHA may spend down to 35% of maximum reserve level without consulting DHCD, but the LHA must budget these expenses in the correct line items of their annual operating budget. If the expense occurred after DHCD approval of the annual operating budget, the LHA should submit a budget revision with these expenditures.
- Any expenditures from the operating reserve that will result in a projected operating reserve of less than 35% of maximum reserve level, requires *prior written approval* from DHCD, *unless the expenses are to resolve health and safety issues*.
- Each LHA must maintain a projected operating reserve of 20% of maximum reserve level, which *remains the minimum operating reserve level for all LHAs*.
-

Criteria 5: Vacancy Turnover Work Orders accurately reflect necessary repairs

Rating: Corrective Action

Recommendations: 1. No recommendations

Criteria 6: LHA Preventive Maintenance Plan accurately reflects all necessary work to maximize life of LHA components

Rating: No Findings

Recommendations: 1. No recommendations

Criteria 7: All emergency work orders are created, tracked, reported and completed within 48 hours

Rating: No Findings

- Recommendations:
1. Ensure that all Emergency Work Orders are created, tracked, and reported per DHCD guidance
 2. Ensure that all Emergency Work Orders are created, tracked, and reported per DHCD guidance
 3. LHA sometimes miscategorized Emergency work orders as Tenant Requested. Ensure all Emergency work orders are being categorized properly.
 4. Ensure that all Emergency Work Orders are created, tracked, and reported per DHCD guidance
 5. LHA sometimes miscategorized Emergency work orders as Tenant Requested. Ensure all Emergency work orders are being categorized properly.

Criteria 8: All requested work orders are created, tracked, reported and completed within 14 days or added to DM/CIP

Rating: No Findings

- Recommendations:
1. Emergency work orders are sometimes being miscategorized as Tenant Requested. Ensure all Emergency work orders are being categorized properly.
 2. Emergency work orders are sometimes being miscategorized as Tenant Requested. Ensure all Emergency work orders are being categorized properly.
 3. Emergency work orders are sometimes being miscategorized as Tenant Requested. Ensure all Emergency work orders are being categorized properly.
 4. Emergency work orders are sometimes being miscategorized as Tenant Requested. Ensure all Emergency work orders are being categorized properly.

Health & Safety Deficiencies

Inspection reports were provided to the LHA at the time of the DHCD site visit. Health and safety deficiencies were identified during the PMR Inspection. These items must be completed or initiated within 48 hours. Following completion of these health and safety deficiencies, the Executive Director must login to the FMS software application and certify, by electronic signature, that all health and safety deficiencies have been completed. Please contact your assigned FMS for further assistance.
